His bride is Betty Ida, daughter of Mr. and Mrs. Garry Wood, Saskatchewan, who were present at the ceremony. The groom, Wallace N. Bennet, is the son of Mr. and Mrs. N. Bennet, Alton, Ont. The wedding ceremony was performed by Rev. Mr. French, at Kleinburg United Church on September 27, and the reception which followed was held at Martindale Lodge.

Communion

The Worldwide Communion of Christian Communities, which has been an annual observance for the past 13 years, was celebrated at King City United Church on Sunday evening, October 5. This linked the local church with the thousands of large and small congregations that are scattered over the globe, who observed this special service on Sunday. The minister, Rev. M. R. Jenkinson, preached a sermon on "Fellowship," emphasizing the need of fellowship between man and God, and fellowship between man and man.

Thanksgiving Service

Rev. C. Chambers, St. Andrew's Presbyterian Church, Scarborough, was the preacher at both morning and evening services of St. Andrew's Church, Strange, on Sunday, when the annual anniversary Thanksgiving was observed. The minister, Rev. David Witherspoon, was present at the evening service. In the morning, the choir of King City United Church added to the praise of Thanksgiving. Mr. Floyd Davies, Willowdale, was the soloist at the evening service. The little church was decorated for the Autumn festival with fruits, vegetables and bright foliage. Mixed with bundles of grain used to decorate the pulpit were several stalks of wheat which were brought from the prairies by Mrs. Rhoda Farren.

Mrs. Louis McInnes, Owen Sound, spent a few days at the end of last week with her niece, Mrs. Smalley and Rev. W. E. Smalley. On Tuesday Rev. and Mrs. Smalley accompanied their aunt on her return to Owen Sound, and they remained with her until Thursday.

W. I.

The W.I. of King City will meet at the home of Mrs. Austin Rumble on October 14. The program will be given by Historical Research and Current Events committee, whose convener is Miss Lily Anderson. Miss Alice Ferguson will be the guest speaker when she will give a talk on the history of Eversley.

A son was born to Mr. and Mrs. Robert Walker, Aurora, at Newmarket Hospital, on Saturday, October 4. This little fellow is the ninth grandchild of Mr. and Mrs. Ross Walker, King City.

Misses Julia and Marjorie Jarvis have moved to the city for the fall and winter months, and will be at 25 St. Joseph St., Toronto, until Spring. Their home at Jarvacs will be occupied by Mr. and Mrs. Gamble and their two children, while their home in Kingsview subdivision is being built. Mrs. Gamble and children are at present in England, but are expected to join Mr. Gamble at Jarvacs in the near future.

W.M.S.

Mrs. P. J. Lambert, Maple, addressed the W.M.S. of Laskay United Church, when the annual Thanksgiving meeting was held on Wednesday afternoon, October 1, at the home of Mrs. Robert Glass. Mrs. Lambert is a popular speaker and a record attendance was present to enjoy her lecture. The subject was "The Gift of Happiness," and her many happy thoughts were carried away, to be remembered by her hearers. Mrs. Roy Pelear read a poem by Edgar Guest.

Mr. and Mrs. Howard Case, who were married in July, and who have been living with Mrs. Case's parents, Mr. and Mrs. Mervyn Wilson while looking for an apartment, have moved to their new home. It is a duplex, situated on No. 11 Highway, south of Barrie. Mr. Case is to be congratulated on his recent promotion as official branch manager of the North American Life Assurance Co., which involves the offices of that firm from Aurora to Midland, including Owen Sound, Collingwood and Orillia, with main branch office at Barrie. There are over 25 agents in the district.

Mr. and Mrs. Harry Mitchell moved to Toronto last week to spend the winter in the city. Mrs. Mitchell's father, Walter Kightley, who was injured in a motor accident early in August, is still a patient in the Toronto East General Hospital.

One of the daily commuters to Toronto is Ruth Wilson, who has enrolled in Shaw's Business School, Bay and Charles Sts., and is now taking a secretarial course.

Visit Maritimes

Mr. and Mrs. Mervyn Wilson enjoyed a motor trip to the Maritimes recently, making a journey of over 4,000 miles, to some of Canada's most famous beauty spots. They were delighted with the weather, and the scenery, and think that the trip on the Cabot Trail was the most spectacular of all they saw. When travelling on the St. Lawrence, east of Quebec City, Mr. and Mrs. Wilson saw one of the ships of the Northumberland Line in dock. As they know Capt. Ross Sinclair, Toronto, and Capt. Bud Armstrong, King, who are in the Lakes service, they decided to visit the ship. Imagine their surprise when Capt. Ross Sinclair was aboard, and he was delighted to have a visit with his old friends. He was loading pulpwood to be delivered in Detroit. Capt. Sinclair is a brother of Mrs. T. L. Williams.

Baptist Church

The annual Harvest Home Thanksgiving services will be held at Emmanuel Baptist Church, 5th line of King, at both 11 a.m. and 7:30 p.m. on Sunday, October 12. There will not be a service in Bethel Baptist Church on Sunday evening. Rev. W. E. Smalley will preach at the morning service, and in the evening Rev. Jerry Zeman of the Czecho-Slovak Baptist Church, Rhodes Ave., Toronto, will be the preacher.

Mrs. Rhoda Farren has returned after a six weeks' holiday which she spent with Mr. and Mrs. Garnet Diceman, Teston, in visiting her sister, Mrs. Katie Diceman and her niece, Mrs. E. Parno, at Yorkton, Sask. Her nephew, Mr. L. Agar and Mrs. C. Durston of Daphin, Man., and Mr. and Mrs. John McAllister at Big Valley, Alta. Mr. and Mrs. Diceman and Mrs. Farren left King by motor in August, and on their outward journey they travelled through the U.S.A. They returned via the Trans-Canada Highway which they found to be a wonderful experience at this time of year when the trees and rocks were more colorful than they had ever imagined. On the last morning of their trip, they drove for three hours through snow flurries, in the district near Matheson, Northern Ontario. Mrs. Farren will long remember the great fields of golden wheat, the Park Belt, the coal mines and the oil wells on the McAllister farm. There are 36 oil wells on this huge property.

Since the first Canada Savings Bond was sold — interest payments totalling about ninety three and a half million dollars have been paid out to about one million owners. This represents an average return of approximately \$100. Some owners have earned more interest than this—some less—but all would agree that they have had a handsome return for an investment that is cashable at full face value at an instant's notice.

It is the easiest, most carefree way to earn money that one can imagine. And now the new Seventh Series of Canada Savings Bonds offer a better return than ever! They pay an average of 3.44% per year if held for their full term of 10 years and 9 months. The Seventh Series bonds—like earlier issues—are cashable at full face value plus interest at any time at any bank in Canada.
