MAIDEN VOYAGE SALUTE TO CANADA... A pretty Netherlander in authentic Dutch costume waves happily as the new pride of the Holland-America Line, S.S. Maasdam steams under the Jacques Cartier Bridge in Montreal Harbor on her maiden voyage from Rotterdam. The first foreign passenger ship ever to make a maiden voyage to this country, the Maasdam is paying tribute

to Canada for the part played by Canadian Forces in the liberation of Holland and to acknowledge the friendly reception shown by this country to thousands of Netherlanders who have emigrated here. The sleek 503 foot, 15,024 gross ton vessel is designed to cater almost exclusively to tourist-class travellers and arrived here with a capacity list of 881 passengers.

ELGIN MILLS - JEFFERSON NEWS

CORRESPONDENT: MRS. H. G. ROBERTSON
Brookside Road, Telephone Turner 4-2334

Congratulations to Mr. and Mrs. E. Ross Cox, Jefferson, who celebrated their 29th wedding anniversary September 27, 1952.

Girls from our district aged 12-16 are invited to register with the 1st Oak Ridges Girl Guides at Oak Ridges School on Saturday at 10 a.m.

Jefferson School

Visiting Jefferson School last week we met Miss Audrey Leary the new teacher and saw some of the handicraft work the pupils are undertaking for the forth-coming bazaar. The children in Mr. Green's room have made some very handsome articles in leather and plastic. We also took note of the new venetian blinds and the sections of frosted window-pane installed to alleviate glare from the early morning sun.

Entertaining

Among those who have entertained for Miss Margaret Goulding, daughter of Mr. and Mrs. Darrell Goulding, Jefferson, who is being married this Saturday, October 3, to Mr. George Ronald Browne, son of Mr. and Mrs. Bernard Browne, Willowdale, are Mr. and Mrs. J. Allan Bales of Richmond Hill, who gave a garden party and presentation at their home.

Miscellaneous showers were given by Mrs. Eric Charity and Mrs. Alex McKay, Elgin Mills; Mrs. Geo. Billerman and Mrs. Lambert Atkinson and Mrs. John Atkinson, Richmond Hill; Mrs. Jack Holland, Mrs. Morley Moses, Jefferson; Miss Alice Browne and Miss Fran Brumell of Lansing and a presentation and miscellaneous shower by Mrs. Geo. M. Beynon and Miss Marjory Murphy, Richmond Hill.

A crystal shower was held for the bride-to-be by Mrs. Douglas Hillaby and Mrs. Bruce Bell, Richmond Hill. Mrs. Joseph C. Bales of Lansing entertained at a buffet supper.

The Bond Dept. of the Canada Life Assurance Co., Toronto, gave a tea and presentation to Margaret.

Mrs. Edwin J. Gamble is entertaining the wedding party after the church rehearsal this Friday evening.

Mr. and Mrs. P. R. Threlfall spent last week-end in Kitchener attending the wedding of Betty Jane Bauslaugh of that city and Theodore Feider of Steeles Ave. Mrs. Threlfall's sisters, Miss Audrey Jamieson and Mrs. Nesbitt Robson stayed at her home for the week-end.

Observatory

Mr. and Mrs. J. Edgar Robertson of Toronto and Mr. and Mrs. H. G. Robertson visited the David Dunlap Observatory at Richmond Hill last Saturday evening. Over 100 people attended the lecture regarding the main telescope of the Observatory and witnessed the rolling back of the great dome. The whole dome weighs 80 tons, having an opening measuring 15 to 50 feet, and can be rotated to accommodate the giant telescope in any position.

All present, in turn, had a wonderful glimpse of stars which cannot be seen by the naked eye. Many viewed the moon through the telescopes set up about the lawn by the amateur telescopists from Toronto. We understand these lectures finish at the end of October.

Mrs. R. R. Threlfall is holding open house again next Monday, October 6 at 8 p.m. for all ladies in this district who wish to help with sewing or knitting for the bazaar. Any suggestions regarding the various booths should be brought forward at this time and any help for the bazaar's success will be appreciated. All interested are cordially invited to attend.

