Football Season Starts With Bang Frenzied Search For Quarterback

By Quintin Wight

Hear ye! Hear ye! Hear ye! Hearken to the clash of mighty muscles No, it isn't a third world war. THE FOOTBALL SEASON IS HERE!

Stalking through the halls of the Richmond Hill District High School, are two very worried men. And why are they worried? Simple. Mr. Ellis and Mr. Thomasson have discovered that they have forty prospective football players, staunch, upstanding examples of Canadian youth — and no playing field to practice on. The High School's own field is being harrowed, disced, mashed, rolled, banged, beaten and pulped in preparation for next year when the school will enter the C.O.S.S.A. league, with Aurora and Newmarket, etc. To be ready for this, the coaches are selecting from recent applicants, the backbone of a team ready to stand against the "Big Leaguers". However, as the community grounds are unfit for use as training fields, the vacant lot across from the school is being utilized, to fit the boys for the job.

As there will be no intramural football this year, all interested students will get a chance to play. The condition of the field has forbidden any attempts between forms, so this is the only way, for this year at least, that boys will get to try their stuff.

Since the vacant lot is small, the teams will also be on the short side (in numbers that is, not in height). On the draughting board are plans for two teams, an A and B. These will be six man teams, though a twelve man team is also being planned. The big team will have to wait till next year to take over, but our resident bookie, in the locker room, has assured me that the chances are very good for another clean sweep of the other members of the present league. That is — Markham, Stouffville, Agincourt and Pickering College. Last year's squad ran, jumped, kicked, feinted and squeezed through the entire season without a defeat, and as some of that lot are back in the running this year, the chances are definitely leaning our way.

Much activity is going on in the classrooms and corridors of the school. Small knots of students and teachers alike collect on the corners, and after a few furtive glances to make sure that the way is clear, the heads all bob down and a low murmur of voices, hushed in confab permeates the halls. Small globules and snatches of mumbled wisdom clatter up the ether, and hurried whispers of "He won't do." "Well how about . . ." and "We've got to do something," lurk in random nooks, or cling to the brickwork. All this skulking and slinking leads to only one thing — the hunt for a decent quarterback. If last year's man comes back to these hallowed halls, all will be rejoicing, but until then harrowed looks and furrowed brows are the order of the day.

All home games will be played away this year.

It has been rumored that the few players left over from last year may find the going tough among the promising crop of new arrivals, however, as this can only result in a better team, everyone is pleased all round.

As the first of October rolls around, both teams, fresh from practice, four times a week (twice for each), and replete in new uniforms, will be straining at the leash, ready to tread or be trodden into the mud, to fight for the honour of the school, and to reach for the prized "School Letter" hung so tantalizingly before them. Sic itur ad astra.

R. H. Goaler In Demand

Ray "Foxy" Bennett, Richmond Hill Midget Goal Tender of last year, has been approached by Junior Clubs including Aurora. It is hoped Bennett decides to stay in Richmond Hill.

Head Ramming Wins Bout For Bill & Red

Gore! Gall us of the stuff, most of it from Bill Clubine's eye, but also a generous contribution from the rest of the boys.

Well, the heroes won again. "Red" Garner and Bill Clubine really flattened Gori Mangotich and Al Orlando. Orlando took the first fall from Bill with a hold that sees very little use in this part of the country — Antonio Rocca's T formation backbreaker. Clubine recovered in the second round however, and dropkicked Mangotich to ignominious defeat.

The last fall caused all the cheers though. After Al Orlando had knocked Bill off the ring apron and on to the floor — cutting his eye in the process — he was seized in a headlock by Clubine and rammed head on into Gori who was held in a like position by Garner. Needless to say, that finished the bout.

In the semi-final of the evening Jack Flicker took the last two falls from Cleve Burton with arm and shoulder throws, and a top spread. Burton won the first round with a dropkick and cross buttock.

Joe Greenfield of Langstaff, matched against "Rip" Leonard, who was substituting for Antonio Rocci took the first bout with cross buttocks and an aeroplane spin.

Track And Field Is Cancelled For Year

by Quintin Wight

Owing to the unfinished condition of the High School field, there will be no track and field meet this year. Likewise, the school's entry in the North York Meet will be cancelled, as it would be very dangerous for untrained athletes to participate in such an event. However, by Spring the track will be in a condition for some more instruction on the theory of the sport, so that the year will not be a total loss.

Coach Ellis is planning three basketball teams this year. A senior, a junior and a midget. The school has plenty of rough material to mould into shape, and altogether it appears as if championships may be expected in all three. The juniors especially should have a good chance at the C.O.S.S.A. championship.

A heavy schedule of intramural games is being drawn up. In fact it seems as if there may be a "breakfast league" for the local players, and an "Afternoon league" for those who must leave on the school buses.

Vaughan Twp. Softball

One game only was played in the league finals last week. Ella won 6-3 and is now tied with . . .

Games will be played the week with the final game for the evening, September 11, instead of Friday, the 12th as previously announced.

2 Bus Loads King City Boys Visit Maple Leaf Stadium

The King City Lions Club took two bus loads of boys and adults to the Maple Leaf Stadium on Tuesday evening, September 2. There were 45 boys, members of the three local baseball teams which were sponsored by the Lions Club. Almost as many adults went along to see the double-header between Toronto and . . .

