Demonstration at O.E.A.

On Tuesday morning, April 7, the Senior room pupils and a number of scholars from the intermediate grades at Concord School, were all excited as they boarded a bus and were taken to Hart House, Toronto, to take part in a Physical Education demonstration before members of the teaching profession at the annual Convention of the Ontario Educational Association held in Toronto during the Easter recess.

After they had completed their demonstration, the children were taken to the docks to see the boats. This proved to be an interesting experience for a number of children as they had never before seen the lake boats.

After they had eaten their lunches and played a game of ball on a grassy stretch, they all boarded the bus again and were taken to the Royal Ontario Museum to spend the afternoon.

It was indeed a memorable day and an honor to the teachers and the pupils to have been invited to participate in the demonstration.

Recent guests of Mr. and Mrs. Ralph Bolster, King High Drive, were the latter's parents, Mr. and Mrs. H. A. Machum, also an aunt and uncle, Mr. and Mrs. Alfred Machum, all from New Brunswick. They were en route home from a trip to Florida.
