MISPLACED HOSPITALITY

Leaving windows and doors unsecured and food exposed is one form of welcome to that dangerous pest, the housefly. This insect is able to collect a fine assortment of germs from garbage and other exposed dirt and refuse and deposit them on the table, food or baby's face, if there is an open door or window through which it can enter.

Feast on Fish... In Tomato Sauce

THE French had the word for it about fish: "It's the sauce that makes the fish." One fish sauce to sing about—tomato soup pointed up with lemon juice and mustard.

What could be easier than making this simple blend? And you'll say, "What could be better," once you've tasted! Pour sauce over a platter of golden broiled fish. Sit back and prepare for a fish feast.

SOUP SCOOPS

Vary Spaghetti with Crab for Lent: When you want a quick seafood supper, start with a can of spaghetti (in tomato sauce with cheese). Add about 1/2 cup of shredded cooked crab, and 2 tablespoons diced pimiento. Put mixture into a lightly greased, 1-quart casserole; sprinkle top with buttered crumbs. Bake at 400° F. about 15 minutes until piping hot. Guaranteed to attract all appetites.

Asparagus-Cheese Soup is in March Mood: A lovely green-gold soup, right in a March mood, is an asparagus-cheese combination. Blend 1 can condensed cream of asparagus soup with 1 1/2 cups milk. Stir in 1 cup shredded American cheese and a dash of pepper. Heat till cheese completely melts. Grand for a St. Patrick's luncheon with a shamrock of watercress atop each bowl of soup. Egg salad sandwiches on toast are good to eat with soup.

Put Olives in Macaroni: Dot colorful wedges of olive through a casserole of macaroni, using 1 can of the macaroni with cheese sauce (15-fluid ounce size). One-fourth cup of chopped olives, either ripe or stuffed, go well with the macaroni. Heat the casserole about 15 minutes in a hot oven. Nice menu to serve with this is green beans in a hot vinegar sauce, crisp cornmeal muffins, and lettuce salad.

Dr. Doner Family Gives Up Storekeeping At Gormley

Doner Family Gives Up Storekeeping At Gormley In 1923, Mr. Samuel N. Doner purchased the Gormley store, a landmark which had served the hamlet for over 75 years. Now, after thirty years of ownership the business has been sold to Mr. and Mrs. Charles Milsted of Queensville. The new owners will take over on Saturday, August 1st.

Although there are no definite records to relate the exact origin of the store it is known that in the year 1890, the business was operated by Mr. Colin McKenzie. He later moved to Toronto and Robert Johnston took over. Other proprietors have been John W. Wilson, Cecil Keyes and E. J. Webb.

In 1935, a disastrous fire swept through the store and adjoining house destroying practically everything. Following the outbreak, contractor Mr. Clarence Steckley and four carpenters, Stuart Duncan, Geo. Lyons, Walter Beynon and Harvey Bond commenced work on the new structure which was erected in four months at a cost of \$8,500. The new establishment is somewhat larger than the former place of business and two years ago the interior was completely modernized. In 1945, the business was taken over by Mr. Allan B. Doner.

Mr. Samuel Doner has operated the post office in Gormley for the past thirty years and expects to continue in this line of work. When he first took over the mail, back in the early 1900's the distribution was made by horse and buggy in the summer and by sleigh in the winter. Now the two routes are covered by truck. The corner where the store is situated was often a very busy centre as the 4th concession road did not veer to the east as it does now but passed directly in front of Mr. Doner's house and store.

Mr. S. B. Doner has always been a regular attendant at the Gormley United Missionary Church where he has served as deacon for the past thirty years. There are two sons and one daughter in the Doner family, Earl on the 10th concession of Markham near Monogolia, Allan and Grace. Although Mr. Samuel Doner expects to continue on the mail routes, Mr. and Mrs. Allan Doner will leave for the African mission field in September.
