Vaccination Call in India

Loudspeakers mounted on rickshaws call the people of Delhi, India, to visit specially established vaccination centers at the nearest street corner, to get their anti-TB inoculation. This is part of the tuberculosis control program now being carried out by India with aid from the U.N. International Children's Emergency Fund (UNICEF).

When Miss Blair Burrows entertained the King City Women's Institute at a picnic on August 11, a short business meeting was held early in the afternoon. It was revealed that the sum of \$88 had been earned by the members at the refreshment booth in Memorial Park during two events in July. The members decided to donate \$50 towards the Lions Club Fund which provides swimming classes at Thornhill for the children of the district during the summer holidays. A piano that was purchased by the Institute several years ago, and was left in the barn in Memorial Park for the use of the Community, was presented to the Lake Marie and King Athletic Association.

Mrs. John Norris, Mrs. Laura Rolling, Mrs. Collin Stewart and Mrs. Archie Campbell, were hostesses on Tuesday night, to four delegates to the A.C.W.W. who were returning to Toronto from Ottawa after a sight seeing tour of the Capital.

Leaving For Brussels
Former residents of the farm known as the Old Forge at Lasky and King Side Road, Mr. and Mrs. J. Price Erickson-Brown, are leaving soon with their children for Brussels. Mr. Erickson-Brown has been appointed consular in the Canadian Embassy to Belgium. Mr. and Mrs. Erickson-Brown will be remembered as one of the first

Toronto families who moved to the country several years before the war, and who commute to the city every day. After leaving the Old Forge, they bought the property at the corner of Finch and Keele St., and built the first modern house in this part of the county. Mr. Brown was born in Galt, attended the U. of T. Schools and in 1928 graduated in arts at the University of Toronto. After studying at Osgoode Hall, he was called to the bar in 1931. Since 1948 he has been a legal adviser in the External Affairs Department, and in 1950 and 1952 was a member of the Canadian delegation to the UN General Assembly in New York. Mrs. Erickson-Brown is the former Charlotte Dinick, whose mother Mrs. Louise Dinick, lives in Aurora, and whose sister, Mrs. John Belknap lives in King City, her brothers are Mr. Wilfred Dinick, Yonge St., and Mr. John Dinick, Mill Pond Farm.

Wedding
Mrs. Donald McCallum in a pretty yellow gown, was matron of honour when her sister, Miss Janet Talboys, became the bride of Mr. John Gordon Cleveland, Montreal, at a ceremony performed by Rev. Edward Morley, in St. Paul's Church, Runnymede, on Saturday afternoon. Mr. and Mrs. Cleveland will live in Montreal. Mr. Donald McCallum and Mrs. Rhoda Farren were guests at the wedding, and at the reception that was held at Kilhooley Gardens.

Presbyterian Church
While their minister, Rev. David Watherspoon, was on vacation for a month, the Presbyterian churches at Eversley, Strange and St. Paul's, were closed. Beginning on Sunday, August 30, services will be held regularly in all three churches. The 11 a.m. service will be held at St. Paul's Church each Sunday during the fall and winter months. There will be Sunday School at 2 o'clock on Sunday afternoon at St. Andrew's Church, Strange, followed by church service at 3 o'clock. At 7:30 p.m. the evening service will be held at St. Andrew's Church at Eversley. During his vacation, Rev. Mr. Watherspoon conducted Vacation Bible Schools at Eversley School and at St. Andrew's Church Strange.

School Opening
When school re-opens on September 8, there will be 106 pupils in the local school, S.S. 2, King City. This will include 16 new pupils, of whom 12 will be in the beginners class, and four will be transfers from other schools. There are eight boys and four girls in the beginners class. Next year, it is expected that there will be eleven children registered in the beginners class, and as there is no Grade 8 class this year, no one will graduate until 1954, making an overcrowded school again. At a meeting of the School Board on Wednesday, August 19, it was decided that all children in the village who attain the age of six this year, will be admitted. Children who will not be six years of age until the New Year will be considered for admission at a later meeting of the Board.
