Agrees To Annexation

(Continued from page 1)
 Hooper in voicing his objections to the passing of a resolution.
 Mr. Lennie took exception to this line of reasoning for he felt the two councils should reach some agreement before calling a public meeting. Councillor Rice of Richmond Hill agreed saying "We must show the public the attitude of these two administrative bodies".
 Reeve Timbers said "We should be able to tell the people we met and agreed on what is the best thing for them."
 Reeve Taylor then asked Mr. Hooper if he was in favour of the boundaries? Mr. Hooper wouldn't commit himself. "Have you met Vaughan Council yet", asked Mr. Hooper. "No", replied Mr. Taylor. Mr. Hooper said he would be agreeable to annexation providing Richmond Hill's resolution included part of Vaughan Township. "Just exactly what is your reason for wanting us to take in part of Vaughan," asked Mr. Taylor.
Markham Moves Resolution
 Councillors Lennie and LeMasurier then moved the following resolution — Whereas Richmond Hill has requested the authorization of the Municipal Board to annex that part of Markham described in the north half of lot 44 and all of lots 45, 46, 47, 48, 49 and 50 in concession 1. Be it resolved that Markham concurs with said request subject to approval of a majority of the ratepayers resident in the area concerned and subject to favourable consideration of the extension of water service in concession 1.
 Councillor Hooper immediately took exception to the last part of this resolution regarding the extension of water service. I won't vote for the motion in that form," stated Mr. Hooper. The other members of the Markham Council disagreed with Hooper for they felt the addition of the water clause was a good idea. Mr. Hooper wanted the two councils to simply agree on the boundaries and to pass a resolution to this effect. Deputy-Reeve James rebuked Mr. Hooper for his stand by saying,

Re-Assessment Of Markham Tp To Take 2 Years - S. Symonds

Despite an extremely cold night about fifty-five met in the Victoria Square Community Hall Tuesday evening, January 29. In the absence of Mr. Harold Coakwell, president of Markham Federation of Agriculture, Mr. Fred Wicks acted as chairman.
 A very interesting film "Food and Agriculture" was enjoyed by all. It showed the effort being made by I.F.A.P. to instruct and encourage farmers in far eastern lands to use better methods of cultivation and production so as to be able to grow more food and enjoy a better standard of living.
 Mr. F. Brumwell explained the position of the Markham farmer in relation to the present assessment policy. He then introduced the speaker of the evening, Mr. S. Symonds, assessor for York County.
 The audience gave rapt attention as Mr. Symonds remarked on the film and stated that he had spent some time in India and had seen the starvation standard of living and the small 2 acre farms.
 Mr. Symonds explained the reason for using 1940 values in Markham assessment, and why farm assessment appears to have a higher rate than urban. He also stated that it may be necessary to use 1951-1952 values as normal if the present values continue. He thought that the re-assessment of Markham would take about two years and although it may not lower any particular rate it should more equitably adjust the load of taxation.
 On being questioned as to other re-assessments within the province, he explained that due to inexperience some of the first re-assessment jobs had not proven satisfactory and considerable re-adjustment would be necessary, but that with the present knowledge and experience a fair and equitable assessment should result in Markham township.

Chicago Team Now Holds Third Position

At the Richmond Hill Arena last week Chicago Black Hawks moved from last place to third place by defeating both Rangers and Boston. Chicago playing heads-up hockey Tuesday night defeated the Rangers 2-1, then on Friday night swamped Boston 4-0. If Chicago continues to play this brand of hockey, their stay in third place will be very short.
 After winning a close decision over the Maple Leafs 1-0, Canadiens fell apart Friday night losing their first game of the current season to a very much improved Ranger team by a score of 3-0. Mills and Baker played well for Rangers.
 Team Standings as of February 1:
