Tupperware Party

The Jefferson School Community Club is holding a Tupperware Party tomorrow night, Friday, April 17, at 8 o'clock in Jefferson School.

The Club is very fortunate in having as guest artists the very gifted violinist, Bernard Byfield, of Bond Lake, associated with the Symphony Orchestra, Aurora, and Don Leno, a member of our own community, who will accompany Mr. Byfield on the piano.

The latest gift the Community Club has made to the school will be on display for inspection.

Thanks to the various members of the committees, who have organized and planned countless money-making events, and to which everyone in the community has contributed nobly, the school children will now have the advantages which a piano affords.

Following the musical part of the programme, Mrs. McIntosh of Toronto, will give a demonstration on Tupperware.

There is no admission charge and no one is under any obligation to buy. Refreshments will be served at the close of the evening.

Last Friday evening there was a good turnout at the school, when several new names were nominated in the election of officers for the Jefferson Community Club, for 1953-54.

The new executive is as follows: Past President, Bill Hall; President, Jack Barry; vice-president, Carson Whalen; secretary, Mrs. Jack Hall; treasurer, Mrs. E. A. Terry; social convener, Mrs. R. R. Threlfall and Mrs. Stan Leno; publicity, Mrs. H. G. Robertson. Bill Hall presented the piano which the Community Club has just purchased for the use of the school. Dickson Miller accepted this useful and decorative gift on behalf of the school and thanked the Club for its kindness.

During the square-dancing Stan Leno played the "fiddle" while Mrs. Leno accompanied him at the piano and everyone was most enthusiastic about the "live" music.

The Box Social was another successful part of the evening, in more ways than one, as the men bid for the decorated boxes offered by auctioneers, Fred Chevis and Stan Leno. The ladies of the committee served hot tea and coffee and everyone present had a most enjoyable evening.

Mrs. Ed. Gamble was the lucky lady when door prizes were drawn at the close of the party and Carson Whalen was winner of the men's prize.

Mrs. Colin H. Crawford was hostess last week at a miscellaneous shower in honor of Rosemary
