**Nomination Meeting**  
 There will be a meeting of the ratepayers of the police village of King City on Friday evening, November 21, at 8 o'clock, when three trustees will be nominated for the coming year. Crawford Wells, who has been chairman for the past year, and who has given much time to the public affairs of the village, has announced that he will not run for office this year.

**School Board**  
 At the regular meeting of the School Board of King City School, on November 12, it was decided to change the date of the annual meeting. The usual date is December 26. As this has proved a difficult time to get ratepayers interested in school affairs, it was decided to hold future annual meetings on December 17. Dr. J. H. Barrie who has been a member of the board for three years, and chairman for the past year, will resign. A new trustee will be nominated and elected on December 17.

**Armistice Banquet**  
 The King Branch of the Canadian Legion and companions enjoyed the annual Armistice banquet which was served on the evening of Remembrance Day in the United Church Rooms. Head table guests included Rev. and Mrs. W. E. Smalley, Mr. and Mrs. John Perry of Maple, Elton J. Armstrong, Donald M. Findlay, Joseph McGrath, president of King Branch, and Mr. and Mrs. Robert Walker. The toast to the Queen was proposed by Robert Walker and the toast to "Our Fallen Comrades," was made by Ex Sq. Leader John Perry, D.S.O., D.F.C. Mr. Perry reminded his comrades that there is no living glory connected with war. Although the soldier's lot is to be hailed today and tomorrow, they must not withdraw, and they must be willing to accept their civilian duties, he said. Donald Findlay as chairman, congratulated the ladies who prepared the banquet, and he saluted them as the working arm of the legion. The guest speaker was Elton J. Armstrong, who stated it was his hope, that someday all the names on the rolls of honour in our local churches should be written in stone or bronze and placed on a central cairn, or on smaller cairns in the communities of the township. After the banquet, the comrades and their companions assembled in McDonald and Wells Hall where the evening was spent in round and square dancing to Sally Lloyd's orchestra.

**Escapes Injury**  
 Jack Hambly was driving on the new Barrie highway, about a mile south of the King sideroad, about midnight, on Wednesday, November 12, when his car hit the soft shoulder, went out of control, and rolled over. Mr. Hambly, who was unhurt, was able to crawl out and walk to his home for help. Later that night he was able to drive his badly damaged convertible to the garage.

**Fire**  
 Mr. and Mrs. Ross Walker were unaware of a fire on the roof of their house caused by a spark from their living room fireplace, Friday afternoon, November 14. James Patton was passing, noticed the flames and raised the alarm. The men from Bill Drinkwater's garage responded and had the fire under control when the Aurora Fire Department arrived.

**W.I.**  
 Laskay W.I. was entertained on Tuesday afternoon when Mrs. John Moore, Richvale, told the members of her recent visit to Scotland. Mrs. Moore spent last summer in Scotland, and she had many stories to tell her friends, which dealt with the interesting country in the neighbourhood of her former home there. Some of the souvenirs she showed included a stick of Edinburgh rock, a plate decorated with a picture of the Firth of Forth, and a white stone from the Bonnie Banks of Loch Lomond.

**King City W.I.**  
 Mrs. T. L. Williams gave a report of the W.I. convention in Toronto when the regular meeting of King City W.I. was held Tuesday evening, November 11, at the home of Mrs. W. Willoughby, Kinghorn. Mrs. Williams was the delegate from the King branch and she attended the meetings during the three days of the convention. Besides giving reports of committees, Mrs. Williams said that it was impressed upon the delegates to remember that the first objective of the Institute was to educate. It should always be a study group for the benefit of the homes of the community, and should not exist solely to raise money for worthy causes. Rev. David Woterspoon addressed the meeting in remembrance of Armistice Day. The roll call was answered with gifts of food for the sister Institute in Kent, England, and 35 lbs. of food was collected. Two parcels have since been packed and forwarded by Mrs. J. Norris, Mrs. J. Patton and Mrs. V. Gordon.

**A.Y.P.A. Dance**  
 A dance was held on Saturday evening by the A.Y.P.A. of All Saints Anglican Church in the McDonald and Wells Hall and 52 young people attended. Music was played from records which were spun in a disc jockey style by Ross Shirley and Roger Rawlings, Freda Dent and Barbara and Bruce McInnes. A trio of John Lagdon, George Hatley and Frank Harrison sang comic songs and George Croft entertained with songs and guitar. On Sunday evening the A.Y.P.A. held a meeting in All Saints church basement, when two cadets of the Church Army spoke to them. Cadet Terry Frith, formerly of the British West Indies, now of Toronto, was the main speaker, and his theme was the part a Christian has to play in the world today. The second speaker was Cadet Jerry Geraldson, Peterborough. The program for next Sunday evening, November 23, has been arranged by the president, Bruce McInnes. Capt. R. A. Taylor of the Church Army will take the service in All Saints Church at 7 o'clock. The members of the A.Y.P.A. will participate in the service by reading the lesson and taking the collection, etc. There will be a fireside hour in the basement room after the service.

**Shower**  
 The friends and neighbours of Mr. and Mrs. Vincent Cain are inviting everyone in the neighbourhood to a "shower" on Wednesday night, November 26, at 8 p.m., when any donation towards this family's new home will be acceptable. The shower will be held in the school auditorium, Mount St. Francis, 5th con. of King, Mr. and Mrs. Cain and their little girls, Mary, Margaret Ann, and Marie, aged 1, 3 and 5 years, are living with Mr. Cain's mother, Mrs. John Cain, on the farm which adjoins their farm, 5th con. King. Neighbours have shown their sympathy to this family who saw their home destroyed by fire on Sunday, November 8, by coming to their aid. Every day last week gangs of workers came to clear the rubble, clean the bricks for the bricklayers and to cut timbers from the bush, and get the logs ready for the sawmill. It was discovered that about half the house did not fall, and it is possible that a new bungalow will be built before Christmas. The only furnishings that were not destroyed by fire were the deep freeze cabinet, the new electric stove, and kitchen chairs, table and cupboard. All the clothing including the children's new winter snowsuits, bedding, furniture, vegetables, fruit, wedding gifts etc. perished. These are the things that the neighbours hope to replace, temporarily at least until Mr. and Mrs. Cain have recovered from the loss.

Mr. Alex Campbell and her two children spent a few days with her mother, Mrs. Eva Morrisson, London last week.
