May Move Memorial Unionville Plans Addition For Crosby Memorial Park

Markham Township War Memorial in front of the Crosby Memorial Park, Unionville, sometime should be moved to a more suitable and appropriate location in the Park, was the suggestion made at Markham Township council meeting Monday night when an addition to the park property was under discussion.

The property adjacent to the park first planned as a site for township offices and for possession of which council has entered expropriation proceedings will be purchased by the municipality and turned over for park purposes.

This was agreed on suggestion of the police village trustees who suggested equivalent grants not exceeding \$150 from township and village and the balance to be raised by public subscription.

The clerk was instructed to secure from the solicitor the amount of the purchase price involved. No one could state the amount definitely at the meeting but \$800 was mentioned several times as the approximate price.

E. J. Stiver said he was present in no official capacity but he felt the people of the community would support the suggestion of the trustees. He hoped the property would be used strictly for park purposes, and not for parking. He thought consideration might be given to moving the war memorial to a site in the property to be acquired.

Maple Lions Hold Barn Dances Instead Of Annual Street Dance

Friday, September 12 was again Square Dance night in Maple. For the third time in the season, Maple Lions Club held a hoe-down. The Club is grateful to one of its members, Lion Phil McFarlane, who early last spring offered the use of his barn for the summer season. At that time it was decided to conduct square dances each month instead of the annual street dance and carnival.

The complete club was deployed as one committee under a different chairman for each of the months of June, July and September. Arrangements and proceeds during August were turned over to Vellore Junior Farmers' for the benefit of that organization.

The results have been most gratifying. Sally Lloyd and her Musical Mates, pounded, fiddled and tooted their way into the hearts of more than a thousand square dance lovers during the season.

The wives and sweethearts of the Lions dispensed hot dogs and soft drinks so expertly that they wanted a concession at the Ex this year. The people who patronized the dance jumped, stomped, hooted and perspired and in between dances had the nerve to say they worked hard that afternoon sitting at a desk or on a tractor or pushing a vacuum cleaner.

The Lions wish to thank all the people who have contributed to the success of the season. They are assured that the money so generously contributed on these occasions will be applied to the philanthropic work for which the Lions are noted the world over.

Teachers In King Area Hold Meet.

There were 29 teachers and Inspector H. B. Galpin, present, when the first King area teachers meeting for the new school year, was held at King S. S. 2 recently.

Mr. Bennett of New Scotland school presided and Mr. Galpin gave the address on the time table for the new year. The inspector also welcomed the new teachers and gave them helpful suggestions for their teaching career.

It was announced that a public speaking contest for the pupils of Grades 7 and 8 in all schools in the area would be held in October with the two winners in each school competing at the next teachers' meeting on October 15. The winners will continue in the Aurora Public Speaking contest later in October and so on to the York County Council and the Provincial contest.

A committee of Miss M. O'Neill, Oak Ridges, Miss Sampson and Mr. Sterling, Nobleton, and Mr. Carson, Glenville, schools, was appointed to draw up a slate which will be presented for election at the next teachers' meeting.

badly such a suggestion would be made regarding township business. There was considerable cross-firing in heated debate and councillor LeMasurier still contended council authority for the contract was conditional on Municipal Board approval.

Councillor LeMasurier, objecting to not being notified of the meeting at Buttonville when the contract was signed was told it was not a meeting of council, but rather a committee meeting. Councillor Lennie said he attended as an observer.

Defending council action councillor Lennie pointed out that the hearing of the Ontario Municipal Board next Monday was to hear objections to township's request to issue debentures to cover the cost of the building. We need the office and if the Board doesn't approve the application for debentures, we'll finance it some other way, he said.

Councillor LeMasurier said this would be disastrous for the taxpayer. "What a jump taxes will take next year?" he said.

"If you knew what we know, you wouldn't talk that way," said Reeve Timbers.

"If you know something I don't know about it you should tell me," said councillor LeMasurier, "this is public business."

Reeve Timbers — "You fight everything we do anyway."

The Municipal Board hearing at Unionville next Monday will hear representations for and against the council application to issue \$50,000. debentures for the new township offices to be built at Buttonville.

The meeting open to the public was advertised for the Municipal Hall, but if the attendance warrants will be adjourned to the Veterans Hall.

There was considerable discussion as to where the meeting should be held. "It's advertised for the municipal hall and should be held there," said Council Hooper.

Deputy-reeve Alfred James said he would like to see the meeting at least start in the municipal office. "I want the Board and the public to see what kind of dump we have in which to do business," he said. He had no objection to moving across the street to the Vets hall if accommodation is needed.

Councillor Lennie said he wanted the matter to have a proper hearing and he favored the larger hall to accommodate the people. The hearing is at Unionville next Monday, September 29, at 10 a.m. DST.

WILLOWDALE: Reeve Nelson Boylen and all members of North York township council will stand for re-election for another year.
