CHAMPIONS ARE FED ON SHUR-GAIN

I OWE MY SUCCESS TO SHUR-GAIN

CONSIDER THESE FACTS

At the Royal Winter Fair, there are three hog classes where carcass quality Counts. Last year, SHUR-GAIN Feeders won all three

- (1) The Brethour Trophy for the best Wiltshire Side. The winner — SHUR-GAIN Feeder Andrew Bain, French River, P. E. I.
- (2) The Todd Trophy for the best hog carcass. The winner — SHUR-GAIN Feeder G. B. Crow, Hespeler, Ontario.
- (3) Breeder Feeder Class for the best Gilt, boar and barrow — SHUR-GAIN Feeder Carl Roberts & Son, St. Adolphe, Man.

And YET, SHUR-GAIN feeds are not fancy feeds, they are practical feeds for practical farmers which have been proven for their "dollar earning capacity."

Wm. Beckingham, now in charge of the barber shop at King City is living, temporarily, at Bradford, until he can find a home in the village for himself, his wife, daughters, Diane, aged 6 years, and baby Patricia, age 1 1/2 years.

Mr. Beckingham is from St. John N.B., where he lived until he went overseas. He was in France, Holland and Belgium in 1943, with the Carleton and York Regiment. Later he did barbering for the infantry in England, and when he returned to Canada he worked as a barber in Renfrew, the home town of his wife.

The Beckinghams hope to settle in the village before school begins, so that Diane may register with the beginners this Autumn.

Pass By-Law Limit Parking

Discussion about the busy corner of Keele St. and King St. E., and the traffic problem of parked cars in that area since the new location of the Post Office, led to the following motion being presented by Bob McLeod, at the meeting of the Trustees of King City on Monday night: "That a by-law be drafted to limit parking on the N. side of King St. from Keele St. to the centre line of Doctors Lane, and on the S. side for 50 ft. east of the E. side of Keele St. during the hours of 7 a.m. and 7 p.m." At the suggestion of Jack Parsons, a householder, it was moved by W. A. Carson "That the trustees write to the Toronto and York Roads Com. to review with them the question of Stop signs and Stop lights at the intersection of King and Keele St."

Big Sutton Fair To Be Held On August 6, 7, 8

One week from today, on August 6, opens the 1953 showing of Central Ontario's first summer fair — Sutton Fair and Horse Show — at the busy Lake Simcoe village.

For three days, the people of North Gwillimbury and Georgina Townships and Sutton Village hold open house while all relatives drop in during their annual visit to the famed Horse Show.

Three afternoons and three evenings are action-packed. From the first youngsters rushing the grounds on the "Children Free" rule of Thursday and Friday, there's something doing on the grounds all the time.

A new full program for Thursday evening has an Old Tyme Dance contest starting at 8 p.m. — then on to a fireworks show at 10 p.m.

Friday and Saturday the horse is tops of everything. Both days see a full afternoon program in the jumping ring as the leapers compete, with a steeplechase to provide jump thrills in combination with stamina round the mile course of track and jumps, which ends in front of the grandstand.

For harness-horse fans there are two events of three heats each (a total of 6 miles of trotter-pacer action) from 1.15 o'clock till supper hour.

