

Richmond Hill Midget Hockey League Schedule 1952

January 18 — Thornhill vs. Richmond Hill
 January 22 — Oak Ridges vs. Richvale
 January 25 — Thornhill vs. Richvale
 January 29 — Oak Ridges vs. Richmond Hill

Figure Skaters

There will be figure skating in the arena each Saturday morning from 8.15 to 10.15 a.m. Mrs. Boyer will instruct the class. The junior class will be held first, followed by the more advanced class. Please be prompt as the time is very limited for each class. There will be a small charge made each morning to cover necessary expenses.

Doncaster Ratepayers Hold Jan. Meeting

The January meeting of the Doncaster ratepayers was held at Powell Road school on January 9, 1952. Harold Stevenson presided over a lively and interesting meeting, even though the attendance was rather small.

One of the first items on the agenda was the Membership Drive for 1952. It was decided the rate will remain at \$1.00 per year. New cards are being printed and, as soon as they are ready, the membership drive committee will go to work. Art Stevens and Ted Watts will cover the front end of the district and Cecil Russell and John Peacock the other end.

In order to help give newcomers to Doncaster a more friendly welcome, it was agreed that local merchants be approached for donations towards making up baskets for this purpose.

A motion was passed that authority be given the ladies to form a Ladies Auxiliary to the Doncaster Ratepayers Association and they were given permission to go ahead with eucres by invitation. It was decided that Markham Township Council be contacted immediately by letter on the North and South Roads, also the Ditch Award, in order to try and get things rolling by Spring.

Everyone agreed that letters of appreciation be sent to Mr. and Mrs. Ted Westacott for the turkey draw, Mr. and Mrs. Bert Richardson for the Christmas tree and Mr. and Mrs. Art Stevens for the eucres.

A letter was read by the secretary to the members from the Thornhill Women's Institute who are co-operating with the York County Health Unit in sponsoring a Child Health Centre for infants and pre-school children. This well-baby clinic will be held in the Thornhill United Church Hall the third Monday each month. The first clinic day will be Monday, January 21, from 1.30 p.m. to 4 p.m.

Anyone in the community may take advantage of this free health service for children. This letter was signed by Mrs. C. H. Bolton.

J.B. McGrath Pres. King City Legion

The election of officers for 1952 of the Canadian Legion, King City branch, was held Tuesday night, January 8, after having been postponed several times on account of the stormy weather at the end of 1951.

The following men were elected to office unanimously: Joseph B. McGrath, president; R. B. Walker, 1st vice-president; H. A. Phelps, 2nd vice-president; Alex Campbell, secretary-treasurer; sergeant-at-arms, Arthur Fleet; executive, E. P. McQuarrie, A. G. Green, John P. Jones. The meeting was held at the home of Alex Campbell.

A joint meeting with the Ladies Auxiliary when the installation of officers for both organizations will be held is planned for Friday night, January 18, at 8.30 o'clock in the Masonic Hall, King City.

After the evenings ceremonies a festive banquet of roast turkey was served to the members of Robertson Lodge and their guests, numbering in all over 125. The wives of the officers prepared and served the banquet.

Richvale Midgets Win Over Richmond Hill

Cec. Turnbull's Richvale Midgets played their first game of the season against Richmond Hill Midgets last Friday night at Richmond Hill arena, winning by a 2 to 1 score.

Richvale's goals were scored by Sam Tomlinson and Ronald Leuschner. Their next game will be against Oak Ridges on January 22.

Richmond Hill Women's Institute

The Women's Institute celebrated its twenty-eight anniversary Thursday, January 10, in the Public School Auditorium.

The members gathered at 7 p. m., each bringing a contribution for a Pot Luck supper. Everything looked so tempting to the appetite and proved so good to eat with an excellent cup of tea.

