# ATTENTION Dump Truck Operators

A meeting of the Dump Truck Operators' Association will be held in the Veterans' Hall, Markham, on Tuesday, November 18, at 8 p.m.

Special speakers will be on hand and a film shown concerning driving safety.

All dump truck operators are welcome to attend. Refreshments served.

# Picture News

TEMPER SAVER is this new polythene plastic tray that releases ice cubes in a jiffy, all at once or one at a time. No more jabbing with a knife or holding under the tap. "Just flick the wrist", says this pretty miss. Polythene is odorless, tasteless . . . won't freeze in the refrigerator tray compartment.

DAUGHTER'S SUITCASE is a junior edition of mother's in this happy holiday picture. "Fabrikoid" and "Fabrilite" are very popular for luggage. The chances are these versatile materials were used for the little girl's shoulder bag, mother's handbag and the car upholstery, too. These chemical materials are easy to clean, inex-

CAPTURING summer activities with your camera gets a lot of help from Du Pont "Varigam" projection paper now available in Canada. Provides ten contrast grades in a single paper, gives high quality prints of the right contrast from every negative thin, normal or dense. Ask your dealer about "Varigam" or write pensive and resistant to scuffing. C-I-L, P.O. Box 10, Montreal.

### Did you know?

Between 1945 and the end of 1951, the general wholesale prices index in Canada increased 82 per cent. During the same period, the selling prices index of C-I-L manufactured products increased only 35 per cent.
