

Nothing Like the GEHL
FORAGE HARVESTER
 for fast, clean, uniform chopping

That's what thousands of Gehl owners say... and this better chopping ability is inherited from Gehl Hay-Cutter Silo Fillers, famous for more than 50 years. The Gehl saves men, toil and sweat. With Hay Pickup Attachment, it sweeps up dry hay, straw, or grass for silage from the windrow, chops and blows it into wagon at 1 1/2 to 3 acres per hour. Available with own motor or power take-off.

QUICK CHANGE-OVER FOR 3-WAY HARVESTING

In a few minutes you can attach the Hay Pickup, the new Mower Bar for low or tall-growing grass silage crops, sown broadcast, or the Row-Crop Attachment for Corn, Cane, etc.

GEHL TILT-UP BLOWER elevates to highest silo or mow... blows hay horizontally as much as 100 feet. You can own a Gehl Self-Unloading Wagon Box, build your own, using Gehl Parts Kit and Free Plans, or get Gehl Parts Kit and Free Plans for making your present box self-unloading.

THERE'S NOTHING BETTER THAN A GEHL
 Come in and talk it over... NOW

Only Three Home Runs So Far In Vaughan Dist. Softball League

Due to rain and a holiday last week, most teams were idle except Elia and Maple who played Friday night. The Concord-Hope game was played Sunday afternoon before a good crowd of eager fans.

The Home Run Trophy has no big hitter gunning for it yet as there are only 3 official homers so far; Ken Poole, Ron Keffer of Concord and Earl Law of Elia. Fred Bentley hit a triple that developed into a round-trip due to an overthrow but only all-the-way rounds will be counted. Hit 'em a little harder, Freddie.

Elia 1 Downsview 1
 Elia had little trouble against Downsview in the game that was postponed the week before.

The first inning was scoreless, but Elia started scoring in the second. It was only a fair game with no spectacular plays, but a home run and a three-base hit by Jim Browning of Elia, highlighted the game. Cliff Lansfield pitched a fair game for Downsview but didn't get much team support.

Elia 9 Maple 2
 This was a close game until Ken Scott of Elia started the ball rolling by a three-base hit followed almost immediately by a home run by Earl Law. It was one of Earl Law's better pitched games by only giving up three hits in the game.

Stouffville Arena Co. To Sponsor The 1954 Senior "B" Clippers

Arena officials have announced recently that the Stouffville Arena Co. will operate the Sr. "B" Clippers next season and it is hoped that an entry might be made in the Metropolitan Area League, a scheme that was planned last year but fell through when other clubs failed to co-operate. Local hockey authorities expect that two-thirds of the players who performed under the Clipper colors will be back again. The idea of withdrawing from the Metropolitan Area in favor of an Intermediate "A" Club was discouraged.

It was thought that the Intermediate competition would not appeal to the fans who had become familiar with the thrilling hockey displayed in the Sr. B category. Although no definite statement has come from Coach Bob Bangay, word has it that he will again handle the coaching duties of the club for another season.

CORRECTION
 In last week's sports story on the famous Teston Soccer Team of the 1912-1913 era the "Liberal" erroneously reported that one of the players, Mr. J. Hadwen has since passed on. However we are glad to report that Mr. Hadwen who was born and raised in the Teston district is still hale and hearty and presently residing in British Columbia.

Bantam & Juvenile Entries Home Games In North York Baseball League Started

The Richmond Hill games in the North York League Schedule began this week in the Richmond Hill Park. Sponsored through the efforts of the Rotary, Chamber of Commerce and Lions, the village is represented in Bantam and Juvenile series. Oak Ridges team is supported by the Oak Ridges Lions Club while Lake Wilcox Athletic Association backs the Lake Wilcox team.

This year the League features a five team Bantam series with teams from Newmarket, Mt. Albert, Aurora, Oak Ridges, Richmond Hill, a six team Juvenile series with Stouffville, Newmarket, Aurora, Wilcox Lake, Richmond Hill and Bolton entered. The Mid-

get group is made up of teams from Aurora, Newmarket and Sutton.

The Richmond Hill games will be played as follows: Bantams, every Wednesday evening and Juveniles, every Friday.

The North York League was originally organized by Grant Nighswander, of Markham, and sports director at Richmond Hill Public School and he has continued to give much support to the league activities. Of the charter members of the league, Richmond Hill, Newmarket and Aurora are still associated while Markham has switched over to Softball.

Chas. Howitt Sr. Boys Show Promise Of Winning Series

The winner of the North Section in the Senior Boys League is almost certain to be Charles Howitt. They took their third straight game by beating Richvale in a convincing manner. This game was marred by an unfortunate accident to John White when he broke his wrist as he fell, colliding with an out-fielder. Langstaff can still upset the apple cart, with a win, when they meet each other. In the South the situation is indeed tense as Powell Rd. tied Thornhill in the standing when they beat them. A tie is almost a certainty in the final standing.

Richvale Senior Girls with a tremendous reversal of form won two games in a row to become leader in the North. Langstaff still has a good chance but Richvale seems to be in the driver's seat. On the strength of two close wins over Powell Rd., Thornhill is leading the South but an interesting possibility has developed. Henderson Ave. seems to be getting stronger. Thornhill fought a terrific battle before settling for a tie with Henderson.

Richvale Junior Boys have won the right to represent the North by beating Charles Howitt in their own back-yard and are waiting for the South to declare a winner.

Richvale Junior Girls, not to be outdone by their male counterparts also won the right to meet Thornhill, the winners from the South. Please keep in touch with the children regarding play-off dates and come out to cheer your team.

Play-Offs
 The first game of the Junior Girls championship play-off was played at Thornhill School with

Richvale taking the initial win. The game moves over to Richvale for the second game and back to Thornhill if necessary.
