

Nomination Day November 21

Dr. W.S. Grant, Appointed M.H.O. For West Part Of King Township

The question of the abandoned cellars that have been disturbing the commissioners of the village of King City, as well as the parents of the children in the vicinity was dealt with at the regular meeting of the Township Council on Monday, October 6. It was decided that Chum Black, superintendent of roads, attend to the job immediately, and relay the charges for the work back to the owners of the properties.

Markham Twp. Auditors Approve New Treasurer

Wilton C. Eddis and Sons, Toronto firm of Chartered Accountants reported to Markham Township Council Monday that their recent interview with the township's new treasurer, Mr. D. Ryder, was very favourable.

Mr. Ryder, a 57 year old resident of Agincourt, was formerly employed in the York township treasurer's office. Mr. Ryder on a resolution moved and seconded by Councillors A. LeMasurier and A. Lennie and carried by a majority of council at the September 22 meeting was appointed Township Treasurer subject to the approval of the Township Auditor. Mr. Ryder's appointment was opposed by Councillor C. Hooper. Clerk C. Hoover was instructed on Monday to request Mr. Ryder to appear before the next council meeting in order to discuss his salary and a starting date.

New Restrictive By-Laws
The Council has received a reply back from its Solicitor J. D. Lucas on what is required in the way of by-laws to restrict commercial dog racing, horse racing, motorcycle racing, and car racing. The township has clear power to prohibit motorcycle and car racing. In the case of dog racing the problem could be attacked from two angles. While in the matter of horse racing their powers are dubious. However no race track could be established in Markham Township without the expressed consent of the Racing Commission. The

New Oak Ridges Ratepayers Set Up Temporary Exec.

A group of Oak Ridges property owners met at the Oak Ridges School on Tuesday, September 30, to discuss the formation of a new property owners' association. Chairman John Carlos said residents had felt that an organization was necessary to further the interests of the rapidly growing district. After a lengthy discussion as to whether or not a new organization would be formed or support given to the Oak Ridges and Lake Wilcox Ratepayers Association which has been in existence for three years, it was decided to set up a pro tem executive and call another meeting on Tuesday, October 21, when it is hoped more residents will attend and more definite plans can be made. Members of the temporary executive are as follows: president, John Carlo; executive committee, Walter Gerrard, Mrs. D. R. Gunn, Mrs. V. Sheldrake, G. Bingham, J. Turriff, R. Kingsley, Stan Rule and Daniel Cook. Mr. Vern Sheldrake is the new secretary.

Commission is very sympathetic to the feelings of the municipalities. **Hunting Licenses**
The members decided to issue 600 non-resident hunting licenses for this year's pheasant hunting season. Last year the township sold a limit of 500 non-resident hunting licenses. 1400 to 1500 pheasants have been released in the township, by the Game Warden.

Building Insp. To Appear Before Planning Board

The Planning Board has requested that the Council instruct the township Building Inspector Mr. Ross Norton to provide the Board with information regarding what steps have been taken to enforce the township's restrictive by-laws. "Apparently," stated Deputy-Reeve James (who with the Reeve is a member of this Board) there are situations in the township which they wish to question the Building Inspector about." Councillor A. LeMasurier — "then let's get the Inspector to make a report to Council and then forward it to the Planning Board." "No," replied Mr. Hooper, "let him report direct to the Board." "We just recently had a private meeting with Mr. Norton and everything was satisfactory," stated Mr. Lennie. "Not" retorted Mr. James, "as far as I am concerned". As a compromise the Council will instruct the Building Inspector to appear at the next meeting of the Planning Board.

Thornhill Trustees
A letter was filed from the Trustees of Thornhill Police Village stating a motion had been passed by them authorizing the paying of the village trustees \$5.00 per meeting plus any incidental expenses connected with the office of Trustee.

Hydro Manager
Mr. L. J. Roy, Area Manager of the H.E.P.C., Richmond Hill waited on council in order to clear up several technicalities regarding the proposed Thornhill street lights. October 22 has been set as the date for the holding of a public hearing of the Doncaster Ratepayers to consider the erection of the Hydro of street lights at the corner of Clarke and Yonge Sts. and also Morgan and Yonge Sts. This meeting must be held before a street lighting agreement can be signed.

