The Lions Club will entertain the Scouts, Guides, Cubs and Brownies to a "banquet" and movies some evening in March. The date will be announced later. Square Dance Club

night under the direction of Illyd Harris — Edith Geary, Catherine Gunn, Nancy Stephenson, Heather Cowie and Bernice Lothian. The church was well filled and the proceeds went to the flood victims fund. Tickets were 75c and about \$400 went to the unfortunate victims of the flood.

Mr. and Mrs. Edward Banker and Johnny spent the week-end with friends in Lakefield.

### Whitchurch Cons. Club Hold Concert

The worst storm of the winter raged outside but the Community Hall at Vandorf was filled to capacity and some of the young men stood throughout the Whitchurch Conservation Club's variety concert program on Wednesday, February 11. Arranged by Ian Reid, the artists taking part were Mr. V., a hypnotist, Marge Brenton, singing comedienne, the Keppo Acrobatic Family, Dorothy Merrill, accordionist, and Cy Leonard, ventriloquist who was also master of ceremonies.

Mr. V. called for volunteers from the audience to assist him in his demonstration. Six local people went up on the platform and were "hypnotized." It was very realistic, all appearing to be asleep, and going through strange manoeuvres at the direction of Mr. V. One man told that he was an Indian Chief, danced an Indian War Dance every time he heard his name called. Wakened from the trance not one could remember the silly things he had done.

The rest of the program was of the same calibre and the audience felt well repaid for braving the storm. A film "The Soil Revived" was of interest to the agriculturists present, showing that soil that is cropped continuously must be fed as well. It also showed the advantages of conservation, by planting trees and keeping streams and rivers clean.

Door prizes were won by Mrs. Thomas Sheridan of Newmarket; who received a wool motor rug, and Garnet Evans of Gormley, who took home a fountain pen. Members' prizes were won by Miss Lenore Starr a wool motor rug and Miss Anne Crawford, a camera.

### O. Ridges Ratepayers Discuss Constitution

The regular meeting of the Oak Ridges United Ratepayers Association held in Oak Ridges school on Tuesday night was presided over by president J. Carlo. The matter of the constitution was discussed and approval given to several changes.

E. L. McCarron who was to have spoken at the meeting was in the building but had to attend a meeting of the school board and King and Whitchurch Council to discuss additional school accommodation, so was unable to give his address. A committee was set up to arrange an evening of entertainment in the near future. Movies or square dancing was suggested but it was left to the committee to see what could be arranged.

An announcement was made that the Lions Club was taking up a collection for the Flood victims and the members were asked to assist with this collection. Captain Hawman will receive donations at the Oak Ridges Post Office.

### Prize Winners Oak Ridges Lions Euchre

The 'turn-out on Monday night to the Oak Ridges Lions Club euchre was very gratifying. Quite a number from Lake Wilcox were warmly welcomed. These euchres pay the expenses of the hockey teams sponsored by the club, and as a team has been entered in the Ontario Minor Hockey League, the expenses keep mounting.

Cars and gas are provided by the Lions and other interested friends, but still it costs \$17.00 each Saturday morning. This covers the cost of the Aurora Arena and the "sach." Between 40 and 50 boys "play" hockey each week. The boys themselves were out selling tickets for this euchre.

The Lions have stepped aside for the night of March 2 to allow the Group Committee to put on a euchre in aid of the Scouts in Oak Ridges. All these youth activities take a lot of work to finance them but everyone feels that the boys and girls are reaping the benefit.

Prize winners Monday night were: euchre, Miss Fromant 1st, Mrs. Mary Cosgrove and Mrs. Len Dion cut for second and it went to Mrs. Dion. Men's euchre, Len Dion 1st, and Mrs. Kay Weston, playing on a man's card, got second. Ladies' consolation, Mrs. Helen Clark, men's R. Ash. Cribbage prize winners were Mrs. Mel Bahen, Mr. Wiseman, Mrs. Connor and John Gallagher.

### TEMPERANCEVILLE NEWS

#### W.I.

On Wednesday, February 11, the Temperanceville W. I. chartered a bus when 29 members attended the Hobby Show held at the Coliseum. Although the many displays are too numerous to mention, some of the features were the cooking school, preview of coronation clothes, fashion show, paintings (one by Winston Churchill), sculpture, rugging, weaving, miniature ships, railways, costume jewelry, work of the blind, the pictorial life of our Queen, needlework of three Queens and many others. Although weary, the group unanimously agreed that a most profitable and pleasant day had been spent.

**Church Exposition**  
Temperanceville Sunday school enjoyed a bus trip to the United Church Exposition Saturday, February 14. Our church had the largest representation present during the afternoon. Thirty-six children and teachers took advantage of this opportunity. Some 600 assembled all together. These were divided into three groups, one group seeing the coloured film on the healing of leprosy, another hearing recordings of "Dr. Ida" and "The preacher with the plow" and the third travelling from booth to booth, each of which depicts some phase of the work done by the United Church of Canada. In the assembly hall a miniature church was on display. As its doors were opened we saw first a picture of Christ, the soul of the church, second the Bible from which God's word is taught, 3rd the collection plate on which your offering for the work of God is freely given fourth a mirror in which the individual is seen for without you and your contributions of time, talent and money, the church would have many difficulties.

**Day of Prayer**  
On Friday, February 20, all those interested are invited to attend the day of prayer held in the King United Church at 2.30 p.m. Contact those ladies with cars if transportation is needed.

The M. & M. fund had a collection of \$3.50 when a missionary story was told by Mrs. Paxton in the absence of our missionary superintendent Mrs. Albert Foliott, who had the misfortune of having a severe cold.

Temperanceville congregation was happy to see Rev. Mr. Middle feeling sufficiently better to conduct the Sunday service. It is hoped his ailment will rapidly disappear.

Our deepest sympathy is extended to James Paxton and all relatives of Mrs. Wm. Paxton who passed away on Monday, February 16.

**KING**  
Commencing Ash Wednesday, February 18, services will be held each Wednesday evening at 8 p.m. during Lent at All Saints Anglican Church, King City.
