### Lions Club To Aid European Flood Victims-District Governor Speaks

There is nothing like a national catastrophe to bring a spontaneous response from almost every individual and organization in a community. Once again, the Lions Clubs have answered the call and even before word had been dispatched from the International Headquarters, the Richmond Hill Lions Club was making plans to contribute to flood relief for Europe.

At the recent meeting of the club it was unanimously decided that the club would start the ball rolling with \$100. With this sum of money, the club will purchase a Canada Savings Bond which will be raffled off at the Lions Theatre Night on February 27. It is expected that this original \$100 will mushroom into at least \$500. The flood relief project will be under the chairmanship of Lion Archie Murray of the activities committee. The Lions also hope to organize a relief drive for the entire village in the near future.

On completion of this important item of business Lion Dick Edmunds introduced the honoured guest of the evening, District Governor Lion Bud Renner who spoke on the duties of the officers of a Lions Club. This topic was most appropriate as elections for new officers came in the near future. Lion Bud pointed out the significance of the name Lion as associated with courage, strength and fidelity. He urged the members always to maintain a high standard of life and to especially remember their greatest responsibility in the country's youth. He pointed out that the duties and jobs of the members and executive should never go undone because of a tired or busy member and added that the good of a club is gauged by the way the money is spent, not by how much is raised. Lion Bud emphasized that no Lions Club or Lion has ever failed in the world. Rand Phipps gave a vote of thanks and presented a box of Richmond Hill roses. An additional gift was presented to Lion Bud for Mrs. Renner.

Committee reports showed that the finances of the club were in a healthy condition and proposed activities are progressing well. It was announced that \$142. was cleared at the recent Bridge and Euchre held in the Lions Hall. The club was happy to have Lion Stan Hunter from the King City Club as a guest of the evening.

At this meeting, the Club took great pleasure in giving the first honorary membership certificate of the club. Lion Wycliffe Trench who joined the club at its institution 15 years ago was presented with the certificate by Lion Bob Little.

During the business sessions it was decided to collect clothing for the relief of flood victims in England and Holland. These donations will be received at the church on February 15 and 22 or at the home of Mrs. Norman Reid, cor. Don Mills Rd. and No. 7 Highway, on Wednesday, February 11, or February 18. It was also decided to send one quilt and purchase two blankets for the same cause.

Following the business meeting a duet was sung by Mrs. Giles and Mrs. Clayton. Mrs. Giles and Mrs. Russell did a skit on temperance. When the benediction had been pronounced, the hostesses, Mrs. Brown, Mrs. McQuay, Mrs. Giles and Mrs. Leaf served tea.

The Young People of Brown's Corners Church met at the home of Aileen Easton on Wednesday evening of last week to elect the officers for the coming year. Margaret Hood is the new president with Jim Miller as vice-president and Aileen Easton secretary-treasurer. The Young People also discussed a skating party which they held Saturday evening at Unionville Arena. Following skating members were entertained at the home of Mr. and Mrs. Douglas Hood where refreshments were served. This occasion also served as a coming-out party for Ted Gough who was celebrating his recovery from a severe case of mumps.

Exposition Trip for Children  
On Saturday of this week, Norman Reid will meet the Sunday School children at the church at 3:30 a.m. and take them by bus to Deer Park United Church to visit the exhibit of the United Church Exposition. There will be a special programme for children. The bus will be back at the church at Brown's Corners by 1 p.m.

Euchre at Hall  
At the W.I. euchre held in Buttonville Hall on February 4, the convenors were Mrs. K. Stotts, Mrs. John Wilkins, Mrs. E. Walton. There were seven tables of players and prizes were won by Mrs. R. Burr, E. Walton, Mrs. A. Brown, Mrs. A. Robinson, Dr. Geo. Kelly and W. Richardson. The next euchre will be held on February 18 at the Hall.

W. I. Quilts  
Quilts by members of the Buttonville Women's Institute were held on Tuesday of this week at the homes of Mrs. O. Brooke and Mrs. C. Walton. Quilts thus made are to be given to Flood Relief Victims in Europe.

Cubs Hold Skating Party  
Mrs. James Hood and Doreen Jones took the Cub Pack of Brown's Corners Church on a skating party to Unionville Arena on Saturday of last week. Eleven boys were present.

Personals  
It is with regret that we have heard of the sudden illness of Mrs. James Thompson who suffered a severe stroke on Saturday of last week. We wish her a safe recovery.

Mrs. Morrison Sellers of Owen Sound spent a few days last week with her mother Mrs. Robt. Rodick. Mr. Sellers condition has improved so much that she felt able to leave him for a short time.

Mrs. Smellie of Fergus has been the guest of Mr. and Mrs. John Black recently.

Mrs. B. C. Sisler entertained at tea on Saturday of last week. A third library tea will be held in the library at Unionville on Saturday afternoon, February 22, from 3 to 5 p.m. Anyone interested in looking over the new books recently purchased will be welcome.

There was a splendid column in a Toronto daily paper on Friday of last week featuring German Mills school. Accompanying the article were some very good pictures — an excellent one of Judy Ford, and in a group we recognized Gail and Johnny Stefler, Jimmie Hord and Christine Marson.

### Alex Udema Faces Two Theft Charges

Alex Udema was arrested in Toronto on Monday afternoon by P. C. Forester, Provincial Police, and brought back to Newmarket, to face charges of theft of gasoline, and of a car on Saturday night. Sometime after 11:30 o'clock Saturday night Fred Curtis' gasoline tank on his farm was drained of 60 gallons of gasoline, and tools were stolen from his garage. About 2:30 o'clock Sunday morning Dr. John Barrie, 4th con. of King, and a near neighbor of Fred Curtis, was disturbed by a man asking for gasoline. He gave his name as Alex Udema, upon being asked for it, by Dr. Barrie, before he received the gasoline. Sometime later he returned with two cars, and was about to help himself when again discovered by Dr. Barrie. Udema raced to his parked car, with the doctor after him in his car, and a wild ride over fields and hills, through fences and hedges followed with Dr. Barrie shooting at the tires of the car ahead, until the pursued disappeared in the direction of John Dew's farm. Next day the car, a Mercury that had been stolen, was found in the Humber, and in it were Fred Curtis' tools.
