MRA Annual Report
The Maple Recreation Association is to be congratulated on its activities during 1951. While in previous years lacrosse was one of the main features of the association's program the game was not played in Maple last year. However other activities made up for the lack of interest in lacrosse. The playground was organized under the leadership of Mr. John Martin with an enrollment of 130 and average attendance of 30 children a day. Also for the children the association was able to include swimming. By arrangement with the Thornhill Committee Maple children had the opportunity to learn to swim in the fine pool at Thornhill. Twice a week a bus load of Maple youngsters were taken to Thornhill. Six of them tried and passed their Junior Swimming test and received their pins.

Baseball had its place with four teams forming a league, Elia, Hope, Elgin Mills and Maple. Facilities for badminton and tennis were arranged in the Park. A good number played although it was late in the season before it was organized. During the year, along with the Fire Brigade, the Maple Recreation Association staged a successful street dance and two other dances and a 'millionaire's night'.

The financial report is as follows:
Expenses:
Baseball 22.00
Administration 100.00
Maintenance, park 120.00
Playground 370.00
Swimming 126.00
Bowling 428.00
\$1,166.00

Receipts:
Bal. on hand Jan. 1951 .. \$620.00
Membership 93.45
Street Dance 150.00
Dance - May 51.55
Donations 431.00
Balance on hand Jan. 1952 180.00
The annual meeting will be held in the Masonic Hall Monday, March 24 at 8 p.m. for election of officers.

Mrs. Arthur Lawrie of Maple entertained at a family dinner at her home for her father, George Hemphill on the occasion of his 80th birthday on February 29.

Other members of the family present were Mr. and Mrs. Hemphill and Jean of Kitchener, Mr. and Mrs. Ernest Hemphill of Maple, Mr. and Mrs. Lloyd Hemphill George, Bill and John of Bolton. Of late years Mr. Hemphill has become a golf enthusiast and to add to his enjoyment of the game the family presented him with a golf bag and clubs during the evening. On the following Sunday open house was held for 150 friends and relatives who came to congratulate him. John Hemphill, a brother from Cobourg, Mrs. William Carberry, a sister from Mono Road and Mrs. Claire Fielder, a niece from Cobourg were present together with many old friends and neighbours from Nashville, Kleinburg, Woodbridge and Brampton.

Mr. Hemphill was particularly delighted to have an old school chum, Harry McCutcheon among the guests.

Mr. Hemphill was born on a farm near Kleinburg and farmed there until his retirement in 1946.

One of his favorite pastimes is a good game of horseshoes and it is the wish of all that he will have many more years to enjoy such pleasures.

Mrs. S. W. Armitage is ill at her home and her many friends hope to see her around soon.

Mr. and Mrs. Frank Meyers of Guelph visited with Mr. and Mrs. Donald Allen on Sunday.

Saturday, March 22, is Children's Music Concert at Eaton Auditorium. Cars are needed to transport the school children. Contact Mrs. L. Hutchinson, Doncrest Rd. Telephone 217r4 or Mrs. George Jackson, Bayview Ave., telephone 237R5. This is a Home and School project.

The monthly euchre and social evening will be held at the school Wednesday evening, March 26, at 8.15.

We are sorry to hear that Mr. Walter Thompson is in the Well-lesley Hospital. He is progressing favourably after his operation.

Congratulations to Mr. and Mrs. Ed. Rivers, Bayview Ave., who celebrated their 10th wedding anniversary on Sunday, March 16.

Home & School
Thornlea Home & School Assoc. held its monthly meeting at the school Wednesday evening. President Mrs. Jackson gave an interesting talk on the growth of Home and School in the York area. It is the largest area of Home and School in Canada with 20,000 members and 120 organizations, and is still progressing.

One of the most outstanding discussions of the season took place with Mr. L. Hutchinson's talk on citizenship. Being a veteran of two wars and giving his experience on racial origin while in the services and from everyday in the business and cultural world, Mr. Hutchinson said that we so often forget we are brothers; that peace, love and understanding are the true meaning of citizenship.

A film was shown depicting the family tree, following the development of the citizens of Canada from the early Indian who came from Asia, until the present day immigration. An interesting buzz session took place, divided into three groups considering three questions. What is a good citizen? How can an active citizen make a better Canada for us? What can we do to be a better citizen? General results showed how the Home and School played a very necessary part in the development of a good citizen. Refreshments served by Mrs. Taylor ended a very constructive evening.
