W.A.
A most enjoyable evening was spent by members of the community at the home of Mr. and Mrs. Wilbert Jennings where an ice cream social was held under the auspices of the W.A. Children and adults both enjoyed the games planned for them. The hoop race, match box race, barnyard contest, balloon contest and a variety of others caused much hilarity among the contestants. The delicious pies topped with ice cream were served by the ladies while everyone enjoyed a pleasant social evening. The proceeds received from this endeavour amounted to approximately \$42. Appreciation is extended to all who aided in making their contribution to the success of the evening. A special thanks to Mr. and Mrs. Wilbert Jennings for their kind hospitality.

The subject of his address was "The further life of St. Paul," and the theme was beautifully carried out by Mrs. Lott who sang "Through I speak", which is based on 1 Cor. 13.

THE Austin A-40 SOMERSET

The delivered price of the Austin A-40 Somerset is an honest price. That low figure buys you a complete new car. There are no extras to buy.

The quoted price includes such features (usually priced extra) as foam-rubber cushioning, wear-defying, soil-resisting genuine leather upholstery and an air-conditioning heater that will give

you living-room warmth all winter. It also includes directional signals, non-stall electric windshield wipers, plus a powerful 12-volt electrical system.

But that's only half the story.

The other half is the satisfying, able way your Austin performs—at savings as high as 50¢ on each operating dollar.

Try an Austin on the road. You can see through that wide, nothing-in-your-way windshield. You can match traffic at its toughest—and cruise smoothly at highway speeds in day-long comfort. And you can be sure of Austin service wherever you go. These are reasons why more than 80,000 Canadians now drive Austin.
