

Toronto Trumpet Band To Lead Scout Parade

On Sunday, May 24, more than 1000 Scouts and Cubs from troops and packs in York Central District will hold a Church Parade and Open Air Service in Unionville, at 2:30 p.m. This Church Parade promises to be the largest ever held in this area. One of Toronto's largest and smartest bands, the Trumpet Band of the Second Signal Regiment, will lead the Parade. This splendid organization has played all over the country and has appeared at the Gardens in New York City. The staging area for the Parade proper is at East Drive on the south edge of Unionville and the route of the Parade will be from East Drive through Unionville to Crosby Park, where the services are to be held. These services will be conducted by Major

The Reverend R. F. Sneyd, The Reverend E. Fischer, The Rev. W. S. Butt and the Rev. F. Bourne. After the services the Scouts and Cubs, led by the Trumpet Band of the Second Signal Regiment, will march past the reviewing stand and proceed north to the school grounds where the Parade will break up. Mr. Frank Worth, District Commissioner for York Central, Mrs. Terry Jackson, Assistant District Commissioner for Cubs, York Central, Mr. Dick Edmunds, District Commissioner of Scouts for South Simcoe, and Mr. Art Davis, Assistant District Commissioner for South Central, will be among those on the reviewing stand. Markham Township Council has been notified to send a representative to join this group.

Interest in this Parade is wide-spread, not only because one of Canada's fine military bands will be on hand, but because approximately 1000 Scouts and Cubs have indicated their intention of participating in the Parade. The following will be represented:  
 1st Lansing "C"  
 3rd Lansing  
 4th Lansing  
 1st Newtonbrook "A"

LANGSTAFF NEWS

CORRESPONDENT: MRS. A. T. MATHEWS  
 Phone Avenue 5-1455

**Jr. W. I.**  
 The regular monthly meeting of the Langstaff Junior W. I. was held Wednesday, May 13, at the home of Miss Fern Boyes, Garden Avenue. The president, Mrs. John Morris presided. The meeting opened with the singing of the Ode and the Mary Stewart Collect. Seventeen members answered the roll call. "Naming a spring flower". The treasurer reported a bank balance of \$224.27. Mrs. Dolson of Newtonbrook was guest speaker and gave a very interesting talk on "Flowers for the Young Homemaker," explaining how to grow African Violets from a leaf, growing begonias and geraniums from cuttings, raising cacti and vines for wall vases. At the close of her interesting talk a lucky draw was held, about 14 of the girls winning plants and African violet slips. Refreshments served by the committee brought a very pleasant evening to a close.

**Attend Annual Meeting**  
 Members of Mark-Vaun W.I. who attended the District Annual meeting of the 19 East York Branches held in the Lions Hall, Richmond Hill, on Thursday, May 14, were Mesdames Scott, Mathews, Kirby, Vanhorn, Brody, Hamblin and Morrison. Mrs. F. Stotts of Mark-Vaun W.I. was elected for a second term as Community Activities and Public Relations convenor for the coming year in the District of East York.

**Ratepayers**  
 The monthly meeting of the Langstaff Ratepayers Association which was to have been held in the school on Wednesday, May 13, was postponed for lack of a quorum. The few members present held a very interesting discussion on the ward system under consideration by Markham Township. Mr. Evans had much interesting information on the special council meeting for the ward system which he attended the previous Monday. Members are asked to make a special effort to attend the next meeting, the date and details to be announced later.

**Off To The Coronation**  
 Mr. and Mrs. W. Thompson, of Morgan Park Ave., who left on Monday, May 19, to attend coronation celebrations in London, entertained on Sunday at their home, guests included Mr. and Mrs. Ralph Bryant and daughter Christine and Mr. and Mrs. Robert Hamblin. Arriving in New York Monday evening, Mr. and Mrs. Thompson stayed overnight at the Taft Hotel. They sailed Tuesday, May 20, on the Queen Elizabeth for Southampton. Mr. and Mrs. Thompson expect to stay in London a week and will view the coronation procession from seats in Hyde Park, after the coronation they will spend several weeks touring England and visiting relatives. Mrs. Thompson will visit her sister whom she has not seen for 26 years and Mr. Thompson's sister whom he has not seen for 35 years.