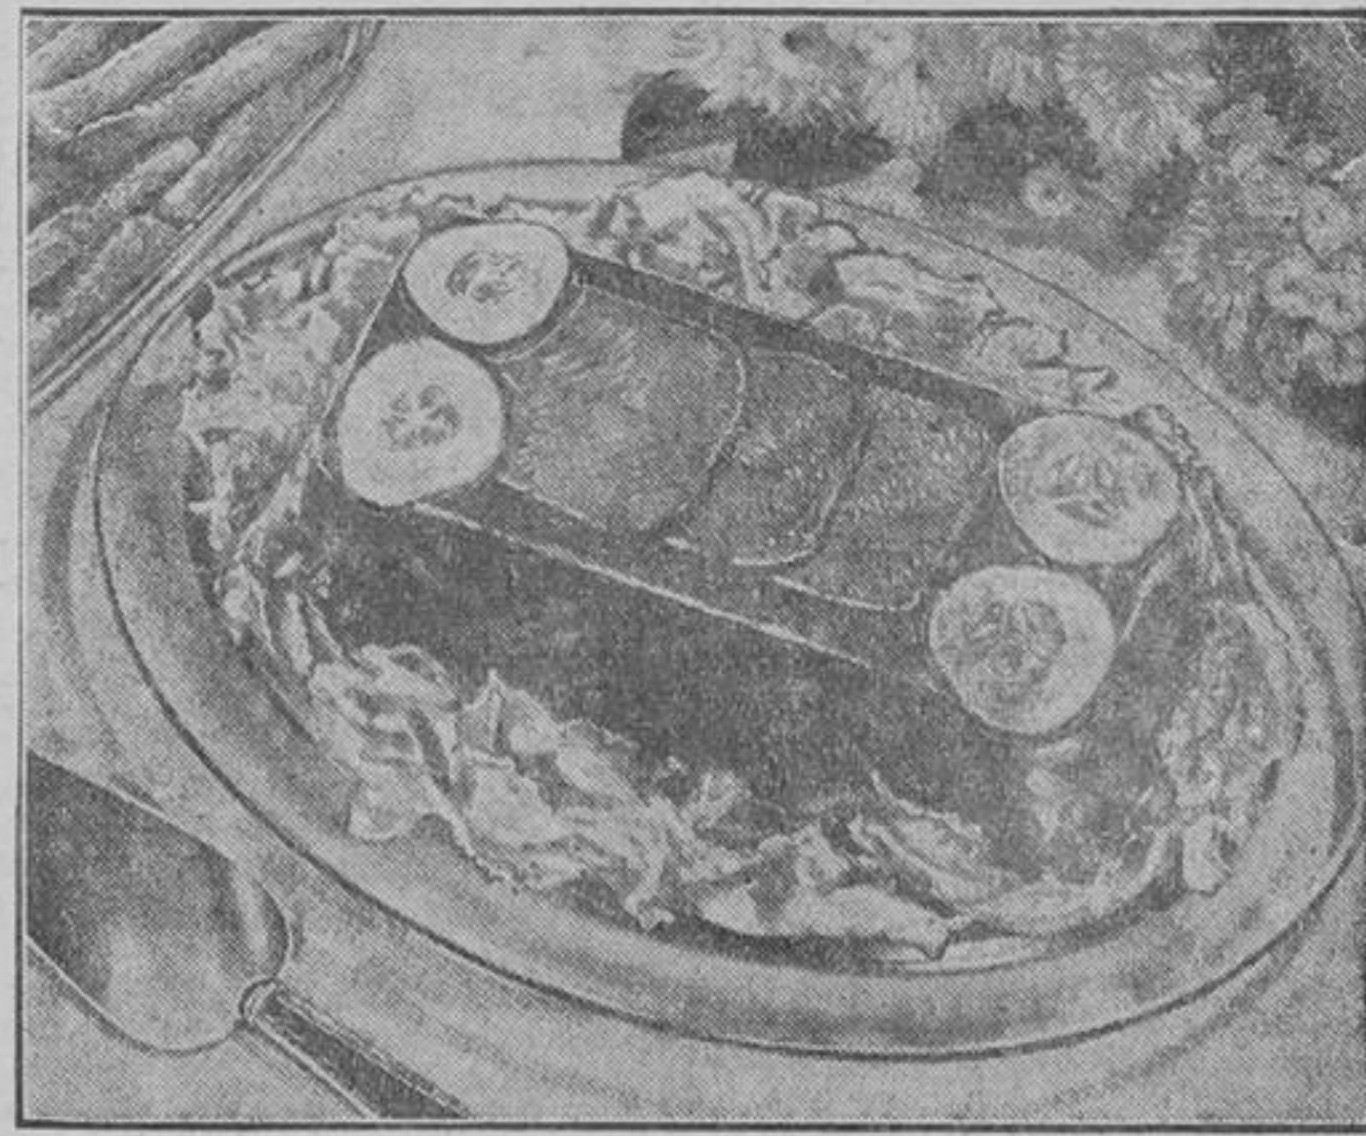

Thursday, Friday and Saturday, the new arena floor will be filled with displays of ladies' work, flowers, school pupils' work, vegetables and a very interesting array of manufacturers' booths.

Friday and Saturday evenings see the ever popular Review — styled variety show in front of the grandstand, popular Joe Murphy as Master of Ceremonies. The enjoyable part of the Variety Show is that it is free admission to all those on the grounds, with no extra admission to see two solid hours of pleasant entertainment in the open.

Saturday is the big day for agricultural exhibits. That's when the lovers of farm livestock see some of the best in Ontario. Of course both Friday and Saturday have the horse features — the fancy carriage turnouts — the pony show; even pony races on both days. And the Horse Show division completes its card of 20 events with two steeplechases and the "Fault and Out Stake". One of the "chase events is for amateurs and is a double-horse event, run as a relay, passing a baton.

A watcher can't see everything that is programmed at Sutton Horse Show and Fair — but there's a great lot of entertainment crammed into the three days, Thursday, Friday and Saturday, August 6, 7 and 8.

Consommé Salad is Star at Summer Meals

STAR performers at your summer meals are the cool, jewel-like gelatin salads. For the richest flavored salads, start with condensed consommé as the base.

A can of this meaty broth, which contains gelatin, is a natural for these jellied specialties. Just add chopped meat and vegetables to consommé (along with more gelatin); and let the refrigerator take over. One bite. Then you know how good a salad can taste.

A basic recipe for consommé salad can be made with either chopped chicken or tongue. Both a joy to eat. Try one, then the other. You're sure of two delightful summer suppers.

