**Oak Ridges H & S Balance Year
 With Over A \$100 In Treasury**

Oak Ridges Home and School Association held its regular meeting on Tuesday, March 24, at the school, with the President, W. Musson, presiding. The financial report, read by Mrs. J. D. Smith, treasurer, showed a balance of over \$100, after all bills were paid and \$26.13 donated to the Flood Relief Fund, and \$100, given to the principal to purchase books for the school library.

The president announced that a nominating committee was at work and forms would be mailed to the 65 paid-up members, who are requested to have them returned by April 15.

Mrs. S. Acheson's class won the award of \$3.00 for having the largest number of parents present and the special \$2.00 award for having the most fathers out for this fathers' night program.

It had been decided at a previous meeting to have two teachers speak to the parents at each Home and School meeting, about different problems affecting the child at school. Mrs. S. Acheson spoke on the number drills, used in grade five, to help the boys and girls learn the basic rules for adding, subtracting, and multiplying. Miss O'Neill explained a trip to China taken by a recent class during a social study lesson. The board was decorated with art work done by the class after this trip to China, and illustrated the ideas of the children of life in China which they had gathered during the travels by picture and story.

Thanking the teachers, Principal Lothian, who had prepared the program for Fathers night, said that the parents would understand better the work of the teachers in the school when this series of talks was concluded. A song led by Mr. Lothian, with Mr. Grills at the piano, followed.

George DeWitt was present and showed two films, one being "Teaching Johnny to Play Fair." The second film, produced and shown through the courtesy of the Royal Dutch Airlines, took the audience in technicolor on a tour by air of the European Continent, touching all the important air fields and visiting places of interest in the various countries.

Mrs. Robt. Ash and her committee served refreshments. Mrs. Richard Bull, wife of a member of the board at Oak Ridges, poured tea.
