Wedding

A very pretty wedding took place on Saturday, October 11, at the home of Mr. and Mrs. R. T. Tamblin of Elgin Ave. Against a background of Autumn colouring, in a room beautifully decorated with flowers, Miss Elizabeth Taylor of Toronto became the bride of Mr. Gordon McGhie, brother of Mrs. Tamblin. Her matron of honour Mrs. Margaret Houston of Toronto wore a gown of green taffeta with green velvet bolero and matching cap. The bride's flowers were a cascade of white gardenias and white gladioli and her attendant's bouquet was of peach mums and peach glads. Mr. McGhie had his brother, Mr. Geo. McGhie of Chatham as groomsmen.

Thirty-five guests were present for the wedding ceremony and also for the reception which followed which was catered for by the Trinity Church Caterers.

Remember When
Major now Col. McLaren's 48th Highlanders would pass through on their way to the Colonel's home in German Mills. What a show! The men would march out John Street with bag pipes skirling and drums beating to the great delight of Thornhill's small fry. On their return, while awaiting the radial back to the city, the company would march up and down in front of the old hotel making many a heart beat faster with the wild keening of the pipes and the bright splendor of their kilts.

M.S.C.C. Golden Jubilee
This is the Golden Jubilee year of the Missionary Society of the Canadian Church, generally known as the M.S.C.C. Originally the W.A. was the Woman's Auxiliary of this organization, and its chief interest is still the Church's mission to "Go into all the world and preach the Gospel". Each year the M.S.C.C. publishes a beautiful picture calendar depicting the missionary understandings of the Church of England in Canada. The Bryan Green Mission
Trinity Church has managed to obtain six reserved seats for each night of the Mission, (except for Friday, October 31). These seats will be kept until 7:45 and tickets may be obtained from the Rector. This will make it possible for fifty-four people to be assured of a seat for one night of the mission, and they will be allotted as applied for. Each Parish is asked to make certain that officers of the Vestry and of the organizations attend. The Rector would therefore like to know as soon as possible who would like tickets. The Rector will be at the Mission almost every night and will be glad to offer transportation. Others may be able to offer similar assistance.
