## CONCORD NEWS

CORRESPONDENT: Mrs. Raymond Stuart, R. R. 1, Maple  
Telephone Maple 110R3

There was a large congregation  
in attendance on Family Sunday,  
March 8 in Fisherville United  
Church. This was a combined  
service of the Sunday School and  
the Church. Mr. Bruce Jennings,  
assisted by Miss Anne Snider,  
conducted the worship service.

The special music included an  
anthem by the Sunday School and  
a sacred number by the Newton-  
brook, United Church Male Quar-  
tette.  
Rev. Ernest Clark of Thornhill  
occupied the pulpit and Ralph  
Eves of Timothy Eaton Memorial  
Church presented an illustrated  
Bible story of "The Prodigal Son."  
Services are held each Sunday  
at 2:30 p.m. to which everyone is  
cordially invited. Sunday School  
is at 1:30 p.m.

His many friends are very pleas-  
ed to hear that Rev. George Kelly,  
minister of Fisherville United  
Church has returned to his home  
from the hospital and is con-  
valescing satisfactorily.

**Personal**  
Mr. and Mrs. Bert Henderson  
of Corbett spent the week with  
their son and daughter-in-law,  
Mr. and Mrs. Bolen Henderson.  
On Sunday, Mr. and Mrs. Bolen  
Henderson accompanied their par-  
ents back to Corbett.  
Mr. and Mrs. John Bay and son  
Andrew of Toronto spent Sunday  
with their parents, Mr and Mrs.  
Richard Bay and with Mr. and  
Mrs. Chas. Witney and family.

**Birthday Greetings**  
Happy birthday wishes are ex-  
tended this week to Hugh Lilley  
and John Sherman, March 16;  
Patsy Sherman and Bobby Jones,  
March 17 and Doug Keffer, March  
19.

It is nice to see Mrs. Ross Wat-  
son out again and nicely recover-  
ed after an attack of "flu."  
Mrs. Wm. Wilson has also been  
ill and her friends hope she will  
be better soon.

**W.A. Meeting**  
The March meeting of the Fish-  
erville W.A. was held at the home  
of Mrs. Walsh, Fraserdale Place.  
Mrs. Conway read the Scripture  
and Mrs. Wait conducted the de-  
votional service.

Mrs. Clauson displayed a num-  
ber of cosmetics and demon-  
strated the correct way to use the  
beauty preparations.  
A very pleasant social half-hour  
was enjoyed while tea was being  
served by the hostess at the close  
of the meeting.

The next meeting will be held  
at the home of Mrs. Passer.  
**Radio Show Winner**  
When Mrs. Tucker and Miss  
Norma Poole of Concord patron-  
ized a popular mid-town Toronto  
restaurant on Saturday morning,

**Richmond Hill  
Women's Institute**  
Richmond Hill Women's Insti-  
tute met on Thursday, March 12,  
in the Presbyterian Church base-  
ment. The roll call was answered  
with "A Household Hint". Many  
useful hints were given but the one  
that seemed of greatest value to  
busy housewives was "a handy  
grandmother."

Mrs. W. Sayers reported on the  
District Executive meeting. The  
District Annual will be held on  
May 14 in Richmond Hill. August  
21 is to be Canada Day at the A.C.  
W.W. Convention to be held in Tor-  
onto in August. Canada Day will  
be a Monster Rally in Maple Leaf  
Gardens with a pageant showing  
Canada's History and growth. Each  
Institute is to receive a limited  
number of tickets.

Mrs. H. MacKay read a humor-  
ous poem on St. Patrick's birthday.  
Mrs. C. Harding gave much pleas-  
ure with her rendition of "The  
Hills of Donegal" and the ever fa-  
vorite "Daddy Boy". Mrs. van den  
Hoek, teacher of home economics  
in R.H.D.H.S., was guest speaker.  
She said she was happy to speak  
to Women's Institute members be-  
cause they were a sympathetic  
group toward Home Economics.  
The foundation for the course  
starts in Grade V in Public School  
and continues until Grade IX. It  
was originally designed so that  
those girls who did not do so well  
academically could still receive  
valuable lessons to help them in  
later years. It has as its aim not  
only helping a girl to adjust her-  
self to school situations but to pre-  
pare her for use in the commu-  
nity and home life. The program is  
elastic and tries to meet the needs  
of the students and help them meet  
real life situations.

