Sanders expressed the association's pleasure at the large attendance and thanked the many new grade parents who worked to bring the splendid results.

The speaker of the evening was A. S. Patterson of the National Sanitarium Association and the Gage Institute. He was introduced by Mrs. E. Baxter. Mr. Patterson is field secretary of this very wonderful branch which serves the public so well.

His talk was on the subject of tuberculosis, and a film, relating a case history of a patient, was shown. A question and answer period followed and Mrs. A. O'-Brien expressed the thanks of the meeting to Mr. Patterson.

The coming card party for November 14 was announced and tickets are available from any executive member. The social committee served refreshments which were provided by parents of the grade one classes. The winning class for attendance of parents was Mrs. Burke's grade one, with Mrs. Miller's and Mrs. Nicholson's classes running a close second.

The next meeting will be on the usual 4th Monday of November when the association will be privileged to learn about the art course taught in the school area. Mrs. Riches, School Area Art Supervisor will be the guest speaker.

Rev. Hirtle also announced that on November 17, after over 100 years of association with the local church, Thornhill Presbyterian Church will become an ordained mission field. A minister will be appointed each year by the Mission to act as minister for the church. Up until 1850 Thornhill congregation came to Richmond Hill to worship. After this date they bought a Methodist church in the district for only \$200, and moved it to the

site where it stands today. Special music for the occasion was supplied by the choir under the direction of Mrs. S. W. Hirtle, with a tenor solo being sung by William Mirrlees, who also took part in a trio with Miss Margaret Ireland and Mrs. C. Duncan.

# New Figure As To Offices Total Cost Set At \$67,000

By a majority decision of Council, Markham Township Monday evening refused to accept Mr. L. F. Flaska's offer of free land on which to build the new Markham Township offices. Mr. Flaska, a Unionville farmer, had offered to donate five acres of farmland situated along No. 7 highway for the purpose of constructing these offices. At the October 6 and 20 meetings of council delegations of interested Unionville residents had requested the members give earnest consideration to Mr. Flaska's offer. The council had been given until November 1 to reach a decision on the matter. Work already begun on new offices at Buttonville was temporarily halted by the September 29 ruling of the Municipal Board.
