Museum Train

King City was the busiest village in Canada on Saturday morning, when the Museum Train of the C.N.R. made its trip to Aurora, and paused at the King Station for two hours en route. Several hundred persons from the surrounding district came to the station to see the train, and everyone seemed to be taking snapshots of the engine, the crew, and the girls who came along to give the proper atmosphere of 100 years ago, and of the celebrities who left with the train on its last few miles to Aurora. When the new diesel engine from Toronto, arrived with Premier Leslie M. Frost, S. F. Dingle, operating vice-president of the C.N.R., and other officials, and a staff of conductors complete with sideburns and beards, and a group of passengers dressed in old-fashioned style, a cheer went up from the spectators. Then when the Premier, dressed in overalls, cap and goggles, and carrying an oil can, began to service the engine before taking over the throttle of engine 674, cameras clicked again. Then off went the gay little train for its celebration in Aurora. At every crossing crowds waited to cheer the train on its way. In Aurora 1,000 people went aboard to see the souvenirs of 100 years of railroading on this line. On Sunday afternoon, Miss Susanne Grew, as Miss King, was one of the three hostesses, who attracted much admiration as they walked about the platform in their crinolines and bonnets.

Dana Porter and Dr. W. E. Blatz.

Tells Good Work of Dr. Pinkerton

The Bishop of Athabaska told a story of the good work of Dr. Pinkerton, who since he left King City several years ago, has been actively engaged in the work of the Anglican Church, when the Bishop addressed the General Session on Wednesday, May 6, at the annual meeting of the W.A. held in Toronto. Mrs. Raymond Burt gave a report of the meetings which she attended as the only Life Member from All Saints Church, at the regular monthly meeting, which was held at the home of Mrs. F. Monson, on Thursday afternoon. The annual plan and home baking sale was discussed. This year the sale will be held in the church grounds on the evening of Friday, May 22, and vegetables including tomatoes, peppers, onions, cabbage, cauliflowers and flower plants, including pansies, petunias, snapdragons, marigolds, asters, and zinnias, will be sold in boxes. There will be a sale of home baked goods in the Parish room under the charge of Mrs. F. Gambrell, Mrs. H. Cunningham and Mrs. W. Hiltz, at the same time.

Laskay W.I.

Mrs. Norman Etheridge was hostess to the members of Laskay W.I. when they met at her home on Tuesday afternoon, May 12. The convener of the meeting was Miss Winifred Boys, who is head of the committee on Home Economics and Health. Miss Boys had arranged a tray of foods, and had labelled them with their vitamin content, and she told their value in diet. Miss Jean McMurchy read from a magazine article, "If you want to Stay Healthy", some of the superstitions about foods that have become very amusing. A donation was voted to help the Canadian National Institute of the Blind. Plans for the next meeting, which may take the form of a bus trip to Niagara Falls, were discussed.

King City W.I.

The King City W.I. has planned to buy flags for the three schools of Eversley, Kinghorn and King City, and they will present them before Coronation Day. This was the unanimous decision of the members, at the meeting which was held in the United Church rooms, on Tuesday evening, May 12. A letter was read from those in charge of the A.C.W.W. convention, which is to be an important event in Toronto, during August. The conveners of Canada Day, which will be one of the main events during the convention, are asking for costumes to be used in the Canada Day pageant. They are asking for national and old-fashioned costumes, and consider garments worn during 1929 old-fashioned outfits up to that date. They would like hats, shoes, bonnets, shawls and accessories of all kinds, as well as old-fashioned house furnishings.

Delegates to the District Annual which will be held in Schomberg on May 27, will be Mrs. Stanley Hunter, Mrs. Archie Campbell, Mrs. T. L. Williams, Mrs. Gordon Wells and Mrs. H. Neall. To help the Salvation Army Red Shield Drive, Mrs. A. Jarvis, Mrs. Austen Rumble and Miss Jessie Gellately were appointed, and volunteers were invited to assist in full coverage of the village for this campaign. The campaign began on May 4 and continues until May 24. The report of the Trend Tea held at the home of Mrs. C. Summerfeldt, is now \$233, collected for the Canadian Cancer Society. Mrs. James Rock, who attended the conference of the Federated Women's Institute at Guelph this month, gave a splendid report of the event, which had a registration of 1,505 members from Ontario. Home Economics and Health were the topics under discussion, and such speakers as Dr. W. E. Blatz, Dr. Phillips, Miss Anna P. Lewis, Hon. Dana Porter, and Dr. Elizabeth Chant Robertson, were on the program of this 5th conference. It was announced that the prizes for the W.I. quilts had been won by the Villa Nova, South Tarentorus and Agincourt branches.

Laskay and Temperanceville members had been invited to this meeting, and a good representation from both Institutes were present. Mrs. Fred Boys sang "The Sunshine of Your Smile", with Mrs. Hare playing the accompaniment. Mrs. N. Etheridge conducted an interesting Quiz on the Flag, and a contest concerned with flower names was won by Mrs. Gamble. Refreshments were served at the close of this very pleasant meeting.

On Sunday next, May 24, the senior children of All Saints Anglican Sunday School are paying a visit to the Cathedral in Toronto where a great rally of Sunday School children from all over the city is being held in connection with the 150th anniversary of the founding of the Cathedral Church and Parish.
