Thank You Vaughan Township

I would like to take this opportunity to express my appreciation to the electors of Vaughan Township for my acclamation as Reeve of the Township for the year 1953.

I shall endeavour, as in the past, to conduct township business to the utmost of my ability and to the benefit of the taxpayers.

Thumbnail Sketches Of Thornhill Candidates

W. R. Dean
W. R. Dean is a member of the fourth generation of his family to live and operate a business in Thornhill. He was born on John St. in the home in which his parents and sisters still reside. He was educated in Thornhill Public and Richmond Hill High Schools. Mr. Dean operates a dealership under Master Feeds, located on Yonge St. at the southerly end of the village. His father was a member of the Board of Trustees for three years and he himself has served on the Board for three years, acting as chairman for the past two. As well as his own active interests, Mr. Dean serves as a member of the Court of Revision for Markham Township, is a member of the Property and Personnel Committee of the Richmond Hill District High School Board. He has also served as Past Grand Master and Past Grand Secretary of the I.O.O.F. for the Province of Ontario. Mr. Dean has two children, Shirley and John, both attending the Thornhill Public School.

Alexander McDonald Robertson
This candidate is the only person representing Vaughan Township in the election. Mr. Robertson, a 37-year-old resident of Arnold Avenue for the past three years, feels that if he is going to live in this Community he wants to take an active part in its development. He lived for several years in Scarborough, attending Danforth and Central Technical Schools. Mr. Robertson is a past president of the Young Men's Advertising and Sales Club, a member of the Toronto Directors National Industries Advertising Association and also a member of the National Sales Club. Mr. and Mrs. Robertson have a nine-year-old daughter.

Allan Sumner
Mr. Sumner who was a Trustee for the first time last year has been a resident of Thornhill for the past 30 years, receiving his education at the Thornhill Public School and at Silver Bay in New York State. He is a member of the board of the Thornhill Area Recreation Committee and has been very active in the life of Thornhill. He is a salesman for the Wheel and Rim Company of Canada in Toronto and has two daughters, one of whom is attending Thornhill Public School. Mr. Sumner has stated that he is running again for office because he is keenly interested in the orderly development of the village.

Frank H. Harris
Although Mr. Harris is comparatively a newcomer to this village, both his father and grandfather were residents of Aurora, therefore Mr. Harris has been around these parts for many years. His present home on Yonge St. was previously owned by his aunt, Mrs. Rosa B. Harris. Since moving into this territory Mr. Harris has brought a portion of his own business, the Harris Lumber Company into Thornhill, with an office in the MacNeil Building. His two

daughters attend the Thornhill Public School and Mr. Harris is a member of the Board of Stewards in the United Church. His feeling is that living in the village he wants to take an active part in its public life.

John MacNeil
A resident for a number of years in Thornhill, Mr. MacNeil who is owner of the MacNeil block of stores has been a Trustee for the past three years. He is also an active member of the Thornhill Lions Club and has served on the Markham Twp. Planning Board. Mr. MacNeil is a partner in the firm of Cleverley, MacNeil and Wallace in Toronto. Mrs. MacNeil is very active in the Guide Movement, and they have two children Martha and John. This candidate's main interest in this office is in seeing the location of the Farmers' Market in Thornhill.

Community Swing Wins 3rd Prize At "Royal"

Richmond Hill Community Swing is to be congratulated in winning 3rd prize in the Canada Pacific square-dance competition held at the Royal Winter Fair this year. There were 42 entries in the Senior class and these were eliminated so that there were ten teams to compete in the finals. Richmond Hill was chosen for the finals and much to their great surprise they were awarded third place.

Those in the set competing were Pat Tucker (leader) and Reid McAlister, Helen and Don Fettes, Kay and Walter Smith and Helen and Stan Pipher. Ede Butlin was caller for the optional number danced by the group.

Public School Parents' Night

Last Thursday evening the Richmond Hill Public School held its annual "Parents' Night". Despite the inclement weather, there were many parents and friends present. During the evening the guests heard the school choir sing several selections under the direction of the music director, Mr. Johnson. The choir was ranged on one of the main staircases leading to the main hall. In the different classrooms, there were displays of art work, sewing, penmanship, crafts and other work done by the pupils. The teachers were at home to the parents in the various classrooms and they explained the different phases of the school curriculum. The social evening provided an excellent opportunity for the staff and parents to become better acquainted.

Mr. & Mrs. Charles Howitt Present Painting To School

Charles Howitt former inspector of Public Schools, and Mrs. Howitt, were special guests at the well-attended meeting of the Charles Howitt Home and School Association on Monday evening.

H. Gottschalk, the chairman, called on K. Richan, chairman of the Board of Trustees for School Area No. 1 of Markham and Vaughan, who introduced Mr. Howitt to the audience.

Mr. Howitt spoke of the heartfelt gratitude of both his wife and himself toward the community and to the School Board for the signal honour conferred upon him in having a school named for himself. He said that in choosing a gift for the school he was fortunate in having an artist in the family in the person of his wife. They decided to present a painting of the Tanna-makoon river, done by Mrs. Howitt. This river, only a mile in length, which flows from Cache Lake, in Algonquin Park, is especially beautiful in the early morning hours, during which time Mrs. Howitt made the sketches for this painting. "It gives me great pleasure," he said, "to present this picture to the school which bears my name and which will always remain close to my heart."

Mr. Richan thanked Mr. and Mrs. Howitt on behalf of the Board of Trustees and presented the picture to principal E. Dunning. Principal Dunning accepted the painting on behalf of the Charles Howitt school, expressed the thanks of the pupils and the staff for this very lovely gift from Mr. and Mrs. Howitt.

Mr. Gottschalk called on Mr. Jackson Taylor, vice-chairman of the Board of Trustees, who presented a portrait of Mr. Howitt to the school as a gift from the board.

Mr. Dunning, who accepted it on behalf of the school, thanked the Board and spoke highly of the able assistance to Education Mr. Howitt had freely given during the recent rapid expansion of the community.

Mrs. Wickett, on behalf of the Charles Howitt Home and School Association, and the School Board, presented Mrs. Howitt with a beautiful orchid. Mrs. Howitt responded graciously.

The Chairman Mr. Gottschalk, then presented Mr. Howitt with honorary membership cards in the Charles Howitt Home and School Association. Mr. Howitt in accepting them, said that they would be greatly treasured by both his wife and himself.

A skit on Parent Education was then presented by members of the Association, with both men and women dressed up to represent women members of a study group dealing with the subject of discipline by "indirect" and "direct" control.

Mr. and Mrs. Howitt received many good wishes from friends in the audience for a happy sojourn in the South where they will spend an extended holiday.

Among the guests present were: H. B. Galpin present school inspector and C. B. Routley, Assistant Superintendent of Elementary Education of the Ontario Department of Education. Richvale Home and School was also represented.

At one point in the evening the members of the School Board were introduced to the members of the Home and School Association and a vote of thanks to the School Board for their interest in the school and the community was extended by Percy Pool.
