The Girl Guide National Camp near Ottawa will be the meeting place of some 1,000 Guides this year drawn from all parts of Canada, who are bearing out the law "A Guide is a friend to all and a sister to every other Guide," by agreeing to the pooling of expenses. This means that a Guide who travels from Newfoundland, Manitoba or British Columbia will pay the same railway fare as the girl who comes from across the river to the camp. The nearby Guide is helping her far-away sister to come to meet her and join in the fun and adventure of coming together and the thrill of sharing an exchange of their differences and similarities with Guides from all parts of this wonderful Canada of ours.

Four have been chosen out of 200 Guides in York Division which is composed of twelve districts. Each district in the Division is contributing twenty-five dollars towards expenses. The Local Association \$10 and the Guide Company \$15.

Richvale is proud to have a Guide going who is not only a good Guide but a good Brownie Packie who gives her time to assisting the Brownie Leaders in teaching the Brownies.

All the Guides and Brownies are delighted that Jill Facer has been chosen and the Guides themselves are planning and running a bake sale for the extras they want their representative to have during what will be a memorable two weeks.

The Brownies and Guides are both baking for it and would welcome contributions from anyone else. These will be picked up by contributors would get in touch with any Guide or Leader.

The sale is planned for Saturday afternoon, March 22, at Richvale School to begin at 2 p.m. Guides will be at the school from ten in the morning until 1 o'clock.

Junior Miss Peggy Rae Gottschalk is recovering nicely from her appendectomy last Wednesday in Newmarket hospital and is expected home this week.

Little Miss Lorelei McDermott spent several days in Toronto last week as the guest of her grandmother, Mrs. A. McDermott.

Dougie Mirrlees has just returned to school after a bout with the mumps and his young sister Nancy is the current patient.

Master Bobby Peirce celebrated his fifth birthday on Tuesday to which the following little guests were invited: Lynn, Diane and Susan Bailey, Lorelei McDermott, Janet Taylor, Linda and Freddie Burnes and Rickie Smith.

A petition to curtail shooting in the Richvale area of Markham Township was presented to the Markham Council, and the residents are now awaiting action. Two people narrowly escaped being shot last fall and concern over damage to life and property is being generally felt.

Mrs. Burt Jarvis returned on Friday from hospital where she underwent a major operation and is recuperating at home.

 The second Robin Hood Cooking School held last week in Trinity Church under the auspices of the Parish Guild was a huge success. Mrs. Graham and her assistant Mrs. Bant demonstrated the art of making bread, pastry and cakes. An outstanding feature of the last evening was when Rev. S. A. R. Wood, W. R. Howard and F. Tucker took over for a few minutes and proved to the audience that men can cook as well as the ladies, when they demonstrated the making of wieners in a bun and crescent rolls.

Lucky winners of major draw prizes were: GE Electric Kettle, donated by Answell Appliances, Mrs. H. Clapp, Concord; GE automatic iron, donated by W. Lennox, Mrs. W. R. Kent, Toronto; and the Westinghouse food mixer, donated by Blackburn Appliances was won by Mrs. D. Ball, Thornhill. Among the games were a proverb contest and a knowledge of Ireland contest. Much fun was had in identifying the photos of club members taken at the tender age of four or less. A hat making contest for which green and white crepe paper was provided called for skill and ingenuity and caused much mirth as the ladies wore their creations throughout the evening.