Court of Revision
Wednesday, November 5, at 1:30 p.m. has been set as the tentative date for the holding of the township Court of Revision.

Markham 4-H Calf Club & York Baby Beef Club

The Markham 4-H Calf Club and the York County 4-H Baby Beef Club maintained the trend to large exhibits of quality stock in the annual Achievement Days at Markham Fair. The Achievement Day brings to an end the season of club work for the members and in addition to the exhibition of their calves, the final results of the season's work are announced. The calf show itself represents only a part of the season's programme of monthly meetings and instruction. The Markham Calf Club brought out 16 quality Holsteins and one Ayrshire. The winning Holstein was a trim calf exhibited by Bill Miller of Agincourt. A strong contender for top place was the calf shown by Gordon Brumwell of Gormley. The winner of the York County Holstein Club calf halter or showmanship was Wilbur Brumwell, Gormley. The Baby Beef Club had a very short legged Aberdeen Angus calf in top place, exhibited by Margaret Arkinstall of Newmarket. In second and third places, were two exceptionally thick, well fleshed Shorthorn calves, exhibited by Isabel Hood and Aileen Easton of Gormley. Aileen Easton was the winner of the showmanship class. All the calves were in excellent condition and the boys and girls all rate congratulations. The news most eagerly sought by 4-H club members is the announcement of the winners in their season's work. The scoring is based on 100 points each for judging ability, an examination, showmanship, care and feeding of calves, monthly feed records and attendance at meetings. Up to 400 points are award-

King - Vaughan Plowmen Ready For Annual Match

The farm of James Reid, Lot 21, Con. 8A, Vaughan township, on the highway between Kleinburg and Woodbridge will be the scene of a ploughing match on Tuesday, October 21. The match is open to all of Canada, and the sponsors are the King and Vaughan Branch of the Ontario Plowmen's Association. There are 15 classes, plus many special classes. Class No. 15 is open to any student attending a secondary school, and residing within the County of York. There

are six prizes in this class, grading from \$20 to \$10. The honorary president is Bruce Davis, Kinghorn; president, Carl Shaw, Kleinburg; 1st vice president, William Aitchison, Schomberg; 2nd vice president, Marshall McMurchy, King; treasurer, A. McClure, Woodbridge; secretary, Ray Jennings, Aurora. The W. A. of Kleinburg United Church will serve a banquet in the evening, and a lunch will be provided during the day.

1952 Richmond Hill Telephone Directory Now Being Distributed

The new who's who of the telephone world is out this week. It's the 1952 Richmond Hill directory, fresh off the presses and bound in a green cover which distinguishes it from last year's buff-colored edition.

C. E. Blossdale, Bell Telephone manager for this region, points out that the book contains 4,924 new and changed listings. Owing to this, he urges subscribers to check any personal lists of telephone numbers against the numbers listed in the new book and to make any necessary alterations. "Looking up the desired number before calling," he said, "helps to avoid the possibility of getting wrong numbers and saves time for both the calling and called parties."

Other suggestions to help subscribers obtain the best possible service from their telephones are included in the directory. In addition, there is a list of typical long distance rates.

Besides Richmond Hill, the book also contains listings for subscribers in Newmarket, Aurora, Sutton, Markham, Uxbridge, Woodbridge, Roche's Point, Clarendon, King, Maple, Schomberg, Unionville, Thornhill and other district centres.

An indication of the growth of this region is seen in the fact that it was necessary to print 20,430 copies of the directory this year, compared with 18,725 in 1951. For Richmond Hill alone the number was 150 higher this year than last. The local directory is one of 50 the Bell Company publishes annually to supply subscribers throughout its Ontario-Quebec territory. These books are issued on a year-round basis at the rate of about one a week. This means that production — order taking,

compiling, printing, proofreading, binding and delivery — goes on continuously.

In all, more than 2,700,000 individual copies are required to supply all of the company's subscribers. These books contain a total of almost 2,000,000,000 pages which are manufactured from about 2,700 tons of paper.

Today's directories are a far cry from the first issued in Canada (and probably in the British Empire) in 1878. Distributed to subscribers of the Hamilton District Telegraph Company, they each consisted of a single sheet, 18 by 5 1/2 inches, and contained the names of 68 subscribers.
