Arena Open Earlier Than Other Years

The forthcoming opening of the new wing of Richmond Hill District High School on January 7 may remind many villagers of the opening of Richmond Hill's arena twenty-eight years ago. And it was almost twenty-eight years to the day as the official opening of the rink was on January 9, 1924.

From the January 3 issue of the Liberal of 1924 the following excerpt was taken. "The next big time after the municipal elections on Monday will be the opening of the new ice arena in the town park on Wednesday of next week, January 9, with a fancy and comic dress carnival and skating party, under the auspices of Richmond Hill Ladies Baseball team." For this event merchants in the village donated prizes to the value of forty dollars, one of which was a \$12.50 lady's dress. These were displayed in the windows of Mr. Norman Glass' store.

"The rink was opened earlier this year than in the last few winters," said Councillor Floyd Perkins, who is the present Chairman of the Parks and Arena Committee, and who has held this office for the past three years. Monday, Wednesday and Saturday evenings the arena is open for skating, Monday night being set aside for the old-timers. Youngsters under sixteen are not admitted Monday nights, unless accompanied by an adult. On Tuesday and Friday nights the rink is open for hockey. Skating admission is thirty-five cents for adults and twenty-five for children. Rink superintendent this year is Ross Casement with Wm. Rumble as his assistant.

Propane Co. Moves Head Office To Maple

On December 17, 1951, the Head Office staff of Superior Propane Limited, moved from Toronto into their new quarters at Maple. The sixteen members of the staff including Mr. W. A. Bitcon, Sales Manager; T. P. Sullivan, Comptroller; and Mr. W. G. Neill, Operations Manager, moved into a building featuring fluorescent lighting, acoustic ceiling with an air conditioned heating system operated entirely by Esotane Bottled Gas.

Built by Hadwin Kyle a local general contractor in record time, the first sod was turned by the President, Mr. Marshall Rawle, on October 4, 1951. Superior Propane Limited wishes to thank the local business men for their splendid co-operation. These include, Mr. H. Kye, General Contractor; Mr. J. Beedam, electrical work; Mr. L. House, Plumbing; Mr. H. Smith, Heating Engineer and Mr. S. Kaiser, Painting and Decorating.

Most of the head office personnel live in Toronto and environs and at present are commuting by means of car pools. However, it is entirely likely that some will locate permanently in Maple in the future.

A perfect indication of the fine employee relations experienced by Superior Propane was the Christmas party held on December 22. This was a co-operative undertaking with practically everyone contributing to the preparation and enjoyment. Service and Delivery men were allowed a holiday the day before Christmas in order to enjoy the season with their families to the fullest. In addition work for Saturday was so scheduled to allow each member to attend the party.

Superior Propane stated it will be their policy to employ as much local help as possible and with a young, vigorous company that is rapidly expanding, it is felt having a closer knit unit in Maple will be beneficial both to the Company and the Community.
