Wolves Sighted On Farm Reeve Timbers

Walking through a bush on the farm of Reeve Winfred Timbers of Markham Township early last Sunday, Game Warden Harry Meighan came upon six timber wolves who had just slaughtered a deer. The farm is less than two miles from Stouffville.  
 The wolves held their ground spitting and snarling, said the game warden, who was not armed. Meighan was making a routine check of the area at the time.  
 As he approached the carcass the wolves backed away, circled him, then ran across a swamp and into another part of the bush.  
 The wolves were blamed by the game warden for the recent killing of at least four other deer in the Markham-Whitchurch Township district. The wolves, said Meighan, were the size of large collie dogs.

ELGIN MILLS - JEFFERSON NEWS

CORRESPONDENT: MRS. H. G. ROBERTSON Brookside Road, Telephone Turner 4-2334

**"Get Well Soon" Wishes.**  
 Mr. Wm. Burns Sr., is home from his stay in St. Michael's Hospital Toronto, where he underwent an operation several weeks ago. We are glad to report Mr. Burns is convalescing satisfactorily and expects to be out and around again shortly.  
 Mrs. Fred Spencely is confined to her home through illness and will have to take things quietly for awhile. Her friends all hope she will soon be feeling better.  
 Owing to a slight illness Mr. Frank Legge was missed by his "partners in bridge" at the Community Club night, last Friday. They hope Mr. Legge will be in attendance at the next gathering.  
 Jefferson School Community Club had its largest attendance of the 1952-53 season at the square-dance held last week.  
 Visitors who came from Toronto and Richmond Hill thoroughly enjoyed themselves, thanks to Carson Whalen's smooth style of "calling off". Mr. Rutman and Mr. Oscar Wrigglesworth assisted Mr. Whalen with several numbers and helped to make the evening a very happy time.  
 Mrs. Mary Rutman won the lady's prize, in the lucky draw and Jack Hall was winner of the men's prize. At the close of the evening the president, Mr. Bill Hall, announced there will be a special collection at the next Club dance on February 20. Speaking of the devastating floods which are causing so much heart-break, death and destruction in England and Holland, Bill Hall said this collection could be money, good used clothing or anything else one might feel is needed. The president also announced there will be a special evening of cards on March 13. Those wishing to make up a party of four for their own table should notify any member of the executive, in order that the committee may plan accordingly.  
 A cordial welcome is extended to Stan Leno's brother, Cyril, his wife and daughter Phyllis and son Roy. They have recently moved to Elgin Mills from Toronto.  
**Immunization.**  
 Just another reminder that Immunization starts at Jefferson School on Wednesday next, February 18, at 9 a.m. There will be a series of three inoculations and mothers of pre-school children will be interested to know this service is given freely for the protection of their little ones.  
 The other dates which will complete the course of treatment are: Wednesday, March 18 and Wednesday April 15.  
**Executive Meeting.**  
 Mrs. E. A. Terry, Mrs. R. R. Threlfall and Mrs. H. G. Robertson met at the house of Mrs. J. A. Copeland last week for the first executive meeting of the Jefferson School Community Club this year. Bill Hall pres-

ident was absent owing to a slight accident when he "fell" while working on the new home he is building. The committee was glad to learn it was nothing serious. Jack Barry who is spending a two month's vacation out West, was also away. However, the ladies carried on with the business on hand and plans were laid for an evening of cards to be held on an evening separate from the regular square-dancing nights.  
 There was also a lengthy discussion on the subject of membership fee being charged. It was finally decided that a fee of \$1.00 a year be set for those wishing to exercise their franchise in Club elections, etc. Membership buttons will be issued for those signing up, but the executive wishes to stress the fact that one does not have to pay the fee to attend any of the club's activities, or jjoin in and share the fun.  
 Tentative plans were also laid for an evening in April when the Tupperware Company will supply entertainment that will benefit the Club. There will be further on this at a later date.  
 It is also hoped to run one or two special dances for the senior students at Jefferson School before school closes in June, this matter will be discussed at a future executive meeting.  
**Visitors, Here and There**  
 Mrs. Lawrence Weale and her daughter Bubbles of Willowdale, visited Mr. and Mrs. Jim Matkin on Friday of last week. Mr. Matkin is recovering from his recent accident, when he bruised several ribs in a fall.  
 We are glad to pass along the word that Mrs. Harry Pridham's father has rallied and his condition continues to improve.  
 Mrs. Pridham and Florene and Frankie will be coming home shortly from their visit out West. Mr. and Mrs. R. Boxall, who are now living at Angus, Ontario, visited friends in this district last week.  
**Valentine's Day Greetings**  
 The boys of the senior room at Jefferson School are busy these days making a mail-box for the heavy load of mail expected.  
 We wish all the children a happy day on Friday when they will celebrate the fourteenth ahead of time.
