### J. Robb Celebrates 96th Birthday

Mr. Jas. Robb, Edgley's oldest resident, celebrated his 96th birthday on Friday, July 31. Mr. Robb is in fair health and credits his longevity to the fact that his hobbies have always keenly interested him, his chief one being horses of all kinds, and in playing his concertina.

Born in King City, Ont., Mr. Robb has lived in Edgley for the past 51 years, and is the only living member of a family of 12 children.

His wife passed away seven years ago, but he continues to live on the farm with his two sons, Earl and Russel.

### Released From Charge

In Newmarket Court last Thursday morning four witnesses testified that Harold Nesbitt, Aurora, charged with careless, dangerous driving and failing to remain at the scene of an accident on July 17, was at his home in Aurora and that his car was not on the highway at the time of the accident. Mr. Nesbitt was accused of forcing the car, driven by George Gourlay of Oak Ridges, off Yonge St., just north of Elgin Mills.

Mr. and Mrs. Gourlay identified Mr. Nesbitt at the time of the accident as the driver of the car involved. Joseph Cowie chased the fleeing car and the number he obtained was said to be that of Harold Nesbitt.

The Magistrate ruled that "as there is some doubt as to the identification of the man" he must rule in favor of the accused.

### Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Too. Be Thrilled With Results—or Pay Nothing

What a thrill! Bony arms, legs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly look. Thousands, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building and flesh-building tonic, Oxtrel. Its tonics, stimulants, invigorators, iron, vitamin B<sub>12</sub>, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Mrs. L. Savard, Matagami Heights, Ont., writes, "I gained 16 lbs. Tired feeling, nervousness gone, too." Another user, Mrs. Marc Gagnon, Cap Chat, P.Q., writes, "I gained 13 lbs. Health fine. My rundown husband gained 15 lbs. New pep."

Don't fear getting really fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you wish. Money back if you're not delighted. Costs little. New "acquainted" size only 60¢. Refuse substitutes. Oxtrel has given results when other tonics failed. Try famous Oxtrel Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

### U.N. Technical Aid at Work in the Philippines

In an effort to improve their cottage (handicrafts) industries so that they can supply domestic demands, the Philippines Government requested technical assistance from the United Nations. Expert training teams were provided by U.N. to aid in Government-sponsored projects. Miss Lysbeth Wallace, U.N. weaving expert, is shown guiding the weaving of mosquito netting on a fly-shuttle loom. Miss Wallace is part of the U.N. team now working in the PRISCO (Philippine Stabilization Corporation) project in Manila.

### Prizes Galore Lions Watch Weatherman As August 8th, Carnival Nears

All Richmond Hill Lions are carefully watching the weatherman's predictions for Saturday, August 8, the day of their Annual Carnival and Fish Derby.

Fate kindly emptied the weatherman's water bucket on Tuesday, so the Lions have completed their plans for one of the largest carnivals ever held in Richmond Hill.

The day will start off with the "Fish Derby" at the Waterworks Pond and if any are in doubt as to how to arrive there, watch for the Derby signs of direction. Rules and regulations are printed on the reverse of the entry tags and all those participating are asked to be sure to acquaint themselves with these before taking part. Prizes are being offered for the first and last fish; largest and smallest fish, and a tagged fish of which there will be twenty out of the one hundred in the pond. Prizes for this event have been donated by Lion Mel. Malby of City Service Garage; Lion Ralph Paris of Ralph's Hardware; and Lion Percy Hill of Canadian Tire Corporation, and will be on display in the windows of these places of business. Also tickets for the Derby are on sale at these locations. The Lions wish all good fishing, good luck and, above all, ask participants to be good sportsmen. During the afternoon, the prizes will be presented at the carnival.

When the Fish Derby closes at 1 p.m., the parade will commence to fall in at Little's Garage, and at 1.15 will proceed south on Yonge Street to Markham Road, east on Markham Rd. to Church Street, north on Church St. to the park, where Reeve Taylor will officially open the Carnival at 2 p.m.

At 3 p.m. the St. Mary's Boys Band of Toronto will give a demonstration of fancy drill for which they are famous and to see these young lads from eight years old up to eighteen perform their intricate manoeuvres while playing and marching will delight old and young alike.

At 4.00 p.m. will be a Highland dancing group on the platform, in Highland costume, demonstrating reels, and flings.

At 6.30 p.m., the band will parade from the Lions Hall to Yonge Street and back to the park for a display of fancy drill at 7.15 p.m.

Seven forty-five will bring the Scandinavian folk dance group, under the direction of Mrs. Betty Madsen of Unionville to the platform for a demonstration of folk dancing in native costume.

At 8 p.m. the Square Dance Competition will take place in the Arena and to date a large number of entries have been received in the three classes of Adults, Teeners and Juniors. Tommy Thompson will be caller for these events and music will be supplied by Russ Greighton and his orchestra. Tommy has informed the committee that he will choose any one of the following dances which he compiled for the Royal Winter Fair competition and the groups should be familiar with them and prepared to do the one he will name.