**Children On Tour**  
 A treat was in store for the pupils of Grades 7 and 8, of Langstaff School on Thursday, May 14. Boarding a bus at the school at 8 a.m., 33 children, accompanied by Mr. Everist and Miss Fletcher, drove to Orillia, staying for a short time at Champlain's Monument, from there they went to the Shrine at Midland, and after viewing the sights had lunch, after which they drove to the re-forestation centre at Midhurst where the children saw deer, pheasants, and other animals and birds kept there. The bus arrived back in Langstaff about 5:30 with 33 tired but happy children, all of whom expressed great pleasure.

Mrs. Mary Holmes, Langstaff Rd. West, spent the holiday week- end with Mrs. W. Duxbury at her home in Weston.

**Fishing Trip**  
 The first fishing trip of the season for Alec Tone, No. 7 Highway proved very successful, on Sunday last. After a day on Lake Simcoe near the Dominion Fishing Club at Oro Station his catch was two lake trout, one weighing 8 pounds and one 6 pounds. Mr. and Mrs. R. Suter and Mr. and Mrs. M. Holt spent Sunday at Rosedale near Fenelon Falls.

**Home and School**  
 The regular monthly meeting of the Langstaff Home and School Association was held in the school on Tuesday, May 12. The president, Mrs. Thirgood presided. The guest speaker, M. Roy, school trustee, spoke about the new 7 room addition to the school, explaining the construction which will be of concrete slabs with fibre glass insulation. Floors in offices and classrooms will be asbestos tile, heat will be supplied by radiant heating and lighting will be the fluorescent type. Work on the addition is expected to begin shortly, and hopes are that it will be completed by the time school re-opens in September. The following officers for the coming year were elected and installed by Mrs. H. LeMasurier, the president of the York-Simcoe Council—President, Mrs. Heather Morrison; vice presidents, Mrs. Elsie Kajola and Mrs. Lockhart; treasurer, Mrs. Woodcock; recording secretary, Mrs. Evans; corresponding secretary, Mrs. Kent; executive committee, Mrs. Thirgood, Mrs. Mathews, Mrs. Holmes, Mrs. Turnpenny, Mrs. Charles and Mr. Everist as teachers' representative.

**Student Hooks Trout**  
 Mr. H. LeMasurier proposed a vote of thanks to Mrs. Thirgood, the retiring president. The meeting closed with refreshments served by Mrs. Garner and her committee.  
 Mr. and Mrs. J. Patterson, No. 7 Highway spent the holiday weekend with Mr. and Mrs. Houle at their home in Brockville.

Albert Townsend, student at the Richmond Hill District High School, whose home is at 20A Yonge St., was thrilled on Sunday when he caught a speckled trout weighing almost 3 pounds, near the summer cottage of Mr. and Mrs. Millard of 20A Yonge St. at Elliot Falls near Norland.

How many products do we get from crude oil?

From eggs, a hen can expect just one product—chicks. But from crude oil, Imperial refines 679 different products, ranging from weed killers to heavy asphalts. And that is not all—crude oil also supplies petroleum gases and other raw materials for plastics and synthetic rubber.

Oil plays a large and growing part in our everyday living. How many of these questions about it can you answer?

Oil supplies are vital to defence. The gasoline required to move one armoured division 100 miles would run your car for

10 years? 95 years? 350 years?

The average family car could be operated for 350 years on the gasoline needed to move an armoured division 100 miles.

The average weekly pay cheque of Canadians in 1939 would buy 84 gallons of gasoline. How many gallons will today's cheque buy

79? 135? 93?

Even though gasoline road taxes are higher in all provinces, today's average pay cheque will buy 135 gallons.

Scientists believe oil was formed from the remains of tiny sea creatures which lived millions of years ago. Would you say oil is found in

rock? pools? swamps?

Oil is usually found far underground in the tiny pores of rock such as limestone or sandstone. The word petroleum is derived from the Latin "petra" and "oleum"—rock oil.

How much will the oil industry spend each week this year to find and develop oil fields in western Canada

\$2 1/4 millions? \$6 millions? \$12 millions?

The industry is expected to spend \$300 millions on exploration and development this year—about \$6 millions a week.

It takes many millions of dollars in plant and equipment to provide high-quality oil products when and where you need them. How much does this amount to per Imperial employee

\$3,856? \$16,597? \$30,715?

Imperial's investment in plant and equipment is \$30,715 for each of its 13,500 employees, and it is still rising.