In connection with the great Mission which the Toronto Diocese of the Anglican Church will be holding in the Coliseum at the C.E. N.E. from October 26 to November 4 inclusive, when the Rector of Birmingham, England, will be the preacher, member of the Laymen's Committee of the Mission will be visiting St. John's Church, Oak Ridges (Yonge St. at Jefferson) at the 11:15 a.m. service on Sunday next, October 5 to give a first-hand account of the Mission from a layman's point of view.

The speaker will be Mr. Harold Ballantyne, head of the Agency Department of the National Fire Insurance Co. Mr. Ballantyne is a member of St. Alban's Church, at Leaside.

Home and School

About 70 interested people turned out to the first Home and School Association meeting of the Fall season held at Concord School on Monday evening, September 22, to hear Inspector Witt of the Ontario Provincial Police speak on the subject "Safety for our Children."

Inspector Witt emphasized his talk by means of a safety film which everyone found instructive and helpful. Following his lecture, lunch was served by Mrs. Chas. Sissons, Mrs. Robt. Leece, Mrs. Halliwell and Mrs. Watt of the social committee.

The subject of "Mental Health" will be discussed at the next meeting which will be held on October 6 at Concord School.

Shower

After returning from their honeymoon trip through Northern Ontario, where they visited many scenic spots, including Manitoulin Island, Mr. and Mrs. Harold Drewery were guests last week at a combination miscellaneous and pantry shower given in their honor by their friends of Stouffville, held at the home of the groom's parents, Mr. and Mrs. Orval Drewery, the young couple received, besides a sum of money, many gift packages generously filled with a variety of canned and packaged foods and different kinds of soap, along with many other fancy gifts for their new home in Richmond Hill.

Mr. and Mrs. Oman Bowes took time off from their Fall work recently to visit other sections of Ontario. Their journey took them to Peterborough, Lindsay and Ottawa. On their return trip they visited Kemptonville and Kingston.

The Brownies are around taking orders for cookies this week. Brownie Wendy Simmons informs us that the cookies are to be different this year. They hope you will find the sandwich type a welcome change from the plain cookies they have sold in year's past.

KEFFER

Of wide interest was the marriage in Zion Evangelical Lutheran Church, Sherwood, of Mildred Irene, elder daughter of Rev. and Mrs. Norman Alfred Keffer and Mr. Stuart Redfern Rhem, eldest son of Mr. and Mrs. George Rhem of Hamilton. Rev. E. J. Fischer officiated at the ceremony against a background of fall flowers. The bride, given in marriage by

her father, chose an original gown of bridal satin, fashioned with long pointed sleeves, and a lace trimmed yoke and lace collar. The full skirt ended in a short train. A tiara of pearls held her hair in a low bun on her own wedding day and she carried a cascade of pink roses and white gladioli.

Mrs. George Genova, gowned in rose taffeta with low scalloped neckline and bouffant skirt, was matron of honor. A matching coronet of braided taffeta and pearls held her shoulder veil. Miss Anne Keffer, sister of the bride, wore a similarly fashioned gown of frosted blue taffeta and both carried harmonizing bouquets of chrysanthemums. Miss Margaret Rhem, sister of the groom was flower girl. She was frocked in yellow taffeta and carried a basket of fall flowers.

Mr. and Mrs. Jones sang a duet and Mrs. Jones a solo during the ceremony. Master David Reid, son of Mr. and Mrs. G. W. Reid of Sherwood, was ring bearer. Mr. William Davidson of Hamilton was groomsmen and the ushers were Mr. Robert Rhem of Burlington and Mr. Orval Keffer of Edgeley. Following the ceremony, the bride's mother received in a blue lace gown with navy blue hat. She was assisted by the groom's mother in a cafe au lait crepe frock with green accessories.

Following the reception at St. Phillip's Hall, Malton Road, Mr. and Mrs. Rhem left on a motor trip through Northern Ontario. On their return they will reside in Hamilton.

