Residents in Highland Park who use Newtonbrook post office will be interested to know that, due to the need for larger quarters, a new building is being built for a post office in the new block of stores on Yonge St. near Abitibi Ave. which is near Stop 12B. The Department of Public Works, Ottawa, has given A. Minghella instructions to build a post office and Mr. Minghella expects to have it completed by April 1. If the city should take in the township of North York as far as Steeles, it seems too bad the building couldn't be north of Steeles in this subdivision, as it is expected that Newtonbrook area would then be taken into delivery section from Willowdale post office. However we may get the same from the new location in the future, as all post offices are under the Federal Government and available to all citizens regardless of location.

HIGHLAND PARK NEWS

MRS. WALTER SANDERS
23 Drury Ave.
Telephone: Thornhill 443J

(Held from last week)

Congratulations are extended to Mr. and Mrs. E. Scarff, 79 Highland Park Blvd. on the arrival of their new son, Christopher, 9 lbs. 4 oz.

Every good wish is extended to Maxine Raeburn, 11 Grandview Ave., on her recent engagement.

Mr. and Mrs. C. H. DeClerq, 56 Highland Park Blvd., had a very nice Christmas enjoying the company of Mrs. DeClerq's aunt, uncle and cousins, the Gilmores. Also her brother J. Alexander was home from Trenton, RCAF, to share in the fun, and visit with sister and mom.

Mrs. Doris Pollock, 19 Grandview Ave. reports her ballet classes are doing fine and she has had many requests for work taking in pre-school children. So starting very soon will be classes for 4-6 year olds, with rhythmic ballet for this age group. This is a teaching of co-ordination of the different parts of the body, in advance to ballet steps and brings quick co-operation of the mind and body which benefits the youngsters greatly as they advance. Good luck in this new endeavour, Mrs. Pollock.

Well the holidays are all over for this season, and I, being very busy along with the rest of you, did not have a chance to collect any news last week and didn't have calls from anyone on their joyous celebrations, but would be pleased to hear from anyone for next week's reports. I am sure several families had many visitors to our community and we'd be pleased to hear of them. I would also like to take this opportunity of wishing everyone a Happy New Year and to say thank you to everyone who was so kind to the carriers during the holiday season.

Highland Park Boys Recreation

Although meetings were suspended for the holiday season, the work on the rink continued. A special thank you goes to B. Sanders, 60 Highland Park; Dave Booth, 52 Highland Park and G. McCallum, 51 Drury Ave., who kindly gave their services to the committee in helping to construct the cushion and transporting materials for same. The milder weather has delayed the flooding of the rink but we hope arrangements can be made shortly to have the water transported for the initial flooding. On Wednesday, January 2, the members of the boys club who have faithfully delivered the Home and School notices this season, were treated to double header hockey game at Maple Leaf Gardens by the Home and School and were escorted to the game by committee members. Thanks go to the Briggs Construction Co. for the grading done on the land before the cushion was erected. Also to all the boys of the club who turned up to assist the men during operations.

Best wishes go to Susan Barrow of Drury Ave., who celebrated her fifth birthday on Thursday, January 8. All her little playmates, Michael and David Faye, Leslie Sanders and of course big brother Donnie enjoyed the party very much.

We are sorry to hear of the accident of little Andrea Schofield, 91 Drury Ave., who suffered a broken leg, when struck by a car on leaving the Richmond Hill bus at Stop 14 Yonge Street. We wish her a speedy recovery.

The Highland Park Association has held two committee meetings in the new year, and will be pleased to have you attend the first general meeting of the year on Monday, January 14 at the Powell Rd. School. At this meeting you will hear how the new executive are making out in the follow-up jobs taken over at the close of 1951. Everyone who attended the meetings last year will agree that they are the place to learn what's being done in the subdivision, so all plan to attend and bring along any newcomers to the neighborhood.

David Johnson, son of Mr. and Mrs. H. Johnson, 43 Woodward Ave., had a successful operation in St. Mary's hospital to remove his tonsils. Pleased to hear he is home again and coming along nicely.

Mr. and Mrs. H. Harris had a large family get-together for New Year's. Glad to hear Mrs. Harris was able to carry on and is feeling better after her recent accident of fractured ribs.

Art classes were suspended last Friday, on account of the TTC strike. The instructor, J. Green felt some might have difficulty in making it home and getting out again for 8 o'clock class. However, classes will be held on Friday, January 11, as I believe everyone is making out O.K. for transportation. If you do have a ride down be very grateful and do your best to cooperate with driver and be ready bright and early and avoid holding up your driver.