The dances are Dip and Dive, Right Hand Up and Left Hand Under, Lady Round the Lady, Gent also; Right and Left, Four and Six; Birdie in the Cage; Lady Round Two and the Gent Cut Through.

Judging and points will be based on the following:  
Rhythmic Accuracy — 20 points.

Uniformity — 20 points.  
Ability — 30 points.  
General Effectiveness — 30 pts.

At 10 p.m. will be the age-old attraction of fireworks and at 11.30 p.m., the time called "zero hour", when the 1953 Nash Statesman will be drawn for. Tickets are going quickly on the car and Lions suggest you purchase your ticket from them early.

With these events and other attractions too numerous to mention the Lions Carnival Committee feels that an excellent day's program has been arranged for all. The members of this committee are to be congratulated for their untiring efforts to make this the biggest and best Carnival ever held in Richmond Hill.

### School Area No. 1

(Continued from page 1)

Continued, "The Unit has a definite programme in the township and is investigating the establishment of Plumbing Inspectors in the County. Reeve McMurchy assured the Council's co-operation when a solution to the plumbing matter was found.

Council gave formal approval for the sale of the Radial Property in Richmond Hill.

Council is giving much consideration to the fact that according to the road expenses up to the present, it appears as if the road expenditures may exceed the amount budgeted for by about \$7,000. The Reeve commented that all the projects for the roads this year have been cut as much as possible and still the situation looks very unpromising. Council decided to confer again with the Department of Highways.

Several recent developments in the Pearson Ave. extension have appeared recently and the Department of Highways is to be contacted and requested to make an inspection of the project.

Council passed a by-law to establish certain streets in the township as through streets, thereby making a large number of streets entering them Stop Streets. The by-law was composed with the assistance of the Road Superintendent Nelson Kerr and Chief Constable Bone. The streets lie mostly in the area from Langstaff to Thornhill.

Chief Constable Bone met with Council to request the purchase of a set of grappling hooks. A recent tragedy in the township has emphasized the need for such equipment which may help to save a life. Council gave the Chief permission to secure the equipment.

### Local Plowing Match Judges Prepare For Show

Local plowing judges, Fred Timbers, W. L. Clark and Win Timbers, recently have been making individual tours of the eastern counties in preparation for the big show planned for Cobourg this fall. For the first time since 1948, the judges have been meeting in an attempt to establish a more uniform system of scoring.

These three local farmers, who have been visiting counties where coaching already has begun, report increasing enthusiasm among the farmers and that there are often as many as 20 men out to the classes.

### Canada's Story Pageant Feature A.C.W.W. Meet Open To Public Aug. 22

or a colorful, exciting, authoritative picture of Canada's history, the pageant, "Dominion of Destiny" to be staged in Maple Leaf Gardens, Toronto, on August 21 and 22, is something unprecedented in this country.

The pageant is shown under the auspices of the Federated Women's Institutes of Canada honouring the Associated Country Women of the World at their international conference. On August 21, "Canada Day" at the conference, all seats in the Gardens will be reserved for members of the organization. But to meet the requests of hundreds of people, men, women and children who could not be accommodated on "Canada Day", a repeat performance is arranged for Saturday, August 22. This showing is open to the public. Reservations for seats can be made through the Maple Leaf Gardens Box Office.

The programme on Saturday begins at two o'clock in the afternoon. Some of the extra attractions will be an address by Mrs. Raymond Sayre, President A.C.W.W.; organ music by Kathleen Stokes of radio fame, including a solo medley of Strauss waltzes; the Junior Farmers' choir of Oxford County directed by Mr. Henry Clark — Mr. Clark has composed a special song for the occasion, "Canada, Dear Canada."

Then comes the pageant — a continuous action cavalcade with a full concert orchestra, a chorus of mixed voices, solos by the singing star Ernest Adams, dancing directed by Boris Volkoff, a large cast of actors with units of the Armed Forces and various animals, vehicles and the necessary props to portray Canadian life from the country's earliest days to the present.

Seldom has history been presented more vividly than in this pageant. The story begins with the Indians and the Vikings, the coming of Cartier and Champlain, the Hudson Bay Company and the powerful peppery Frontenac. There is the dramatic incident of Madeleine de Vercheres, the battle of the Plains of Abraham, the adventures of Captains Cook and Vancouver, and Alexander Mackenzie and Simon Fraser and the tragic affair of the Red River Rebellion. The days of the fur trade and the gold rush and the heroic early exploits of the North West Mounted Police, lead up to Confederation, the linking together of the provinces by the Canadian Pacific Railway and the influx of immigrants with their influence in shaping our Canadian culture. Stoney Creek and the founding of the first Women's Institute come in here; then World War I, the Commonwealth of Nations, the Peace Bridge and World War II. The last stage features the United Nations and Canada's new stature as a nation, the coronation, a prayer and the finale.

From communities all over Ontario bus loads and automobile parties are being organized for this event. Many of these parties will include a good number of high school pupils and teachers.