What d'ye know?

"WHAT D'YE KNOW" is today more than a genial greeting. It is indicative of today's pace in living. People KNOW more—have to know more—than their forebears of a couple of generations ago.

Kids today in Primary School—students in University—Businessmen—Homemakers—all have to learn more, and know more, to keep abreast of the multitude of developments and progress in the world today.

As a requisite of good citizenship, and in social life, men and women simply have to know, and be well-informed about what is going on in their local community and in the world at large.

That is why Newspapers have to supply more and more news and information.

And what about news and information concerning the things we all need in the enjoyment of our standards of living today!

What d'ye know ABOUT VALUES IN THE THINGS YOU BUY...

EVERYONE—no matter what income or size of pay envelope—is perpetually concerned in getting the best merchandise, food, clothing, furniture—at the lowest cost!

That is why the advertisements in this Newspaper are so useful, so informative, so valuable, so full of "KNOW".

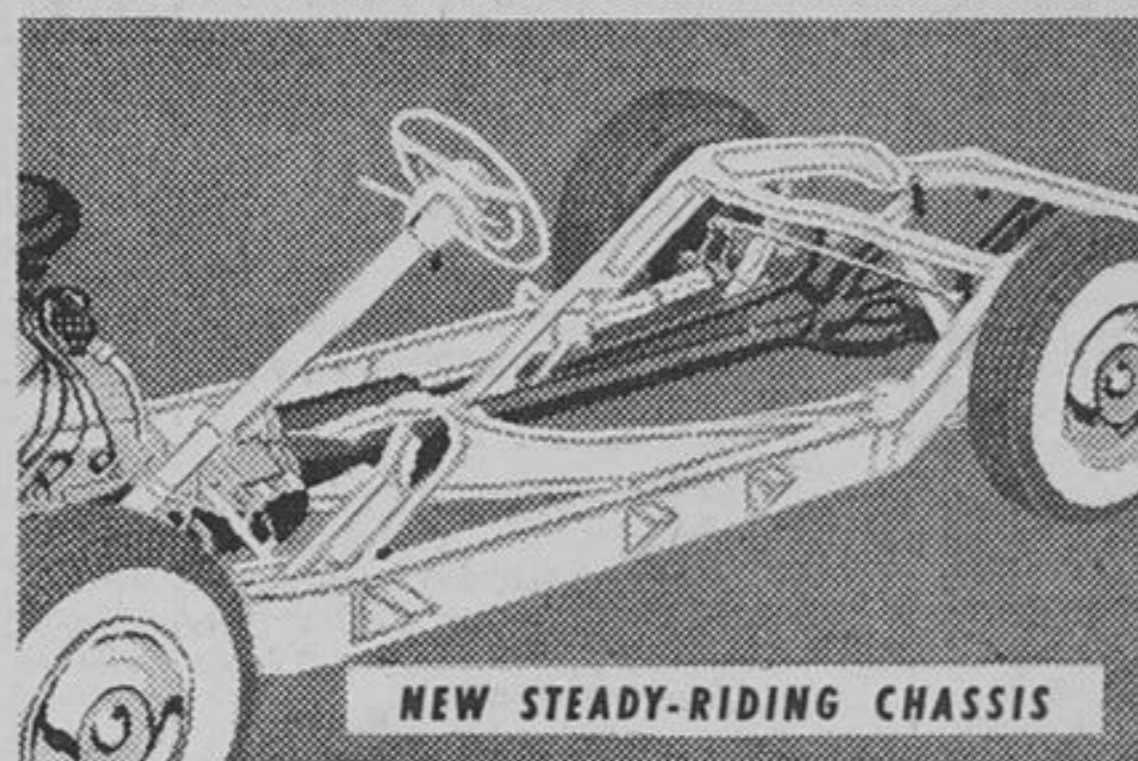

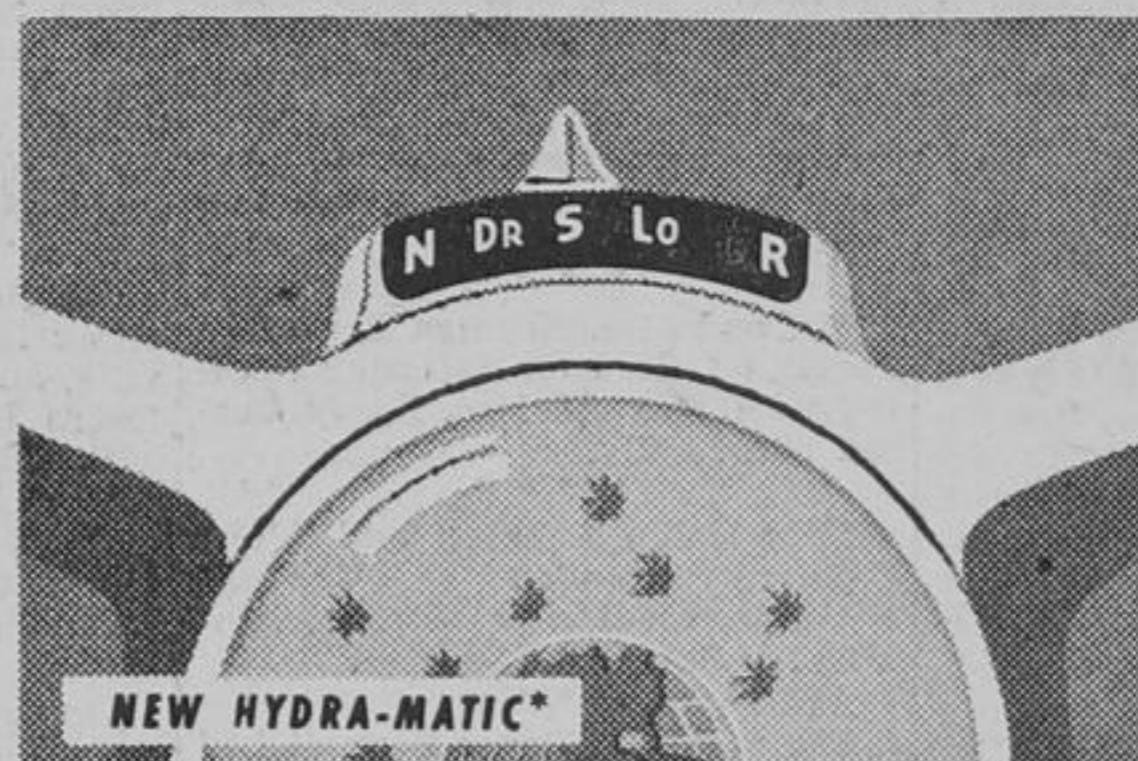

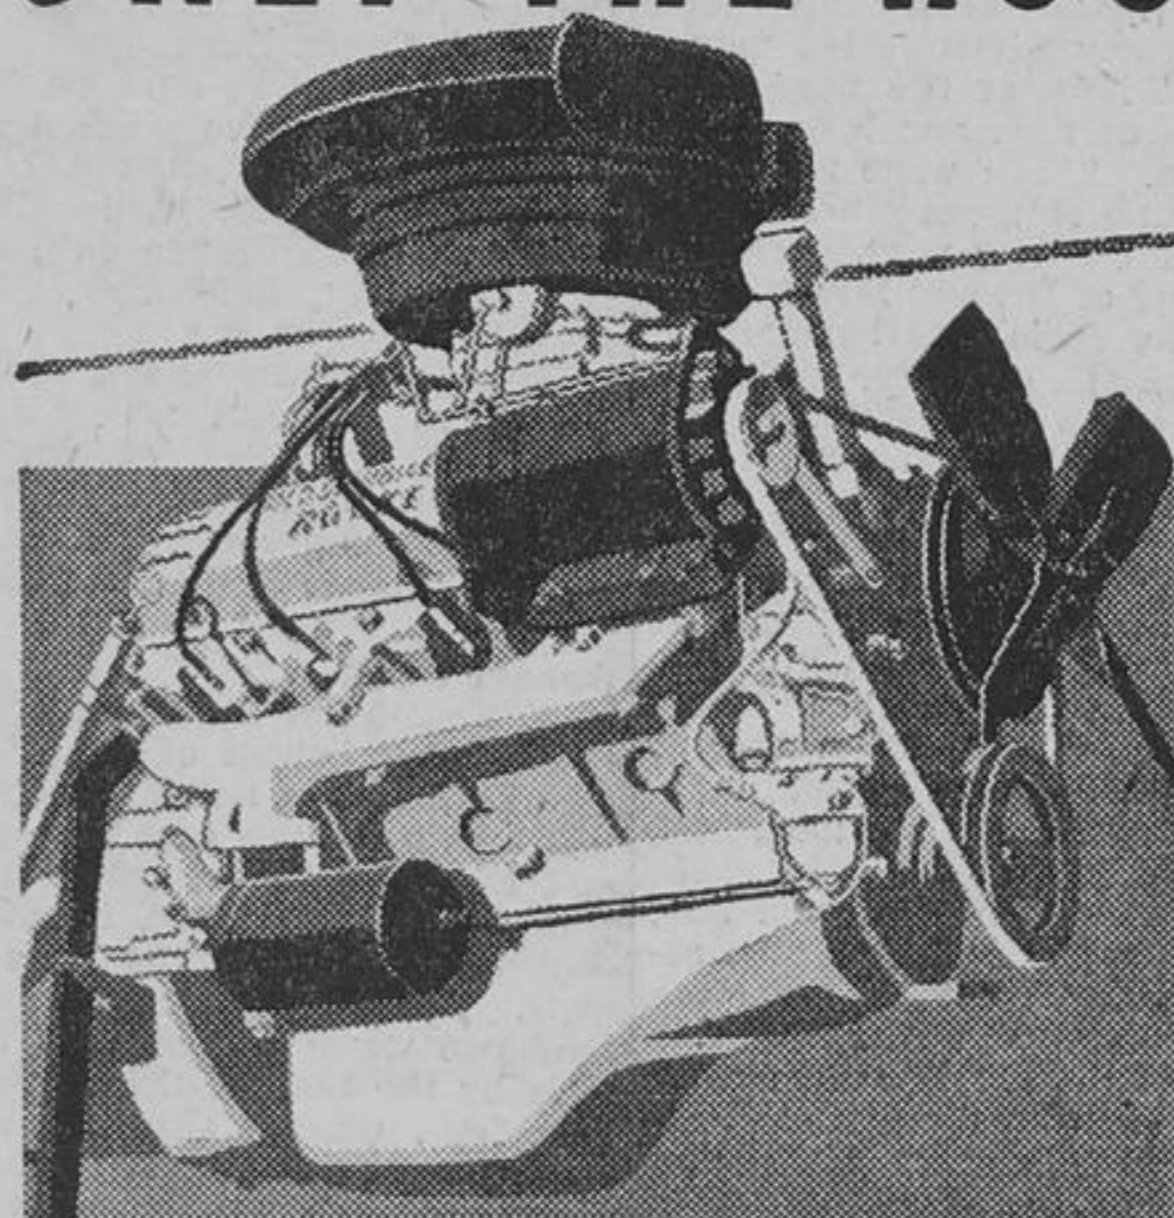

Merchants who advertise let you know they want your business. Of course they do... but they let you KNOW what's new—what's better—what's most economical!

Next time you plan to shop, think over that expression—"WHAT D'YE KNOW"—and take note of how much the advertisements in this Paper can help you.

This Newspaper is dedicated to supply you with the best in News Services, and is proud of its contribution to your Local and World-wide information. It is also happy that it provides the vehicle, in Display and Classified Advertising, that carries the answer to essential WHAT-D'YE-KNOW-INFORMATION, through which you get the best in your personal, social and household needs.
