Thailand Fights Malaria With U.N. Help

Three years ago 60 to 70 per cent of the population of Chiengmai, in Northern Thailand, was affected by malaria. Since then, with the help of the U.N. World Health Organization (WHO), and the U.N. International Children's Emergency Fund (UNICEF), Thailand has largely succeeded in eliminating the "slow killer" in many parts of the country. Above, a Thai doctor uses a borrowed table from a nearby temple to examine a group of children of that region.

FAR EAST BOUND: — To the Canadian Pacific Steamships' 10,000 ton cargo vessel Maplecove goes the honour of being the first company ship to return to Pacific service since World War II. The ship, which sailed from Montreal recently, is headed for Vancouver, where she will take on the balance of her cargo. The route for the new service will be between Tacoma, Seattle, Vancouver, Yokohama, Kobe, Manila, Cebu, Hong Kong and Nagoya, and late in September the Maplecove will be joined by her sister ship Mapledell, to offer a monthly service between these ports. Formerly the Beaverdell and Beavercove, both these vessels were on regular C.P.S. Atlantic service before the changeover. Lower right shows Maplecove's skipper Captain R. A. Leicester, of Vancouver, in the chartroom of his ship, studying the route the vessel will sail, while lower left shows a cargo sling with a load of Canadian produce bound for Yokohama. Japan being loaded on the ship at Montreal. All-Canadian crews will staff the two ships.

NUTTALL — In loving memory of my dear husband and dad George Nuttall, who departed this life, August 14, 1949. Dearest still as the time departs, Your memory lives within our hearts. No length of time can take away Our thoughts of you from day to day. — Sadly missed by wife Gertrude, son Ralph, daughter Jo-Anne c1w7

Mrs. Rhoda Farren Given Presentation
Mrs. Rhoda Farren of King was presented with a beautiful leather travelling case recently when the members of the W.M.S. societies of Eversley and Strange Presbyterian churches held a pleasant social time at the home of Mrs. T. L. Williams. The presentation which came as a complete surprise to the guest of honour was made by Mrs. Williams, as president of Eversley W. M.S., and the accompanying address was read by Mrs. Charles Black, president of Strange. Other gifts were presented to Mrs. Farren, including a leather wallet from Mrs. Crook, and a box of fancy toiletries from Mrs. John Phillips. Earlier in the evening a most enjoyable program was presented. Those taking part were Mrs. Gordon Orr and Mrs. Aubrey Gordon who sang solos, Mrs. Fred Boys and Mrs. Len Shropshire who sang a duet, and Mrs. Will Willoughby and Mrs. Whatley Finch who gave entertaining readings. A contest conducted by Miss Jessie Gellately gave much fun during the evening.

NOTICE
The minister and session of Maple United Church have kindly offered the use of their church for the next four Sunday evenings to the Anglican congregation of St. Stephen's Church, whilst their church is being decorated. Anglican services will therefore be held at 7 p.m. at Maple United Church for the next four Sundays.
