Drury Ave., who observed their 3rd Wedding Anniversary on Wednesday, May 13.

Happy Birthday
The month of May is certainly a popular month for birthdays in this section. John Bradley on May 23, Candy Biggs on May 25, Beverly Sibbick, Florence Sanders, May 27, and Sandra Smith, Steeles Ave., will be three on the 27th also. Mr. R. Fisher also celebrated at the home of Mrs. Fisher's mother on Saturday, May 16.

Highland Park Assn.
On Monday, May 18, the community again enjoyed a big night of fireworks at the Gamble farm property when everyone was thrilled, young and old alike, to see the spectacular display put on under the auspices of Highland Park Association. Although all in the community contribute financially, a great deal more is needed than money to make it a success, and many thanks go to all who spent their time and efforts collecting the money, setting up the display and attending to all the details to make it so successful. People everywhere in the neighborhood gathered to enjoy this annual event. The youngsters received sparklers and balloons as a start and everything else went off accordingly with a "Bang." It was enjoyed by all who gathered at the spot or who watched from their porches.

Home & School
On Monday, May 25, we hope all in the community will come out and end the Powell Rd. Home and School season with a night of fun at Henderson school auditorium when square and modern dancing will be enjoyed. It won't start till 9 p.m. so you can work in the garden and then come along to the hoe-down. Refreshments will be served and everyone is welcome, old and young alike. Silver collection will be taken to defray expenses. Two sets of experienced callers and directors will be on hand to show beginners the ropes of old time dancing so don't figure you don't know how to join in, we'll show you.

Baseball
We are pleased to see Powell Road baseball teams are in there trying and keep up the good work.

Highland Park boys club opens its baseball season officially Wednesday, May 20, and games will be each succeeding Wednesday. The schedule was printed on the Sports Page two weeks ago. Try to support the boys. They played an exhibition game on Wednesday, May 13, at Langstaff and the game ended with a tied score.

We all wish a speedy recovery to little Donny Jackson who is ill. Mrs. Harold Newens is convalescing at the home of her mother, Mrs. G. Barlow, on Doncrest Road, after her recent operations.

Correction
Mr. Alex Morrison played in "The Torch Bearer" with Harold Gribble. We are sorry for this mistake in names last week.

Mrs. Wicksey and family visited at the home of Mr. and Mrs. J. Gribble to celebrate several birthdays in the family.

Congratulations
Congratulations to Alvin Thompson in winning 1st in the tractor driving in the age group 12 to 14 at Richmond Hill.

Home & School
The regular meeting of the Thornlea Home and School Association was held on May 13, Mrs. Jackson was in the chair, owing to the absence of the president, Mrs. Gage, and vice president, Mrs. Curtis. Reports from conveners, Mrs. Caesar and Mrs. Frazer were given on the year's activity. Mr. Frazer discussed financial affairs for the year and it was decided to spend all funds for a picnic in June for Thornlea past and present students.

Mrs. McLelland, the principal speaker of the evening was introduced by Mrs. Elsie Taylor. Mrs. McLelland gave us a very clear picture on what Home and School programs should be in order to interest all parents. "For," said she, "Every parent should be interested in being a good parent and the whole effort of the Home and School should be directed to parents for this end and to weld a bond between H & S - school and trustees." Mrs. McLelland told us about a meeting in Michigan where delegates came from 29 different countries to talk over conditions and child care and a program to aid all children, the world over. Every child has a right to a free life and good parents.

Mr. McLelland spoke for a few minutes to add his appeal to his wife's for the continuance of a H. & S. group in Thornlea. He told us about some new Canadians, how to be a good trustee and something of their problems. "Education should be the first consideration in community services," said Mr. McLelland.

Both speakers were thanked by Mr. Martindale in a few well-chosen words.

CROW CONTROL during the spring provides hunting thrills for this lad, as well as being a good protective measure for the more useful forms of wildlife. During the off-season, more and more experienced hunters, too, find that shooting gophers, groundhogs, magpies and other pests as well as the wily crow helps to keep their eye "sharp" for the fall hunting season.
