Betty Gay of Toronto is spending a week or two with her and Mrs. Harold Acreman. Headford Sunday School travelled by bus to Woodland Park last Wednesday for their annual picnic. The number was not as large as in many other years, help being what it is, many of the men felt the need of staying home for their work, but several came at the supper hour. A sports program was held after supper.

On Thursday of last week, Mrs. Allan Studholme and her two children, Deane and Dale, visited Mrs. Jones. Mrs. Studholme is president of the "Scarboro Bluffers" Association, a social club in her home district of Scarboro.

Mr. and Mrs. Mel Jones called recently on the Acremans. Congratulations are in order for Mr. and Mrs. Melvin Wellman on the arrival of their daughter, Brenda Mary, born July 14. On Sunday, Mr. and Mrs. Fulton Chamberlin of Huttonville had dinner with Mr. and Mrs. Wm. Wellman.

Margaret Simpson, who has been spending a week with Mr. and Mrs. Roy Simpson, returned home on Sunday. Elaine Howarth of Richmond Hill is visiting with her cousins, the Rumbles, and is coming with them to Vacation School.

Vacation School, now in progress at Headford United Church, bids fair to out-do last year's success. On Monday attendance was 57, climbing to 68 on Tuesday. On Thursday last, Rev. and Mrs. D. Harris of Bath, visited with Mr. and Mrs. Elmer Leek and family. They were on their way to take up work on the mission field at East End, Saskatchewan.

Ricky and Lorne Lee, children of Mr. and Mrs. Herb Lee, are staying with Mr. and Mrs. Cummer Lee while their mother is in hospital. We were all shocked to hear of Cille's sudden and dangerous illness and are very glad to know she is over the danger point. It is hoped that parents of all the children attending Vacation School will be present in Headford Church at 7.30 on Friday evening, for a meeting with the teachers and to see what the children have learned.

Mr. and Mrs. Murray Acreman and little Theresa Pearce, with Mr. Harold Acreman, were in Kitchener on Sunday, calling on Mr. and Mrs. Wm. Wragge of Acton, formerly of Markham, on the way over.

Suicide  
A new weapon (still unrecognized as such) is gaining much favor. It is a combination made up of a knife, a fork and a spoon. It's not as fast, of course, but much more pleasant . . . and the results take a few years to show. Soon obesity ensues to increase the incidence and speed the course of diabetes heart disease, arteriosclerosis, and renal development.
