Dr. J. P. Wilson Again Heads Temperance Federation For '52

The annual convention for 1952 of the North York Temperance Federation was held in the Aurora United Church recently. In the absence of president Dr. J. P. Wilson, the vice-president, Mr. Henry G. West, Newmarket R. R. 3, presided over a large, earnest and representative gathering.

One intensely interesting feature of this convention was the annual oratorical contest under the leadership of Mrs. E. Starr, convener of Department of Children and Youth. There were 15 contestants.

Miss Gail Aylett of Wesley Church won the Dr. J. P. Wilson Silver Cup in the Junior Group (under 12 years of age).

Bob Wilson of Keswick won the Late J. W. Walton Silver Cup in the Intermediate Group (all who have passed their 12th birthday but not reached their 15th birthday).

Bob Wilson of Keswick won the S. J. Boyd Silver Cup in the Senior Group (15 years of age and over.)

In the annual convention of the North York Temperance Federation held in 1951, John Kell of

Thornhill Trustees Oppose Location Of Service Station

At their recent meeting the members of the Thornhill village Police Trustees discussed the permit issued by Markham Township for a service station to be erected at the corner of Elgin and Yonge Streets. The trustees decided the only way to stop building of the station was to appeal to the Toronto and Yorks Planning Board. On a motion moved by J. A. McNeil and seconded by A. Sumner the members will send a strong letter to Mr. T. D. LeMay, secretary of the Toronto and York Planning Board expressing the disapproval of the village trustees, the Home and School Association and the Ratepayers to a service station being located on any corner of Elgin and Yonge Streets. A copy of this resolution will also be sent to Councillor Hooper of Markham township who is a member of the Toronto and York Planning Board.

The meeting saw the establishment of a Building and Zoning By-law Committee. Mr. MacNeill will act as committee chairman. Committee members will be Wm. Ridgell of Vaughan township, P. D. McTaggart-Cowan of Markham township, Mr. Norton, Markham Building Inspector, and Mr. Miller, Vaughan Building Inspector.

Recently the Junior A boys team met Midland in a two-game total points to count series for the Georgian Bay District Championship and the right to play in the COS SA playoffs. Unfortunately, Midland won, but it was only by two points.

The game at Richmond Hill was played on Tuesday and Richmond Hill won by the narrow margin of two points 40-38. At half-time Richmond Hill was leading 23-15 and it appeared as though they could increase it slightly more but Midland put on the pressure and narrowed it down to two points.

The return game was played at Midland YMCA and there was a fine representation from Richmond Hill, in fact there were possibly more spectators from Richmond Hill than from Midland which showed that our team had good support.

Richmond Hill started off this game very slowly and were 9 points down at one time in the 3rd quarter, but then they started to move and had them tied on the round with about 2 minutes to go but Midland put in that extra basket to win the round.

Rep. 17 Boards Meet In Village

Seventeen high school boards in Central Ontario have banded together to fight what they call the pressurizing of the powerful Ontario Secondary School Teacher's Federation for higher salaries.

Representatives of the 17 boards met recently in Richmond Hill to draft policy. They came from municipalities in an area stretching from Oakville to Kingston. No Toronto or suburban representative attended.

The trustees decided that the provincial government should be advised of the "serious condition" existing and should be asked to prevent the OSSTF from blacklisting school boards. Their decision will be forwarded to the Urban and Rural Trustees' Association and the Associated High School Boards of Ontario for action.

The teacher federation, to which all secondary school teachers in the province must belong, sets the salary scale for its members for the province. This year the federation decided on a minimum of \$3,000 and a maximum of from \$6,000 to \$7,000 for its teachers. Boards which do not adopt the schedule can be blacklisted — the federation can forbid its members to take positions in its schools.

The 17 representatives also decided to ask its two parent bodies to prepare its own salary schedule, keeping in mind the ability of taxpayers to pay and the worth of the teachers.

The group's action will not likely have any effect this year as most salary increases have been agreed upon and budgets made up. But a spokesman said the federation has been pressurizing the boards for years and the trustees are determined to put a stop to it in the future.

"Many of us have run into the federation's power," he said. "We feel boards should have the right to consider their own salary schedules. We're going to give these teachers a battle."

Willowdale Art Group Sponsors Evening Lecture

The Willowdale Group of Artists in conjunction with the Art Gallery Extension, will sponsor an evening lecture on Monday, March 24 at 8 p.m.

They will have as their special guest Mr. Jack Martin, A.R.C.A., O.S.A., Director of Design at the Ontario College of Art, who will lecture and demonstrate landscape painting in water colour. The lecture is to take place in the North York Community Hall, 507 Yonge Street, Willowdale, and all persons interested are cordially invited to attend.

An exhibition of paintings by the 'Group of Seven' will be hanging in the community hall until March 25.