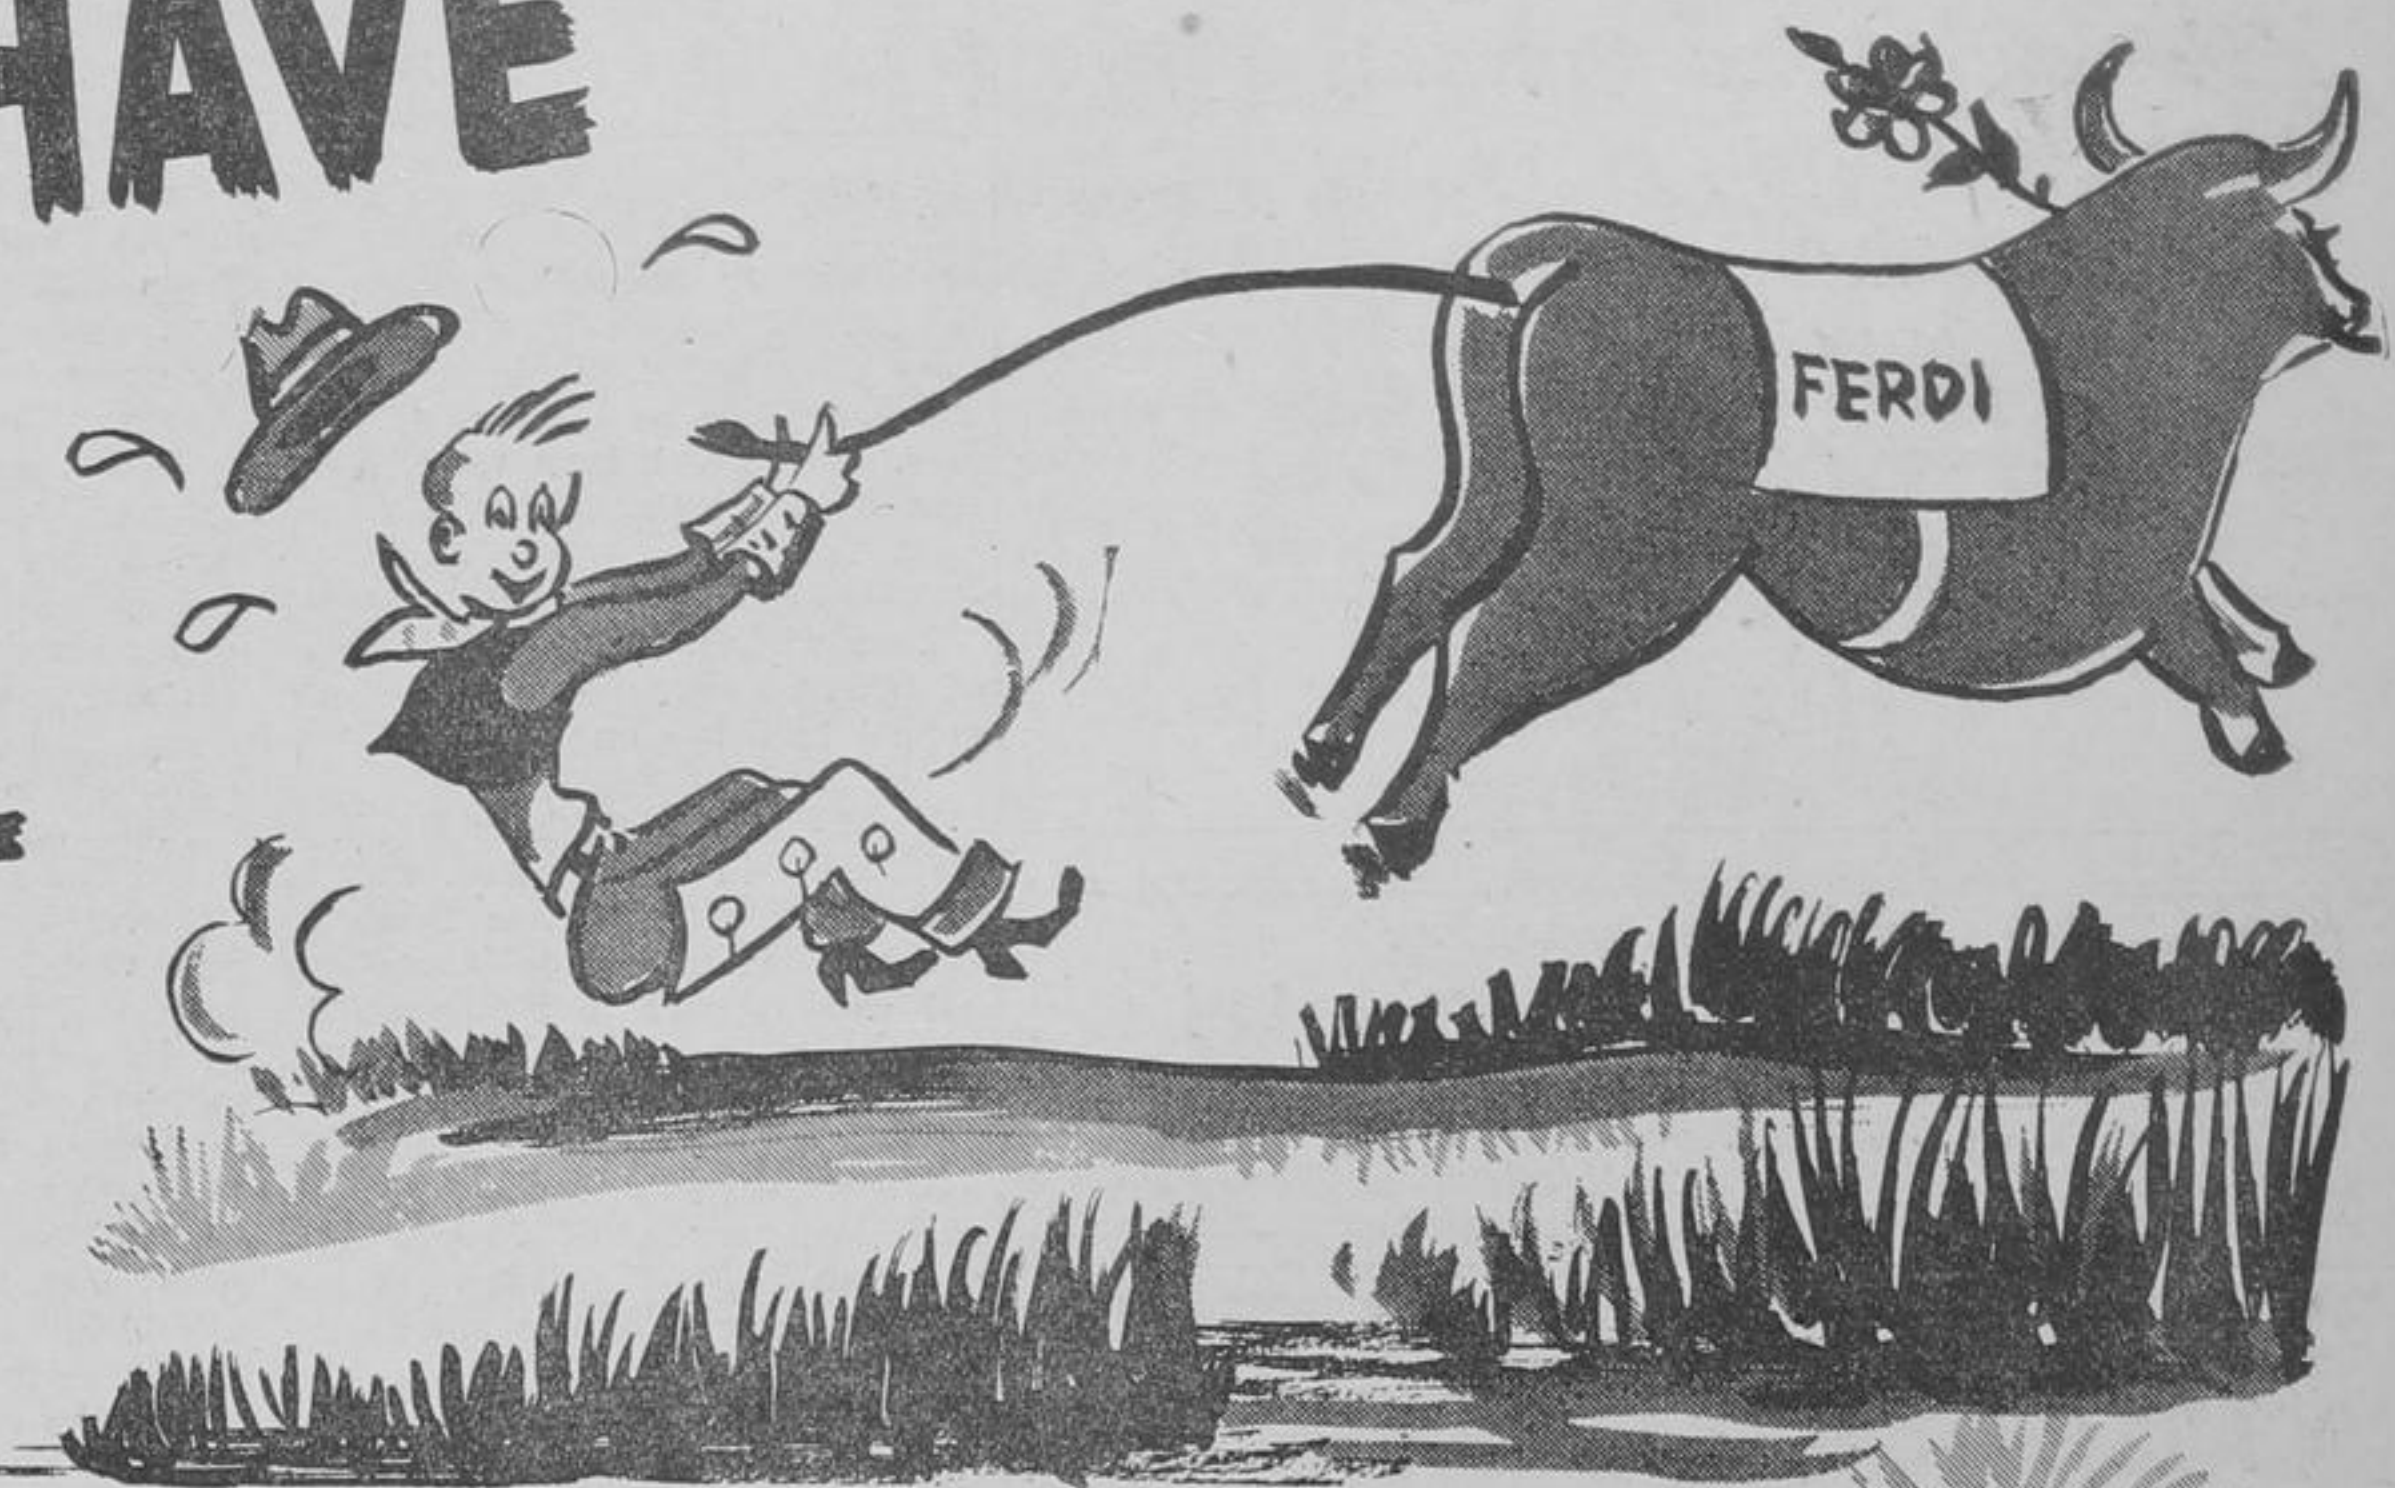

A short sing-song after the dishes were done was followed by several games of bingo with the winners choosing a prize from those displayed. A memory test of the contents of a woman's purse found the winner remembering forty-one out of forty-nine items.

Another contest involving a string and the size of the holder's waistline was won by one who accurately knew the size of her waist.

It was announced that the Scarborough Anniversary Party had been cancelled owing to the Street Car strike but would be held at the same place on Wednesday, January 23, if the strike is over.

Centering the table was the top layer of the Birthday Cake from the Link Institute in Wales, which recently had celebrated its second anniversary. This cake was beautifully iced and surmounted with two fat candles. It is being kept to be used at the February meeting.

BUILD UP DRY COWS
for strong calves... for heavy milking!

Your dry cow is doing a big, two-fold job... 1. Building a calf... 2. Conditioning her body for her next lactation. Unless you feed her properly when she's dry, she'll rob her own body of hard-to-replace nutrients to build her calf. Actually, she's robbing you of valuable milk later on! That's why so many dairymen now build up their dry cows with vitamin-rich Ful-O-Pep Fitting Ration. It's a specially built body-conditioning ration... enriched with Concentrated Spring Range and a special mineral fortification... including all the essential trace minerals dry cows need. And cows find this bulky, nutritious ration very palatable and easy to digest.

Ful-O-Pep... the best in Dry and Freshening Feeds