Cooking is now taught in family  
amounts and with the idea of mak-  
ing the student conscious not only  
of nutrition but of costs and how  
the dollar is spent. In clothing they  
get a knowledge of textiles from  
fibre through to fabric. The idea in  
teaching sewing is not to run up  
a garment quickly but rather the  
perfecting of techniques and skills  
needed to produce a good looking,  
well fitted article of clothing.

Child care of infants and pre-  
school age children, manners and  
department, use and care of equip-  
ment are also taught. In short, the  
idea behind the course is to help  
the girls make their homes more  
attractive so they will spend more  
time there, resulting in good, hap-  
py Canadian homes. Mrs. C. Har-  
ding thanked Mrs. van den Hoek  
on behalf of the Women's Insti-  
tute.

Nomination blanks were handed  
out to members. These will be  
mailed to those not present. Mrs.  
N. Gloss, convener of the nomi-  
nating committee, asked that these  
be returned to her by March 21.

Mrs. C. Clarke, Mrs. R. Cooper,  
Mrs. A. L. Phipps and Mrs. D. Co-  
oper were hostesses for the social  
half-hour.

It's much easier and cheaper to  
telephone Turner 4-1261 and in-  
sert a notice in the "Coming Ev-  
ents" column than it is to address  
and stamp a lot of envelopes. Try  
it.

Miss Poole was chosen from  
among the guests to appear as  
part of an impromptu program  
which was being aired over radio  
station CHUM.  
For having entered into the en-  
tertaining so enthusiastically,  
Miss Poole received a silhouette  
slip, a gramophone record, a  
pound of coffee, a combination  
shoulder bag-thermos bottle and a  
jar of creme shampoo.

**Birthday Party**  
The home of Mr. and Mrs.  
Oman Bowes was the scene of a  
delightful party on Saturday eve-  
ning, March 14, when 50 friends  
honoured their daughter, Miss  
Lillian Bowes on the occasion of  
her birthday.  
As Mr. and Mrs. Bowes are hol-  
idaying in Florida at the present  
time, Mrs. Bowes' sister, Mrs.  
Wright and Miss Doris Bowes, acted  
as hostesses.  
During the evening Miss Shir-  
ley Bateman and Mr. William Os-  
ter together with Miss Lillian  
Bowes and Mr. Kenneth Poole an-  
nounced their engagements.

To these two young couples, we  
extend heartfelt congratulations.  
**Jolly 7 Club**  
Mrs. Howard Lund entertained  
the members of the Jolly 7 Club  
in her home on Wednesday eve-  
ning, March 11. Each member an-  
swered the roll call by giving a  
hint on spring housecleaning.  
Mrs. James Spencer's paper en-  
titled "Your Baby Sitter" provid-  
ed considerable food for thought.  
The ladies spent some time  
working on their quilt top before  
lunch was served. As the ladies  
were enjoying their refreshments,  
Mrs. Ray Snider discovered that  
she held the lucky cup and Mrs.  
Roy Thompson had the lucky  
saucer. Both ladies received  
prizes.

The next meeting will be held  
at the home of Mrs. Lloyd Thomp-  
son on March 25.  
**Luther League**  
At the Sunday, March 8, meet-  
ing of the Luther League, Jean  
and Ralph Keffer and John Ash  
enacted a scene from a play writ-  
ten in the Lenten theme.  
Miss Pat Knowles read the  
Scripture.

Both are Delicious!

## INDEXES SHOW IMPLEMENT PRICES AT LOW LEVEL OF INCREASE

That implement prices have been kept at a low level is clearly shown by the comparison of Dominion Bureau of Statistics index figures, which give an increase in "all commodities" since 1941 of 82.3% as against an increase in a comparable index for Massey-Harris implements of only 66.5%. This low percentage of increase, too, is shown in the face of an increase in the index figure for materials of 93.9% and of Massey-Harris hourly rates of pay of 165% as can be seen by referring to the chart shown above.

Also, the indexes show that while farm implements have only increased 66.5% there has been an increase in the price of farm products of 93.8% and the scarcity of farm labour has caused farm wage rates to climb to 175.3%. The partial absorption of the increased costs of materials and labour has been made possible by the continued great world demand for farm mechanization giving a volume that permits a low ratio of selling expenses and high operating efficiency in manufacturing.
