### United Church News

It was Rally Day in the United Church last Sunday morning. There was a large attendance for both the congregation and Sunday School at this service. The children of the Sunday School worshipped with the congregation at this service based upon the order issued by the Board of Christian Education of the United Church on the theme "Let us now prepare to build." The choir numbers were in the keeping with the occasion, and the sermon preached by the minister Rev. E. E. Kent was based on Romans 12:1 — "let us now prepare to build" — an altar of our lives. The children then retired to the Church Hall enjoying a story told by Mrs. M. Heron "A wish comes true" also the showing of a religious film.

Next Sunday being World Communion Sunday, there will be the Sacrament of the Lord's Supper at 11 a.m. and reception of new members. It is hoped that every member will make an effort to be present at this important service. There will be a brief Communion service at 10 o'clock for those unable to attend at 11 o'clock and for the teachers of the Sunday School.

The scholars of the Junior Sunday School (12 and under) for this Sunday, will go direct to the Church Hall.

Everyone thoroughly enjoyed

### Trinity Church Notes Harvest Home

Two fine services of Thanksgiving for the Harvest took place on Thursday, September 25, and on Sunday, September 28. For the occasion the Church had been beautifully decorated by the members of the Altar Guild. The profusion of fruits, vegetables, flowers and grain bore ample testimony of our reason for gratitude to the "Giver of All" at Harvest Home Services.

To the Thursday service Canon J. E. Ward, Rector of St. Stephen's Church brought the personal approval and sound teaching for which he has become so famous in his radio services. Many to whom he had been but a voice "On the Air" were happy to welcome him to Thornhill.

On Sunday, The Rector, Rev. S. A. R. Wood was the preacher. The beautiful and beloved harvest hymns, as well as special music by the choir, under the direction of Mr. C. R. Devey made both services extremely happy ones.

### The Canon Bryan Greer Mission

The members of Trinity Church are most interested in the Diocesan Mission to be conducted by Canon Bryan Greer in the Coliseum from October 22 to November 4. Cadman tell us about the Mission, and what the Mission is expected to accomplish.

Mr. Cadman is one of the outstanding Laymen of the Diocese of Toronto, and is Chairman of a Mission sub-committee known as the Lay Speakers Committee. We are fortunate to have a layman of his stature come to us next Sunday.

### Fruehauf Announces The Road-Star Aluminum Van Trailer

L. C. Harland, Vice-President and Director of Sales, left, and Walter Siegrist, right, managing director Fruehauf of Canada, inspect new aluminum trailer just being put into production.

Fruehauf Trailer Company of Canada, Ltd. is in production with Road-Star, its new smooth-panel aluminum van trailer which features exceptional lightness for bigger payloads without sacrifice of strength, according to an announcement just made by L. C. Harland, Vice-President and Director of Sales for Fruehauf of Canada.

Many advances in design and construction proven to be sound in aircraft engineering have been adopted for this new road vehicle. Outstanding among these developments are the use of monocoque construction and the employment of extruded aluminum shapes of scientific section which give outstanding strength and rigidity at a minimum of weight.

"From a practical standpoint, this light weight aluminum van has every facility that trailer engineering has to offer for economical over-the-highway transportation, as every pound saved on vehicle weight means that much more payload," Fruehauf engineers point out.
