Municipal Board Adjourns Hearing About Annexation

The Municipal Board acting with swiftness yesterday postponed their hearing on the proposed annexation by Richmond Hill of certain parts of Markham Township, indefin- VOLUME LXXIII. NUMBER 28.

This action was taken by the Board as they felt the misunderstandings between the two councils concerned must be settled and the ratepayers fully informed as to the pros and cons of annexation, before they could pass judgment on the matter. The two members of the Municipal Board present at the hearing suggested that the people in the area to be annexed should appear before a planning board or a joint meeting of the two councils, and have their questions answered. It must be explained to the residents why annexation is being asked for, and also what the net result of annexation will be to their property.

representative of both Richmond Hill and Markham Township stated that in 1951 a meeting was held between the councils of Markham and Richmond Hill at which time annexation was considered. He believed that there may have been a difference of thought as to the outcome of that meeting. Mr. Lucas presented the resolution by the 1952 Markham Council at their first regular meeting requesting a threemonth adjournment of the hearing.

Deputy-Reeve Tomlin in addressing the Board stated that Reeve Taylor and the members of the Richmond Hill Council would not oppose the Markham resolution for a delay in the proceedings.

The Board felt it had no alternative in light of the Mark ham resolution plus the representations that had been made to them by other interested parties, but to adjourn the application on the hearing until such time as the public are fully informed.

Home and School

The Thornhill Home & School Association will resume activities Thursday, January 17 when Dr. Stuart A. Mac-Gregor, the well-known specialist on children's teeth, will be the speaker.

The meeting will start at 8.15 p.m. and following the speaker and discussion period.

Public School Auditorium Richard Township to secure an injunction against the January 9th meeting of the Ontario Municipal Board on the grounds that the Township was prior to its holding as required by law. January 9 was the date set by the Ontario Municipal Board to consider the application by Richmond Hill to annex certain parts of Markham Township including the Elmwood and Harding sub-divisions. This motion was carried by

a 71 to 13 vote. This was the climax to a meet ing which saw two members of the Markham Township Council, Depu ty-Reeve elect for 1952 Mr. Alf James and Councillor Chas. Hooper refer to the proposed annexation by Richmond Hill as a "land grab' and that the Markham Township Council was "annoyed and hurt' by the action of the village council. Deputy-Reeve James who was the first of the two Markham councillors to hold the floor rose, when questioned by Mr. J. Rabinowitch, as to what Markham Township had to offer the Elmwood and Harding Subdivisions if they were not annexed. Mr. James in beginning his remarks stressed Markham's great need for industry. Mrs. Williamson then interrupted the speaker to ask if it was the coun-

To this Mr. James answered yes. held last Friday evening in the Deputy-Reeve James stated there was no feeling of accord between Shorten, association president mov- the two councils on the question ed a motion requesting Markham of annexation. This move was first discussed as early as April 1951 when members of Markham Township Council were invited to attend a meeting of the Richmond not notified of the meeting ten days Hill Village Council. A second meeting was held at a later date at which time Reeve Neal and Councillor Wes. Middleton attended a meeting of Markham Township officials. According to Mr. James and Councillor Hooper these were the only meetings held between the two municipalities at which the subject of annexation was discussed. At the April meeting Deputy-Reeve James claimed that the Markham officials asked what their township would gain by relinquishing some of its land, and when they suggested that the annexation plan include the Elmwood-Harding area, Deputy-Reeve Tomlin threw up his hands and said they didn't want any part of these two subdivisions. Deputy-Reeve Tomlin who with Councillor elect Jack Rice represented the Village council at the meeting, answered this charge saying that it was considered a liability for Richmond Hill to annex a totally residential area, at a time when the village is attempting to balance its industrial and residential assessment.

Harding Park Subdivision

Wants Annexation

At a well attended meeting of the property owners in the Harding Park Subdivision held Tuesday evening in the home of J. E. Teetzel, a unanimous resolution was passed favouring annexation with Richmond Hill. Mr. Teetzel reported that all but three of the householders in this area were able to attend the meeting, and that those present owned 88% of the property in the subdivision. Councillor Floyd Perkins of the Richmond Hill Village Council attended the meeting and answered questions and supplied details concerning the proposed annexation.

When Mr. Wm. Fuller arrived to open his dry goods store at Oak Ridges last Friday morning, he found that someone had broken in the back door during the night and taken snow suits, snow boots, wi ndbreakers and station wagon coats
