GRAIN and ROUGHAGE are NOT ENOUGH!
 Your cows need a high-quality protein supplement!

Ful-O-Pep Dairy Rations help your cow get the most out of the grain and roughage fed to her... because Ful-O-Pep feeds the bacteria in the cow's rumen... bacteria that do the big job of breaking down roughage for the cow to digest.
 Remember... undigested roughage is waste. Well-digested roughage makes milk. Help your cows do a better job by balancing your grain ration with Ful-O-Pep!
