Mr. and Mrs. R. Howard formerly of Yongehurst Rd. have taken up residence on Bathurst St. Mrs. M. Holmes of Yongehurst Rd. was hostess Thursday evening for the Stop and Go Club of Toronto.

Keith Mayhew sprained his ankle last week but is able to get around again if he is very careful. Garry Davis has moved from Yongehurst Rd. and is living with Grandma Blackburn in Toronto. Garry's Dad is now working in Montreal.

Girls' Volleyball
 The cheers which shattered the usual Richvale silence Thursday afternoon were raised by the girls who beat Langstaff at Volleyball. They played a two out of three match and beat Langstaff 15-13 and 15-12. It was close all the way but Richvale girls came through at the end of each game.

Poppy Day
 The children are selling poppies for Remembrance Day. You will help two ways when you purchase these poppies. It helps the disabled veterans of the two World Wars and we will also win a prize if we collect the most money. Please be generous.

Hallowe'en
 The grades 5 and 6 took advantage of the Hallowe'en mood and staged an excellent program Friday afternoon. They not only entertained us with a wonderful play but they even gave us cookies which their mothers so generously baked. It indeed was a "Hallowe'en treat."

The party on Hallowe'en night was a huge success. Prizes were given for costumes and games of all types and a movie was enjoyed. The clowns also added to the fun of the evening and caused much laughter. A bag of "goodies" was handed to each guest at the end of the party.

Thanks is extended to the Home and School and the Lions Club for their wonderful party.

Hallowe'en
 Schools, community halls and hospitable homes throughout the land opened wide the doors to visitors large and small and for parties on Hallowe'en. There all the young folk found fun to their taste and if they were too busy to do

much mischief round the neighborhood, nobody will be sorry. And busy they must have been in Concord because only one report of vandalism by fun-loving pranksters has come our way. In this area it is a practise on Hallowe'en to overturn certain small outhouses and cart them away to the nearest busy intersection, but this year they went one better (or worse) and burned one down belonging to a Baldwin Ave. family.

In Sherwood several farm gates were seen suspended from the lofty branches of the village elms, and in Edgeley, Mr. and Mrs. Harold Dament awoke Saturday morning to find a bed on their roof and an old ramshackle car stuck in the doorway of their garage.

Ella
 Wednesday night, October 29, was spook night to prowler for the Jolly 7 Club. Levis decorations set the mood for the club's masquerade party at the home of Mrs. Howard Lund. After the members had answered the roll call by giving a first aid hint, the group voted on the best costume and they decided unanimously that Mrs. Roy Snider, dressed as a cannibal, should receive the prize.

The Hallowe'en cat contest provided lots of fun for everyone and the final winner was Mrs. Lloyd Thompson.

A very delicious Hallowe'en lunch was served by the hostess. The many friends of Mr. and Mrs. Oliver Stong and Vernon were sorry to see them leave on Friday last to take up residence on their new farm at Brougham. Their Elia neighbors wish them the best of luck in their new surroundings and hope to see them back often in Elia.

Sherwood
 At the Thankoffering service in Zion Lutheran Church next Sunday morning, Miss Elizabeth Hartig will be the guest speaker at the 11 o'clock service. Miss Hartig is a missionary home on furlough from India and she will tell of her work among the natives.

"A very valuable citizen"

When a bank manager was transferred recently a group of citizens wrote the bank in tribute to his sense of public service:

"During the time he was here, we found him to be a very valuable citizen. He always took a deep interest in our community, so we feel we have lost a valuable asset. However, we feel sure that his replacement will be made with a man of similar calibre."

A bank man, by the very nature of his work, becomes part of the life around him. During his training in various branches, and as he takes on growing responsibilities, he learns more and more about people and how his bank can help them. And he brings to his community his personal readiness to serve in any way he can.

Only Chevrolet delivers so much ECONOMY

Saves you money all along the line!

- MORE TRUCK FOR YOUR MONEY!**
 Get the price on the Chevrolet truck that's the right size, type and capacity for your work. You'll find that Chevrolet gives you far more for your money — because it's engineered and built to unsurpassed standards of value.
- ROCK BOTTOM OPERATING COSTS!**
 You can't beat Chevrolet's Valve-in-Head engines for over-all economy. They just keep rolling along. A choice of four time-tested high torque engines to match the load.
- LOWER DEPRECIATION!**
 When the time comes to trade in your Chevrolet truck, here's good news: Year after year, used Chevrolet trucks traditionally bring more money, compared to what they cost, than other makes. That's because of Chevrolet's wide customer acceptance.
- ENGINEERED ECONOMY!**
 Every Chevrolet truck gets the job done fast and sure — providing the widest selection of body styles as well as chassis for special bodies in wheelbases from 110"-212".

Another reason why more people buy **CHEVROLET TRUCKS** than any other make!

When you buy a truck, whatever you're hauling, you buy it for one reason and one only — to make money. And, in the long run the truck that saves you the most is the truck that's going to make the most. And that, without frills or fancy talk, is one of the biggest basic reasons why more people buy and drive Chevrolet trucks than any other make.

Look at it any way you want. You save because Chevrolet's economical, dependable Valve-in-Head engines, famous for power and stamina, keep fuel consumption low. You save because Chevrolet's husky hypoid rear-

axles, deep channel-type frames, flex-mounted cabs, Recirculating Ball-Steering and other Advance-Design features keep maintenance costs down. And you keep on saving while you earn because these extra values are built in to stay in, to protect your truck investment.

But seeing is better than saying, so come in and look these versatile, money-making Chevrolet trucks over from top to bottom. Check the comparative values of Chevrolet trucks and prove to yourself that Chevrolet does save you money all along the line.
