RICHVALE NEWS

CORRESPONDENT: MRS. J. J. TAYLOR Telephone TU. 4-2269

Some forty pupils in Grades 6, 7 and 8 from the Charles Howitt School went by chartered bus on a twelve hour sight-seeing tour to Niagara Falls on Wednesday.

Their first stop was at the beautiful Hamilton Rock Garden. From there they went on to the site of the Battle of Stoney Creek, 1813. At the Welland Canal they paused to watch two big ocean-going ships go through the locks; one was from France, the other from Hamburg, Germany.

At the Falls they watched the mighty torrents of water, and admired the flowers. One special arrangement was the Hydro clock with the hours and minutes marked with real flowers.

At Fort George they spent two hours, and were accompanied by a guide who explained the historical importance of the interesting relics which have been preserved.

Brook's monument, at Queenston, proved to be a challenge to the children and they climbed the 245 steps of the confining spiral stairway to the top.

It was a great day for the children and the teachers and chaperones all enjoyed the trip.

After individual programs in their rooms where the love of country and the Commonwealth was stressed, the pupils, in their Empire Day observances, gathered outside for a prayer and songs. A Scout and a Girl Guide, in uniform, held up the Union Jack during the ceremony. At the conclusion Mr. David Smith, co-ordinating Principal of School Area No. 1 of Markham and Vaughan, presented trophies to Gordon Coghill for the Senior Champion and best all-

round Athlete, and to Donny Anderson for the Intermediate Championship.

The Charles Howitt versus Richvale ball game was decisive in more ways than one on Tuesday of last week. Two players on the Richvale team, third baseman John White and left fielder Clayton Thompson collided while racing for a ball, and John fell on a bent left arm and broke it. Clayton got up and continued to play while John was rushed to Dr. Cowan's office. His arm will be in the cast for at least six weeks.

Lyn Clarke celebrated her 8th birthday on May 8, with a few of her little friends, Lorraine and Sandra Phillips, Jacqueline Sparrow, Patsy and Gail Hanson and Willa Dair and Bobby Clarke.

Sharon Facer was six years old last week and Diane Elsey, Joanne Taylor, Harold Hartford, Linda and Sharon Jellicoe, Colleen Bradshaw, Bobby Robson, Vicie Facer and Eleanor Gottschalk attended the celebration. Aunt Mary Robson and Mrs. Gottschalk were on hand for the games too.

The Lone Hand Euchre Club finished its 19th season with a dinner at the home of Mrs. Whitehead. A presentation was made to Mrs. M. F. Fenner, one of the first members of the group, who is leaving the community shortly. The remainder of the evening was spent at the home of Mrs. George Allison and each of the members received a gift.

Deepest sympathy is extended to Mrs. Frank Hill and family, whose father, Mr. Marks, passed away on Thursday evening after a brief illness.
