**ILO Seeks to Better Child Labor Conditions**

Until living standards can be improved, millions of Asian children, like the youngster pictured, must work. Meanwhile, the International Labor Organization (ILO), a U.N. specialized agency, seeks to eliminate harmful practices through international action. At present, young people are sometimes sold for their services or given over to contractors on a long-term indenture. Asian countries will soon meet under ILO auspices to discuss measures to abolish such procedures and improve employment conditions for young workers.

**Personals**  
Mr. and Mrs. Hugh Allan and their four children have moved from McLean's Farm, Elgin Mills, to their new home in Richmond Hill. Their neighbours are sorry to have them leave this community but glad they have not moved too far away.

Larry Fiolli's friends are pleased to know he is now feeling much better and is able to be up and around again. Larry spent most of his summer holidays on the sick-list, with a short session in hospital, but we understand he is well on the road to good health now.

A reception for the Aker-Woodhead wedding party was held in the Palm Room of the Summit View restaurant last Friday night, following the marriage of Miss Lorna Baker, Richmond Hill, to Jack Woodhead of Montreal.

At Melody Fair Mrs. G. Stockton "Thing" and Mrs. G. W. Stockton of Elgin Mills, who was among those who enjoyed seeing "Brigadoon" at last Saturday's matinee. The acting was most enjoyable.

Coming from England just recently with her husband, Mrs. Stockton found the set-up at the big tent very novel and entertaining.

**Welcome Back**  
The children at the Orange Home were delighted to see Mrs. C. Marshall, one of the house mothers, when she returned to her duties at the Home last Tuesday after a six week's stay at her cottage in Muskoka.

**Surprise Packages**  
Over six hundred lucky shoppers each received a free carton of "Cokes" from Pridham's I.G.A. store, last weekend.

**New Neighbours**  
We extend a cordial welcome to Mr. and Mrs. Frank Lawton who have recently moved to Jefferson from Toronto.

**Summit Motel**  
We had a most interesting visit with two new neighbours in our community, when we dropped in to meet Mr. and Mrs. Frank Zavorcka at their Summit Motel this week.

Mrs. Zavorcka told us this venture is the culmination of a dream she has had for some time. Last year, with plans only in a tentative stage, the Zavorckas travelled over 12,000 miles through Canada and the States, staying six months on the road and visiting California, Mexico, Florida and New York.

The idea behind this trip was to visit various motels and to study the best features of all. The result is the Zavorcka's have incorporated the very latest details into their own business, through plans which Mr. Zavorcka drew up and executed himself.

Noticing two excellent oil paintings in the office of the motel we were interested to learn they were done by Mr. Zavorcka, who enjoys painting in oils or watercolours in his spare time.

**Birthdays**  
Congratulations and best wishes to Mrs. Matthew Patton, Elgin Mills, who celebrated her 83rd birthday last Sunday, August 23. Mrs. Patton had been away on a two week's trip to Kirkland Lake and returned home on Saturday in time to celebrate the happy occasion of her birthday next day with all her family.

Many happy returns of the day to the Barrow twins, Billy and Bobby, who will be six years old this Saturday, August 29.

**Road Trouble**  
The narrow road space near and across the large culvert on Brookside Road is proving a source of consternation to motorists and pedestrians.

There is no shoulder on the south side of the road at this spot, and only a few inches extra room on the north side with a drop of about six feet at least to the land on the south side.

Situated about 100 yards in from Yonge Street at the bottom of the Hill, this part of Brookside was the scene of what could have proved to be a bad accident last week when two trucks, one proceeding west, the other east, met at this critical spot just as one of the children living in the vicinity was starting up the hill.

Since there was no "jumping-off" place at that point the east-bound truck swerved sharply to the right to avoid hitting the child and the front wheels of the truck went off the road. Spectators said had the truck rolled even a few
