Mrs. DeBac, Swiss by birth was married to a Czechoslovakian and lived in that country. Things became very difficult under communism as the communists had no regard for Christianity in any form. We are proud to have them as Canadian citizens.

"With living costs so high one has to be careful of expenses even when taking a trip. That's why the low bus fares appeal to me—I have a little extra to spend on entertainment or for some of my shopping while I'm away. And travelling by bus these days is really enjoyable."
