YOU NEVER KNOW where you're next going to meet the modern plastic called polythene—as a flexible ice cube tray, a protective bag for fruit and vegetables or in a variety of other forms. Here it is as a handy "squeeze" bottle for deodorants.

FOR THOUSANDS of Canadians nothing can match the thrill of duck hunting—the wheezing flock of birds, the smell of powder in the brisk fall air and a "shot" plummeting down! She'll sheli this man is reaching for is another product of the chemical industry.

INCREASED AWARDS for the winners of the popular radio series "C-I-L Singing Stars of Tomorrow" is big news for hundreds of young Canadian singers. Over \$4,000 in C-I-L musical awards will be the goal of talented competitors on the program.

Did you know... The opening of C-I-L's new plant near Edmonton will mark the first time polythene plastic has been manufactured in Canada... SERVING CANADIANS THROUGH CHEMISTRY CANADIAN INDUSTRIES LIMITED — MONTREAL
