Rain falling in torrents on Tues-

day evening of last week did noth-

ing to the spirits and enthusiasm

This was their big night of the

year and a red letter one for the

Headford Home and School Assoc-

iation. It was the annual Orator-

ical and Achievement night. There

had been elimination exercises a

few days previously under the dir-

ection of Mrs. H. Deverell, Mrs.

C. Wallace and Mrs. Acreman, for

the public speaking. At the finals,

judged by Mrs Toogood, H. Le-

Masurier and Mr. Burgess, decis-

ions were hard to make, so excell-

ent was the standard of the offer-

ings of all the entrants. It is very

ratifying to the Home and School

Association to note the improve-

ment over last year, and especially

as compared with the first of these

of the children of Headford School.

# EDUCATION NEWS FROM SCHOOL AREA No. 1 - VAUGHAN

Whose Job Is Education?

How often we attack our school | said: "Train up a child in the way with a verbal barrage, pointing out he should go: and when he is old the many ways in which it fails to he will not depart from it." educate our children. Possibly education to some sim-

ply means "readin', 'ritin' an' 'rithmetic," yet in a broad sense isn't it the difference between Existing and Living? The three main streams of in-

of the original supply. The modern school, using many ing will prove of value to all. methods, does supply a valuable training for the children, and yet

this alone cannot produce a balanced growth of personality. Sadly, to more than half our Canadian youth, the Church has no direct influence and thus many have little or no restriction on personal conduct or walk, except that

seen in others. Possibly, too, there has been a satisfied feeling that provision for the needs of the body (food and clothing), and for the intellect (formal education) is enough; but there still remains that need for the personal interest and control

of the Home. Wise parents help this healthy personality building by encouragtesy and health cannot be culti-

vated too soon. advice of Solomon of old, who
