High School Wrestlers Make Their First Appearance In Hill

This Intercollegiate wrestling is slightly different to professional. The referee blows a whistle to start and end a match and the wrestlers never answer back.
 Richmond Hill District High School Wrestling Club presented four bouts in between the Senior and Junior basketball games Friday night, at the High School. This was the first public appearance in the Hill of the wrestling club, and the crowd reaction was followed rather anxiously by the wrestlers taking part, and by Coach Jensen.
 Mr. Jensen started the matches by explaining the strict intercollegiate rules to the spectators — no twisting hammerlocks, or other

 Irene McPherson had high 3 flat with handicap-749 and single high with handicap 308.

Edgeley 5 - Maple 0 Standing As Of Jan. 30 - Edgeley Leads In Slaughterhouse League

Victors 5-0 over Maple, Edgeley continued its winning streak in the Slaughterhouse Hockey series on Friday night before a large crowd in Woodbridge Memorial Arena.
 Edgeley scored early in the first period on a screened shot by Ab. Foster which the Maple goalie, Albert Orr, couldn't see. Norm Bagg ended scoring in the first on a long low drive that caught the corner of the net. Four penalties were handed out, two to each side.
 In the second period Maple made determined efforts to score but a tight Edgeley defense held them off. Jack Follows lengthened Edgeley's lead when he put in Norm Bagg's rebound.
 Mart Hedges scored for Edgeley on a lone rush in the third period to make it 4-0 and Ron Keffer finished the scoring when he put it in the corner of the net on a rebound shot from the face-off in Maple territory. There were five more penalties in the third three to Maple and two for Edgeley. The game was fairly fast but Maple was held in check during most of the game.

Midgets-Woodbridge Play This Friday Night

The local Craigie Rose Kings are advancing into the OMHA playoffs this week, meeting Woodbridge in the Richmond Hill Arena Friday night, February 6.
 The Rose Kings have been very successful against Woodbridge so far this year, meeting them three times, twice in Woodbridge, beating them 5-2 and 6-2 and on January 16 in Richmond Hill, beating them 11-3.
 Paul Baker was top man that night with three goals. Other goal getters were "Red" Hart and Paul Lecuyer with two each and Bruce Brillinger, Pete Zinkan, Don Willis and Jim Neal all scoring one each.
 Kingdom for Woodbridge also had three goals to his credit. At Nobleton the Craigie Rose Kings, after a hard fought game, came home with a 4-3 win, Don Willis scoring three goals and "Red" Hart with a single.
 At the last game at Aurora success went to the Hill's head. They found an inspired team, which skated fast and checked hard and when the smoke cleared they were downed 5-1. "Red" Hart scored for the local team. "Red" has scored a goal a game since moving up to his present center position.
 The Craigie Rose Kings are a young hard-working team and it is thought by the management that they can advance as far, if not farther this year, than they did in '52.

Juveniles Win First Game Of Playdowns

The Juvenile Rose Kings last Tuesday night met Sutton in Richmond Hill. The first period was very fast and the Sutton team was outlasted. The penalties received by Sutton in the first period set the Sutton team back and the Kings took advantage of this to score.
 The first score came at 2:15 of the first period with Turnbull scoring on a pass from Charles. At 16:07 Leuschner took a nice pass from Chapman in front of the net and made the score 2-0 for the Hill. In the second period the Sutton team was having trouble with one of their players who continued to play dirty hockey and was penalized several times until Jim Grainger had to throw him out of the game.
 The second period was very fast and Sutton got one goal early in the period. Then Chapman got a penalty and while he was off Leuschner scored again on a pass from Charles.
 In the third period Sutton settled down to play hockey and forgot the rough stuff, coming through with two quick goals, one by Johnson, and the other by Quinn. With the score 3-3 and only four minutes to go Leuschner got the puck in the Sutton corner and passed it out to Charles who in turn made a fast pass to Chapman who scored the fourth and final goal.
 Special mention should be made of the referee and linesmen Mac Clement and Jim Grainger for holding the boys in check as it was rough-and-tumble for the first period and part of the second. It was a good hockey game in the third period but the first two were more like a game of shanny.
 The Hill is showing its lack of practice and needs to get some set plays worked out.
 Tonight they meet in Sutton and the Hill have only a one game margin to work with as it is home and home games with goals to count.
 Outstanding players for the night were Flaherty, Sutton goal tender, and Leuschner and Charles for the Hill. Special mention should be made of Bennett, the Kings' goalkeeper who made some real saves.

Rose King Lose To Newmarket Team

Newmarket Specialties hopped into first place in the North York juvenile hockey league last Saturday, when they eased out a 3-2 win over Richmond Hill Rose Kings. It was a four-point contest and enabled Newmarket to grab the coveted top spot from the idle Aurora Wilsons. The loss dropped Richmond Hill deeper into the league basement.
 Glenn Keffer, Jack Staley and Freeman West bagged the invaders' tallies with West getting the game winner with just under three minutes remaining. Gerald Chapman and Ron Leuschner were Richmond Hill goalgetters.
THORNHILL HOCKEY
 The rink has been in operation during the past week. A number of school hockey games were run off including three on Saturday morning — the first played by the Thornhill Cub Pack and 2nd and 3rd between the three Pee Wee teams of the Thornhill School. The pleasure skating area was also well used.
 The committee wants to stress that the skating facilities in Thornhill are open to all people in the Area.
