Home and School The January meeting of the Carrville Home and School Association was held in the school house on Thursday evening. There were 12 members present. The president, Mrs. L. Morris called the meeting to order. Mrs. H. Nicholls was secretary for the evening. Following the opening exercises and the business period Mrs. Robt. Miller of Birch Avenue, a graduate nurse of Toronto General Hospital, gave a most interesting and helpful talk on "Accidents in the home." Mrs. Miller stated that according to statistics that one-third of accidents occur in the home. Some type of accidents Mrs. Miller mentioned are scratches, cuts, burns, poisonings, asphyxiation, electrocutions, fires and falls. She gave some suggestions for first aid for these and also some ways to help prevent them. A demonstration was also given on artificial respiration. A vote of thanks was extended to Mrs. Miller for her splendid talk and demonstration.

A social half hour was enjoyed when the social convener Mrs. Wood assisted by Mrs. Fielding served refreshments. We were pleased to hear that our senior teacher, Mr. A. Sohm is making good progress toward recovery. I am sure we all wish him well. Congregational Meeting The annual congregational meeting of Carrville United Church was held on Friday evening, January 11, at 8 p.m. in the church. Rev. E. E. Kent was in charge of the meeting and opened it with prayer. In the words of Mr. Kent it is with thankfulness to Almighty God that we record another year of progress and achievement. The outstanding event was the decision of the congregation to proceed with the erection of a basement hall at the rear of the church. The financial campaign was a success with the objective achieved. The erection of the building is proceeding nicely and it should be in use in the very near future. This building will enable the congregation to consolidate the church service and Sunday School through Family Service. The parents and children will attend at the same time and the children will retire at an appropriate time during the service for Sunday School classes. The building also can be used for suppers, bazaars and concerts as well as affording any community organization a place to meet. We welcomed Dr. Brock Wilson, Miss C. Wickson and Mr. A. Gould into church membership last year. One of the oldest members was called by death in the person of Mrs. Walter Bone.

Mr. J. Oliver, secretary of the church, read the minutes after which the various reports were given. It was noted that in spite of the increased costs a balance of \$180.00 was shown in the general fund. The building fund also showed a healthy balance which it was felt should be nearly sufficient to complete the new basement and make it fit for occupation. One of the highlights of the evening of officers was the appointment of Mr. Walter Bone as honorary steward. The other stewards elected were Dr. Walker, Mr. R. Kirk, Mr. Wm. George, Mr. J. Oliver, Mr. J. Barton and Mr. A. Gould. The Board of Session consists of Mr. R. Middleton, Mr. J. McEwen, Mr. E. Bone, J. Oliver and Wm. George. R. Middleton was re-elected Sunday School Superintendent; Mrs. Wm. George as organist and Mrs. J. Oliver assistant. Mr. R. Kirk moved a vote of thanks to Rev. Kent for his fine work during the year and for the keen interest he has shown in the affairs of the church. This was seconded by Mr. R. Middleton. A vote of thanks to Mr. Kirk for the caretaking and to Mrs. George and Mrs. Oliver the organists was given by Mr. R. Middleton and supported by Dr. Walker. The meeting was adjourned and refreshments served by the ladies. The Board of Stewards then had a short meeting at which Mr. Kirk was appointed chairman of the board. Mr. George was re-elected treasurer and Mr. J. Oliver envelope secretary.

Carrville School News There is great activity up in Carrville school yard today. Four loads of lumber have arrived and there are seven men busy erecting the long looked-for and talked-of portable that is required to comfortably accommodate the sixty-some odd pupils who are attending Carrville School. This cannot be completed too soon as teachers and pupils have worked under very difficult circumstances. There will certainly be a special opening when the task is completed. We would like to extend sympathy to Mr. and Mrs. Wm. J. Norris Jr., Birch Ave. in the loss of their wee baby boy. Mr. and Mrs. Norman Kirk spent the week-end with Mr. and Mrs. R. Kirk. Mr. and Mrs. R. E. Middleton and family spent Saturday at Queensville visiting Mr. and Mrs. L. W. Wellman.