Jellied Consommé Tongue Salad
1 envelope unflavored gelatin
1 1/2 cup cold water
1 can (1 1/2 cups) condensed consommé
2 to 4 tablespoons lemon juice
1/2 cup diced tongue (smoked, canned, or cured)
1/2 cup minced cucumber
2 tablespoons sliced, stuffed olives
1 hard-cooked egg, chopped

Soften gelatin in cold water; then set container of gelatin in pan of boiling water until gelatin is dissolved. Combine gelatin, consommé and lemon juice; chill until mixture begins to thicken. Fold in remaining ingredients. Rinse a 1-quart mold or loaf pan with cold water (for decoration, arrange

slices of tongue in bottom of mold so they form a pattern on top of jellied salad); pour in salad. Chill until firm. Unmold and serve on crisp greens, 4 servings.

Chicken Consommé Salad: Follow recipe for Consommé Tongue Salad, except use 1/2 cup diced cooked chicken instead of tongue. And use the 4 tablespoons lemon juice.

SOUP SCOOPS

Beans Team with Deviled Eggs: Hot, hearty beans and pork go deliciously with deviled eggs for warm weather feasts. Have them at your next porch supper or beach picnic. Tote the beans in a covered casserole. For the deviled eggs, give an extra zip of flavor by mixing deviled ham with the usual egg yolk filling. Count on generous helpings of beans and at least 3 eggs per person.

Gravy Glorifies Sandwich: When there's roast meat left from dinner, fix double deck sandwiches for the next meal. Glorify sandwiches with hot gravy (using 1 can of beef gravy). For each sandwich, place slice of meat between 2 slices toast and top with more meat. Pour on the hot brown gravy. Each can contains 1 1/2 cups beef gravy, enough for 3 or 4 sandwiches. Garnish sandwich plates with cold, crisp celery, carrot sticks, and pickles. Man, that's a meal!
