St. Mary's Thanksgiving Carnival Set for October 8 in Lions Hall

The annual Thanksgiving carnival in aid of St. Mary's Catholic Church, Richmond Hill is going to be held on schedule this year, ladies of the parish have reported. The date is October 8 — the Wednesday before Thanksgiving day — and it will be held in the Lions Community Hall, Centre St. West. Judging from the in-

terest shown by members of the parish and their friends both in the village and in the city, it promises to be a huge success.

A new feature of the carnival this year will be the prize list valued at more than \$800. Here are the prizes everyone will have an opportunity to win — a 17-inch Admiral Television set, completely installed with aerial (valued at \$359.00); a Thor Gladiron (valued at \$149.00); a Premier cylinder vacuum cleaner (valued at \$114.50) and a Premier dual-brush polisher (valued at \$64.50).

As an added attraction, and to replace the Thanksgiving supper, the ladies and parishioners will stage a bingo, will hold games, and to keep the Thanksgiving touch will have a turkey raffle with 35 choice birds offered.

Vaughan Tp. Council Hold Reg. Meeting

Among the matters considered by the Vaughan Township Council at their first of the month meeting was a complaint of Mr. G. Watson's against the excess dust on the Carrville Road. Mr. Watson requested the council to apply dust layer to the road, but as the township's budget outlay for dust layer has been exhausted, Mr. Watson's request was refused.

The Road Superintendent submitted a report showing the type, size and condition of all entrance culverts to private property from the Crestwood Road. On decision of Council a report will be jointly prepared by the Road Superintendent and the Highways Engineer for submission to the South-East Vaughan Ratepayers.

Mr. J. Lepper waited on Council to discuss the hazardous driving conditions on the roads adjacent to Duferin street and the Elgin Mills Sideroad. The speaker offered to assist financially in order to rectify this situation. The members instructed the Road Superintendent to obtain confirmation of Mr. Lepper's offer in writing.

Mr. Leo Gudat, Maple, asked permission to erect a garage on his property in Maple closer to the lot line than 5 feet, which is contrary to a presently existing township by-law. On the strength of a recent inspection of the premises by Council representatives the members refused to grant Mr. Gudat's request.

A new organ will be installed in St. Andrew's Presbyterian Church, Maple, on approval. On Sunday September 14, at 11 a.m. Mr Corbett will be the organist when special music will be rendered.

Community & School Club

The first fall meeting of the Maple Community and School Club was held in the school on Wednesday, September 3, with Mrs. Betty, second vice president in the chair. The Club members wish to thank the school board for their worthy efforts toward the complete interior redecorating job done during the summer.

Mr. Byrd the new senior room teacher was introduced and extended a welcome to the community.

By popular choice of all the members present a Movie Mite projector was voted to be purchased by the club for use in the school. This has been a project of the club for some months and the members are much indebted of the club for some months and support in sales and bazaars. It is hoped that much enjoyment and entertainment will be had by all in the use of the new projector.

Reports were given by the convenors of the bazaar and the cooking school to be held in November. All members are urged to give serious consideration to sewing and other work for the bazaar. Mrs. D. Jarrett will be pleased to supply material for aprons.

A social hour followed the business meeting and the newcomers were given a chance to become acquainted with the members.

The next meeting of the club will be held Wednesday, October 1, so reserve the evening now.

W.M.S.

Many members and a good number of visitors were present when St. Andrew's Presbyterian W.M.S. met at the home of Mrs. Elmer Keffer on Wednesday, September 3. Mrs. George Matheson opened the study of British Guiana with the topic "The Country and its

Council Hears

(Continued from page 1)

Councillor Tomlin then moved that a resolution be drawn up amending the building by-law to the effect that bungalows may be four feet from the boundary and houses of more than one storey, be six feet from the line. It was unanimously carried.

T. T. C. Report

The clerk read a letter from the T.T.C. containing the operating figures for the month of July. The operating loss for July 1952 was \$2,783.82 compared with a profit of \$306.94 for the same period last year. The operating loss for the first seven months of this year was \$14,358.50 compared with the profit of \$11,893.23 for the same period in 1951. The passenger revenue for the month of July has decreased 1.23 per cent over last year and the passenger revenue for the first seven months of this year is down 8.71 per cent. over last year.

Another T.T.C. letter advised that E. J. Roberts is vacating the Radial Station. Councillor Rice moved that due to the fact that the Radial station is up for sale, action be taken to find a new tenant. Carried.

A letter from the insurance company was read re Duncan Gillard's claim for damage done to his car on Lorne Ave. Councillor Middleton moved the insurance company be written to the effect that the village engineer advises that the sidewalks bridges project into the road and that the claim be paid.

By-Laws

By-laws were passed regulating taxi business in the village, sale of bonds from the village sinking fund and permits for eating places in the village.

Councillor Perkins moved that the clerk advertise for applicants for the position of building and plumbing inspector for Richmond Hill. It was seconded by Deputy-Reeve Tomlin and carried.

It was moved by Councillor Rice and seconded by Councillor Tomlin that Councillor Middleton act as building inspector and Harold Addio as plumbing inspector until permanent appointments are made. Carried.

Councillor Middleton moved and Councillor Perkins seconded a motion that a resolution be drawn up regarding the operation of outside dairies in the village. Carried.