It was such a successful event, that the Club hopes to make this an annual treat for the juvenile teams.

Far North Racing Club Hold Race To Kingston

The Far North Racing Pigeon Club held a race to Kingston, a distance of 105 miles on August 30. The weather was cloudy with south-east winds. The results were as follows:

H. Suter	19964	1204
Garner & Son	9808	967

The winners of the pools were: Brennan & Son, 1st 10c; N. Bowen, 1st, 25c; N. Bowen, 1st \$1.00.

WANT TO HOLD BENEFIT RACE

J. Cappy and N. Smith, Toronto, proprietors of the Pinecrest Speedway (stock car racing) on No. 7 Highway, have appeared before Vaughan Township Council to request their permission to hold a Benefit Race, the funds of which would be allocated to the Toronto Star Santa Claus Fund. However no decision was reached by Council, and the matter is to be considered at a further meeting.

A good time was had by a group of neighbours of Mr. and Mrs. John, when they got together and enjoyed a corn roast last Friday night.

Miss Mary Underhill, Spruce Ave. is in Toronto General hospital where she was rushed last Saturday night after an attack of acute appendicitis.

The York-Simcoe Council of the Home and School Association will hold a Leadership Training Workshop on Thursday, October 2, at the Charles Howitt school. Registration will be at 7.45 p.m. and will be 10c. The course will begin at 8 p.m. Everyone is cordially invited to attend.

A good time was had last Saturday by the few parents who attended the weiner roast and dance given for the baseball champions of Richvale. It is regrettable that more parents do not attend these functions held for the benefit of their children.

Novel Race At Pincrest Track Won By Jim Hallehan Ted Hogan 2nd

Comedy took over at Pinecrest Speedway Saturday night with the first running of a "wreck 'em" race, an added feature to the regular stock car program.

It must have taken a rather malicious sense of humor to invent the havoc-producing event, but on the basis of its reception by more than 4,500 customers, it very likely will become a frequent Pinecrest attraction.

In brief, this is how the "wreck 'em" race works. Ten just-about-dead jalopies are obtained from an auto wrecker and are driven wildly about the track, crashing into one another with rare abandon until only one is able to move. That car with what is left of the driver is declared the winner.

Jim Hallehan survived the shocks of Saturday's "wreck 'em" debut, but Wild Bill Greathad was the real hero of the piece. Wild William used the rear end of his inherited coupe to knock out at least three competitors before he forgot to duck.

Last two of the 10 were Hallehan and Ted Hogan, who were having a game of hide-and-seek before Hallehan sneaked across the infield and caught Hogan broadside.

The "wreck 'em" race overshadowed the fact that Gord Bugie drove to his first feature race victory of the season, with Ken Morley second, Ivan Moore third.

Garner, Lyman, Jordan Take Beating - Garner Knocked Out

by Quintin Wight

Bow your head and pray brother — hard times have come upon us all. The villains beat the heroes at Tuesday's wrestling at the Richmond Hill arena.

Yup! Garner was carried hors de combat off the field of valour after having been neatly garrotted by Al Orlando and kicked around by everyone in general. The main bout was a three man tag team — "Red" Garner, Les Lyman and Bobby Jordan versus Gori Ed Mangotich, Al Orlando and Jerry Sullivan.

The first round started out nicely. Mangotich behaving as a fine upstanding villain should, and "Red" acting as a fine upstanding hero should. However Garner began to tire of behaving nicely, and after Jordan's nose had been squished and Orlando's tape used a few times, he softened Mangotich up with a couple of friendly pokes in the eye with his finger.

Naturally a minor squabble involving six wrestlers and two referees ensued. Eventually Orlando was body slammed conclusively to the mat by Lyman and chest smashed for the pin.

The second round was a junior edition of the first. Jordan's nose, which had been bleeding profusely, started all over again, so Garner and Lyman had to do most of the fighting. Garner was bashed, smashed and was finally pinned with a top spread by Mangotich.

Everyone shook hands all round at the beginning of the third round. The truce didn't last long though, and as Orlando's tape (elbow-brace) was becoming obnoxious, the good guys took it off him and gave it to Garner, who proved himself very proficient in its use. He sandpapered Sullivan thoroughly, until Orlando noosed him with a pink towel and started strangling with vim and vigour, not to mention both hands. "Red" was knocked off the ring apron, and laid out cold on the cement, where he was counted out by the referee.

In the semi-final of the evening, Joe Greenfield was beaten by Antonio Rocci who finished him in the first and third rounds with a flying head scissors and body slams respectively. Greenfield took the second fall with an aeroplane spin.

In the first bout of the evening, Tom Sullivan met up with the immovable object, Karl Von Hiltz of Germany. Karl, who specializes in "straight" wrestling without any fancy dropkicks or such finished Sullivan with a hammer, and reverse chinlocks.

Thornhill Ball Club Enters O. A. S. A. Quarter Finals

On Monday night Thornhill Intermediate Ball Club, which is sponsored by Thornhill Athletic Association eliminated Lakeview in the third game of the zone finals, winning 7-2.

In the Markham Township League finals, prior to Tuesday's game, Thornhill leads the series in games 2-0. On Saturday, September 13, the Thornhill club will play the Niagara Peninsula winners — Shirhton — at Thornhill at 4 p.m., to enter the quarter-finals of the Ontario Amateur Softball Association.
