Attends Convention
 Mr. and Mrs. James Coghlin, representing the Charles Howitt Home and School Association attended the banquet of the Ontario Federation of Home and School Associations at the Royal York Hotel, April 8, which was held at the conclusion of the Convention.

An excellent programme was offered. Over 1000 delegates from all parts of Ontario attended. Guest speaker was Dr. Ralph Turner, Professor of History at Yale University, who is the author of "The Great Cultural Tradition."

He spoke of his travels in the towns and cities of India and China and of the progress being made there. Reference was made to the fact that Home and School Associations are assisting in providing supplies for schools in Mysore, India, which illustrates the point that the aims of Home and School Associations embrace not only the interests of our own children but of children throughout the world.

In the investiture ceremony Bobby Poole was invested as a Patrol Leader and Bruce Ince as a Tenderfoot Scout. Gray Stamp has passed his Tenderfoot Test.

To give the parents an idea of the games which bring out qualities of sportsmanship and observation, exhibitions of Scouting games were put on by the boys.

First Class badges were presented to Donny Robson and Ross Wood, Second Class badges to Bill Bailey, Robby Martin, Winston Smith and Bruce Ince. Among the

Proficiency badges that of Garden-er and also the Pathfinder's badge were presented to Ross Wood, and Donny Robson received his Athlete's badge.
