the spring exams. It has now been decided to choose a date, so that the public speaking contest may be one of the first of the autumn activities. The latest plans of the A.Y.P.A. under their president, Bruce McInnes, is to arrange for a Maypole Twirl, on May 1. This will be followed by the building of a badminton lawn and organizing a soft-ball team to take care of the summer sport. The money made at the Maypole Twirl will be added to a fund that is being set aside for the purchase of table tennis tables.

Sister Ill
 Rev. D. C. H. Michell received news of the serious illness of his eldest sister last Thursday afternoon. On Sunday afternoon he left by plane for her home in Hayward, California. Mr. Michell will be absent for a month, or longer, if necessary. On Sunday evening the service at All Saints' Church was taken by Mr. Gordon Tetley, with the sermon preached by Cadet Terence Frith. At St. Stephen's Church, Maple, Capt. Ray Taylor of the Church Army, took the service.

Library Board
 The members of the King City Library Board came to the conclusion that the proposed site for a community centre with library included on Patton St. is too far from the main thoroughfare of the village to be of value for a library. As members of the group which composes the King Community Association that was formed last year to encourage the building of a community centre, the Library Board will advise the KCA of the decision. At the quarterly business meeting held on April 2, at the home of the chairman, Mrs. James Rock it was also decided that a drive for membership must be held during this year. It was also decided that children would not be fined when they return overdue books.

Personals
 Mr. and Mrs. W. F. R. Hood motored to Baltimore on Thursday, to spend the long holiday weekend with Dr. and Mrs. David Lewis. Mrs. Phyllis Emmett, Montreal, spent the Easter holidays with her little granddaughters, Virginia and Adrian Hood at their home in King City.

On Thursday evening, Miss Patsy Burgess arrived from Toronto, to spend the Easter holidays with Mr. and Mrs. Frank Morrison. She returned to the city Sunday night. Mrs. William Morrison received news on Sunday that her brother, William Smith, had passed away, at his home near Guelph. Mr. and Mrs. Frank Morrison attended the funeral of their uncle, on Tuesday afternoon.

The A.Y.P.A. of All Saints' Anglican Church have had to postpone their public speaking contest that they had hoped to hold before the Easter holidays. They discovered that many of the teen-agers who would have liked to enter the competition were too busy with school work to participate before

APRIL WINDS
 April's wild winds are often the cause of cinders and foreign bodies blowing into the eyes. When this happens it is not advisable to rub the eye. Wipe the lower lid carefully, then, pulling out the upper lid by the lashes, bring it down over the lower lashes which may act as a brush to sweep away the cinder. If this does not work or if tears do not wash the object out, it is best to consult the nearest doctor. It is never safe to allow an untrained person to tamper with the eye since probing or rubbing may cause the object to become embedded in the eye or scratch the eyeball, with ensuing pain and infection.
