Memorial Cairn Honors Women's Institute Founder

A large roadside park at junction of Highways 5 and 24 was set aside by Hon. George Doucett, Ontario Minister of Highways, as reserve in perpetuity to serve as a setting for memorial cairn marking the community near St. George where Mrs. Adelaide Hoodless, founder of the Women's Institutes was born. The organization she started in 1897 has flourished throughout the British Commonwealth nations and in other countries. She was moved to that far-reaching action by the death of her son from drinking sub-standard milk. Today, as Federated Women's Institutes of Canada join the Ontario Federation in welcoming first Canadian assembly of the Associated Country Women of the World in Toronto recently, Mr. Doucett hopes that women's influence in Ontario and elsewhere will be mobilized against the selfishness, bad manners and refusal to think of others which is the cause of most traffic accidents. In Ontario alone in 1952, traffic accidents resulted in 1,010 deaths; thousands of injuries; and millions of dollars worth of property losses.

Upper pictures: House where Women's Institute founder was born, near Memorial Cairn; and the red brick school which she attended as a girl.
 Lower: The Memorial Cairn, which was unveiled by Her Excellency, the Lady Tweedsmuir, when Baron Tweedsmuir (John Buchan) was Governor General. Those in picture, from left to right, are Mrs. J. A. Charlton, R. R. 1 Paris, Past District President, North Brant; Mrs. M. M. Moore, R. R. 3 Ayr, District President, North Brant; and Mrs. E. R. Hunt, Burford, District President, South Brant.

**Richmond Hill
 Women's Institute**

The Women's Institute will meet on Thursday, September 10, in the Sunday School room of the Presbyterian Church at 2 p.m. Bring in your Talent Money and tell how you made it. This will be the Historical Research meeting and the subject is Yonge Street in Richmond Hill since 1794.

A cordial invitation is extended to every woman in the community to attend the meetings of the Women's Institute. Its meetings are arranged around its motto — "For Home and Country." It is a non-sectarian, non-political organization and welcomes those of every nationality.

Will those members of the Women's Institute who wish to take advantage of the chartered bus to the C.N.E. on Tuesday, September 1 please contact Mrs. L. Zuefelt or Mrs. J. Pollard immediately.

Ten members of the Women's Institute attended "Canada Day" sessions of the A.C.W.W. held in Maple Leaf Gardens on Friday, August 21. Women from 26 foreign countries and the ten provinces of Canada filled the huge Gardens and thrilled to the presentation of "Dominion of Destiny" a dramatic and musical cavalcade of the History of Canada presented by the Federated Women's Institutes of Ontario.

 The above day will be a very important day for over 3000 children who will enter school for the first time and for about 17,000 who will return to school after a happy and healthy vacation. May I enquire if you have had your child or children examined by your Physician and your Dentist for the correction of physical or dental defects? Your child is entitled to your best care and attention and every way by which you can assist him to secure the most good from the available educational facilities. Our hope is centred on our Junior Population.

Seven members of the Mark-Vaun W.I. attended Canada Day, at the triennial conference of the Associated Country Women of the World, sponsored by the Federated Women's Institutes of Canada in Maple Leaf Gardens, Friday, August 21. The gardens were decorated with stooks of barley and corn, and at the rear of the platform was a large map of Canada, flanked with a miniature forest of Scotch Pines.

Mrs. Percy Bone, a member of Thornhill W.I. was in charge of the decorations. During the afternoon messages to Canada from their respective countries were given by 26 delegates most of them in their national costumes most of which were very colourful.
